Mis 4 estaciones Francisco Blázquez Martín, 2020-02-15 Estoy convencido de que fue en el otoño cuando puse encima de mi mesa un poemario con algo más de setenta poemas una ilusión de algo más de setenta toneladas y una calidad de unos setenta quilates Estoy convencido de que esa amplia colección de versos distribuidos por entre estas páginas cargadas de tanto sentimiento con tanto como quieren decir y con tanto como esconden en cada una de las lecturas se convirtieron en una enorme montaña por la que tendré que dejar pasar las cuatro estaciones o quizás alguna más para poder subir a la cima y beberme lo que Paco Blázquez derrama en tanto tiempo y con tanto esfuerzo Mis cuatro estaciones es un poemario que hay que digerir despacio hay que saborearlo poco a poco para meterse en la piel del autor para intentar comprender su misma esencia aunque yo modestamente preferiría invitarlos a disfrutarlo verso a verso página a página porque Cuatro estaciones ya lo escribieron otros lo musicaron otros y lo cantaron otros pero nadie como Paco que lo ha cargado de una pasión y un sentimiento por lo suyo hoy de todos que bien vale la pena devorar *Eyewitness La enciclopedia (en español)*
