Elegant Silvers Striking Plants For Every Garden:

Elegant Silvers Jo Ann Gardner, 2005 Silver plants bring a luminous beauty to the landscape Their distinctive colors textures and silhouettes enrich garden design their ability to withstand extremes of heat cold drought wind and for variegated silvers shade makes them indispensable for gardeners The geographic range of silver plants is broader than many assume Silver conifers evoke snowy colder regions and thrive in the most frigid sites Even in four season climates where they are frost tender stunning agaves yuccas and echeverias can be grown outdoors in containers then wintered over indoors while other silvers including tropicals like the downy leaved *Plectranthus argentatus* can be treated as annuals The silver spectrum is similarly varied from silver white to gleaming blues Yet it is also important to know which cultivars will tolerate damp conditions and which may not and which are better adapted to heat and humidity In this comprehensive and inspirational compendium silver aficionados Jo Ann Gardner and Karen Bussolini have selected and vividly illustrated the best candidates for a broad range of growing and design needs Whether you decide to add a dash of quicksilver or the soothing perfume of an ancient herb this in depth guide to plants of uncommon beauty and versatility is certain to change the way you see and plant your garden *California Garden* ,2007 *Choice* ,2005 **Fine Gardening** ,2007 **Continuous**

Container Gardens Roanne Robbins, Sara Begg Townsend, 2025-04-08 Extend the life of your container garden beyond the summer months with an innovative system created by Sara Begg Townsend and Roanne Robbins Beginning with a central woody plant garden ornament or eye catching perennial you ll learn how to swap in seasonal plants for a dynamic display that looks great year round This inventive guide presents 48 tried and true designs that yield endless variations No matter the season your container garden will be glowing with bursts of color and varied textures that are in tune with nature
