Abstract

This article examines the poetics and politics of place in Italian/American culture and in Tina De Rosa's novel *Paper Fish* (1980), particularly its portrayal of 'elegies and genealogies of place', an appropriate framework through which to read the importance of spatial belonging. It investigates the way in which cultural identity is mostly built on both imagined communities and imagined places, as is common in migrant and diasporic cultures, through the evocation or creation of ancestors and the homeland. In addition, the Italian/American community leaves the characteristic Little Italy enclaves or undergoes displacement due to urban renewal projects and the move to the suburbs in the mid-twentieth century, which is sometimes compared to a second migration or diaspora. As a consequence, former urban enclaves come to assume a centrality as lost sanctuaries, which is captured in the trope of the Old Neighbourhood. The article contributes to existing contemporary research on the binomial place-identity by tracing how key events of US urban history impacted on Italian/American culture. Furthermore, the goal is to offer new critical readings of *Paper Fish* through the focus on place-making.

Keywords: Italian/American culture, Little Italy, (sub)urban migrations, imagined places, place-making.

Elegies Of Place:

Elegies of Place Benjamin Saltman, 1977-01-01 We Are What We Mourn Priscila Uppal, 2009 The first book on the Canadian poetic elegy challenges all previous ideas about the purpose of mourning *Poems in Their Place* Neil Fraistat, 2014-07-01 With essays by 13 leading scholars this collection establishes the grounds for a new kind of poetics that considers the poetry book itself the concept and the material fact as an object of interpretation The authors argue that the decisions poets make about the presentation of their works play a meaningful role in the poetic process and therefore should figure as part of the reading experience The common practice of approaching poems chronologically as they are presented in anthologies or in posthumous editions has been fostered by the long prevailing tendency of the New Criticism to treat each poem as self contained This volume urges the reader to reconsider the most fundamental ways that one reads teaches and interprets poetry Moving from classical to contemporary poetry these essays develop a literary history and theory for such a poetics at the same time providing a generous set of models for a related practical criticism At the heart of this collection are such issues as order arrangement and intertextuality Reading poems in their place helps to return them to their historical contexts because the book itself has had a particular place in its own culture and society Originally published in 1987 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **The Natural World in the Exeter Book Riddles** Corinne Dale, 2017 An investigation of the non human world in the Exeter Book riddles drawing on the exciting new approaches of eco criticism and eco theology **The Complete Poems of John Donne,...** John Donne, 1872 The Complete Poems John Donne, 1872 *The Cambridge Companion to Rilke* Karen Leeder, Robert Vilain, 2010-01-21 Often regarded as the greatest German poet of the twentieth century Rainer Maria Rilke 1875 1926 remains one of the most influential figures of European modernism In this Companion leading scholars offer informative and thought provoking essays on his life and social context his correspondence all his major collections of poetry including most famously the Duino Elegies and Sonnets to Orpheus and his seminal novel of Modernist anxiety The Notebooks of Malte Laurids Brigge Rilke s critical contexts are explored in detail his relationship with philosophy and the visual arts his place within modernism and his relationship to European literature and his reception in Europe and beyond With its invaluable guide to further reading and a chronology of Rilke s life and work this Companion will provide an accessible engaging account of this extraordinary poet whose legacy looms so large today **The Works of Christopher Marlowe** Christopher Marlowe, 1876 **Public Poetics** Bart Vautour, Erin Wunker, Travis V. Mason, Christl Verduyn, 2015-06-08 Public Poetics is a collection of essays and poems that address some of the most pressing issues of the discipline in the twenty first century The collection brings together fifteen original essays addressing public poetry and poetics from the situated space of Canada

while simultaneously troubling the notion of the nation as a stable term It asks hard questions about who and what count as publics in Canada Critical essays stand alongside poetry as visual and editorial reminders of the cross pollination required in thinking through both poetry and poetics Public Poetics is divided into three thematic sections The first contains essays surveying poetics in the present moment through the lens of the public private divide systematic racism in Canada the counterpublic feminist poetics and Canadian innovations on postmodern poetics The second section contains author specific studies of public poets The final section contains essays that use innovative renderings of poetics as a means of articulating alternative communities and practices Each section is paired with a collection of original poetry by ten contemporary Canadian poets This collection attends to the changing landscape of critical discourse around poetry and poetics in Canada and will be of use to teachers and students of poetry and poetics

