Modalidades en electroterapia Tim Watson, 2021-05-15 La estructura de los capítulos referidos a cada modalidad sigue un formato unificado lo que facilita la localización de la información. La evidencia clínica se ha revisado a fondo incluyendo un sucinto resumen y una lista completa de los informes citados. El material está estructurado de modo que la evaluación de la evidencia clínica continúe conformando la sección más sustancial ajustándose así al subtítulo de la obra. Aunque en el texto se abordan cuestiones relativas a la aplicación clínica el libro no pretende ser un manual de cómo se hace sino que se plantea como objetivos desde una perspectiva crítica la exposición de la evidencia disponible y la función de guía bien informada que complementa la práctica ampliamente referenciada para el lector. La filosofía de los editores y en
