*Novels, Readers, and Reviewers* Nina Baym, 2018-03-15 This book describes and characterizes responses of American readers to fiction in the generation before the Civil War It is based on close examination of the reviews of all novels both American and European that appeared in major American periodicals during the years 1840 1860 a period in which magazines novels and novel reviews all proliferated Nina Baym makes use of the reviews to gain information about the formal aesthetic and moral expectations of reviewers Her major conclusion is that the accepted view about the American novel before the Civil War the view that the atmosphere in America was hostile to fiction is a myth There is compelling evidence she shows for the existence of a veritable novel industry and concomitantly a vast audience for fiction in the 1840s and 1850s A Novel Bookstore Laurence Cossé, 2010-08-31 A devotee of Stendhal who has shunned the company of his

fellow human beings to live on the outskirts of a tiny village in Savoy is kidnapped and left for dead along a forest road A middle aged mother who spends much of her time shuttling her numerous offspring along twisting mountain roads loses control of her car and ends up injured but alive in a gorge Meanwhile an elderly man of unbreakable habits is taunted and threatened by two unknown men while on his morning walk along the cliffs of Brittany Mystery abounds but A Novel Bookstore is no everyday mystery The victims here are not members of the underworld toughs or thugs but mild meek and apparently ordinary people In the eyes of their aggressors they are guilty of only one crime expressing their tastes in literature Indeed all three victims are members of The Good Novel's secret selection committee Tucked away in a corner of Paris The Good Novel bookstore offers its clientele literary masterpieces both contemporary and classic selected by a top

secret committee of authors The store has proven an instant success but nobody could have imagined that success would unleash a tide of hatred Now there are those who will stop at nothing to destroy The Good Novel One by one the pieces of this puzzle fall ominously into place as it becomes clear to the store's owners Ivan and Francesca that their dreams of an ideal place for books may be shattered by envy and violence Elegantly mixing the mystery and literary fiction genres Laurence Coss has written an enthralling fable for lovers of good books and a heartfelt tribute to fine bookselling