Shakespeare's Strangers and English Law Paul

Raffield, 2023-01-26 Through analysis of 5 plays by Shakespeare Paul Raffield examines what it meant to be a stranger to English law in the late Elizabethan and early Jacobean period The numbers of strangers increased dramatically in the late sixteenth century as refugees fled religious persecution in continental Europe and sought sanctuary in Protestant England In the context of this book strangers are not only persons ethnically or racially different from their English counterparts be they immigrants refugees or visitors The term also includes those who transgress or are simply excluded by their status from established legal norms by virtue of their faith sexuality or mode of employment Each chapter investigates a particular category of stranger Topics include the treatment of actors in late Elizabethan England and the punishment of counterfeits Measure for Measure the standing of refugees under English law and the reception of these people by the indigenous population The Comedy of Errors the establishment of Troynovant as an international trading centre on the banks of the Thames Troilus and Cressida the role of law and the state in determining the rights of citizens and aliens The Merchant of Venice and the disenfranchised estranged position of the citizen in a dysfunctional society and an acephalous realm King Lear This is the third sole authored book by Paul Raffield on the subject of Shakespeare and the Law The others are Shakespeare's Imaginary Constitution Late Elizabethan Politics and the Theatre of Law 2010 and The Art of Law in Shakespeare 2017 both published by Hart Bloomsbury

Rilke: The Last Inward Man Lesley Chamberlain, 2022-08-30 An incisive and intimate account of the life and work of the great poet Rilke exploring the rich interior world he created in his poetry When Rilke died in 1926 his reputation as a great poet seemed secure But as the tide of the critical avant garde turned he was increasingly dismissed as apolitical as too inward In Rilke The Last Inward Man acclaimed critic Lesley Chamberlain uses this charge as the starting point from which to explore the expansiveness of the inner world Rilke created in his poetry Weaving together searching insights on Rilke's life work and reception Chamberlain casts Rilke's inwardness as a profound response to a world that

seemed ever more lacking in spirituality In works of dazzling imagination and rich imagery Rilke sought to restore spirit to Western materialism encouraging not narrow introversion but a heightened awareness of how to live with the world as it is of how to retain a sense of transcendence within a world of collapsed spiritual certainty **The Fuller Worthies' Library**

Alexander Balloch Grosart,1872 *Elegy* David Kennedy,2008-03-10 Grief and mourning are generally considered to be private yet universal instincts But in a media age of televised funerals and visible bereavement elegies are increasingly significant and open to public scrutiny Providing an overview of the history of the term and the different ways in which it is used David Kennedy outlines the origins of elegy and the characteristics of the genre examines the psychology and cultural background underlying works of mourning explores how the modern elegy has evolved and how it differs from canonical elegy also looking at female elegists and feminist readings considers the elegy in the light of writing by theorists such as Jacques Derrida and Catherine Waldby looks at the elegy in contemporary writing and particularly at how it has emerged and been adapted as a response to terrorist attacks such as 9 11 Emphasising and explaining the significance of elegy today this illuminating guide to an emotive literary genre will be of interest to students of literature media and culture **The**

Queering Early Modern Death in England Lauren Shohet,Christine Varnado,2025-08-21 What does queer death have to do with early modern England This collection interrogates the profoundly queer strange excessive camp and uncanny dimensions of death in early modern English literary theatrical and material archives Contributors provide new insights on death by using the analytic tools of queer theory via non binary analyses of gender sexuality humanity nature embodiment and temporality Turning queer analysis to questions of death allows it to be understood as non dualist non linear a teleological and fruitfully muddled The essays illuminate early modern experiences before the ascendancy of Cartesian dualism occluded alternative understandings of death They also speak to a present and a future where many received paradigms no longer hold Key dramatic texts from the early modern period including *The Duchess of Malfi* *The Alchemist* *The Spanish Tragedy* *The Winter s Tale* *Richard III* and *A Midsummer Night s Dream* show the expansive possibilities of death and dying in a queer mode Further essays consider queer dimensions of death in lyric poetry animal husbandry typology and Shakespearean authorship These approaches make clear why readers interested in queerness and death should immerse themselves in the cultural life of sixteenth and seventeenth century England **The republican period** Wilhelm Sigismund
