Virgin Film: War Films James Clarke, 2013-08-31 War films have existed since the birth of cinema typically gung ho tales of macho derring do But war films are not always about bravado and bravery they also detail the horrors of war the sadness the brotherhood of soldiers and comedy that can be found in the bleakest of situations as well as the excitement of the battlefield War Films explores defining movies of the genre in sections covering different wars as well as wars with other worlds The book also offers links between the different films historical and cinematic worth and profiles of key actors and directors Among the films included are Saving Private Ryan Dr Strangelove Welcome to Sarajevo The Dam Busters Gallipoli The Deer Hunter and Ran Monographic Series Library of Congress, 1981 Flights of Fancy Kenneth Von Gunden, 2001-09-29 In depth analyses are presented of 15 superior films each one representing a subgenre of fantasy cinema Beauty and the Beast Conan the Barbarian The Dark Crystal Dragonslayer 5 000 Fingers of Dr T It s a Wonderful Life Jason and the Argonauts King Kong Lost Horizon Popeye Superman The Thief of Baghdad Time Bandits Topper and The Wizard of Oz A chapter is devoted to each film providing a plot summary and detailed information about cast and crew special effects stop motion animation miniatures hanging miniatures optical effects tricks of perspective blue screens matte paintings glass shots reverse projection slow motion rear and front projection etc and strengths and weaknesses as well as explorations of the film s relationship to written fantasy other films and cultural myths *Fancy Pants* Susan Elizabeth Phillips, 2022-01-25 She was the most beautiful British bauble in Europe s jet set playground Now she s broke furious and limping down a backwoods road in an ugly pink Southern Belle gown He was tall lean and All American gorgeous He liked his brews cold and women loved to keep him warm So why is he stopping his car for this weebegone surly Scarlett Library of Congress Catalogs Library of Congress, 1982 *Ethical Chic* Fran Hawthorne, 2012-06-19 How popular companies like Apple and Trader Joe s project a hip progressive image and whether we should believe them Consumers are told that when they put on an American Apparel t shirt leggings jeans gold bra or other item they look hot Not only do they look good but they can also feel good because they are helping US workers earn a decent wage never mind that some of those female workers have accused their boss of sexual harassment And when shoppers put on a pair of Timberlands they feel fashionable and as green as the pine forest they might trek through that is until they re reminded that this green company is in the business of killing cows But surely even the pickiest most organic most politically correct buyers can feel virtuous about purchasing a tube of Tom s toothpaste right After all with its natural ingredients that have never been tested on animals this company has a forty year history of being run by a nice couple from Maine well ahem until it was recently bought out by Colgate It s difficult to define what makes a company hip and also ethical but some companies seem to have hit that magic bull s eye In this age of consumer activism pinpoint marketing and immediate information consumers demand everything from the coffee computer or toothpaste they buy They want an affordable reliable product manufactured by a company that doesn t pollute saves

energy treats its workers well and doesn't hurt animals oh and that makes them feel cool when they use it Companies would love to have that kind of reputation and a handful seem to have achieved it But do they deserve their haloes Can a company make a profit doing so And how can consumers avoid being tricked by phony marketing In Ethical Chic award winning author Fran Hawthorne uses her business investigative skills to analyze six favorites Apple Starbucks Trader Joe's American Apparel Timberland and Tom's of Maine She attends a Macworld conference and walks on the factory floors of American Apparel She visits the wooded headquarters of Timberland speaks to consumers who drive thirty miles to get their pretzels and plantains from Trader Joe's and confronts the founders of Tom's of Maine More than a how to guide for daily dilemmas and ethical business practices Ethical Chic is a blinders off and nuanced look at the mixed bag of values on sale at companies that project a seemingly progressive image
