The Opposite of Woe John Hickenlooper, Maximillian Potter, 2016-05-24 The maverick and very funny governor of Colorado tells his story from early loss to college on the ten year plan to remarkable business and later political success In just over a decade John Hickenlooper has gone from a craft brew entrepreneur to mayor of Denver to governor of Colorado hailed by many political analysts the New York Times and Fox News alike as a solid contender to be the next vice president It is an unlikely tale of success quintessentially American yet utterly exceptional In The Opposite of Woe Hickenlooper tells his own story of determination and daring from business to politics in his singularly sharp and often hilarious voice After taking ten years to graduate from Wesleyan Hickenlooper found himself laid off from his first job as a geologist in the oil industry Lacking a day job he rented a space in one of Denver's sketchiest neighborhoods and opened a brew pub Honest likable and practical Hickenlooper turned out to be a natural at running a restaurant the pub was a huge success and did a great deal to revitalize a struggling neighborhood In fifteen years he blossomed from a small business owner into a millionaire at the helm of a string of pubs in Denver and across the country He was such an influential member of the community that he acted on the encouragement of many and ran for mayor essentially as a lark And then he won So began an eight year run as one of the most creative and successful mayors in the United States Hickenlooper doubled down on his political career by running for Colorado governor in 2010 which he also won then won again He has tackled a host of pressing and volatile issues in a true battleground state immigration fracking capital punishment guns the Affordable Care Act same sex marriage legalized marijuana Time and again his administration has persuaded ideologically opposed constituencies to agree on a middle path and move forward all while dealing with a tragic series of wildfires biblical floods shootings and the assassination of a cabinet member On display throughout is the rare candidness that has made him not only wildly popular at every step of the way but also remarkably successful at getting things done Co written with journalist and former cabinet member Maximillian Potter The Opposite of Woe is a fresh and refreshing angle on our political landscape from one of its brightest rising stars
