Stockman,2021-12-30 The World of the Bah Faith is an outstanding guide to the Bah Faith and its culture in all its geographical and historical diversity Written by a distinguished team of international contributors this volume explores the origin of this religion and contains substantial thematic articles on the living experience of the global Bah community The volume is organised into six distinct sections Leadership and Authoritative Texts Theology Humanity Society The Contemporary Bah Community History and Spread of the Bah Community These sections cover such themes as the afterlife artistic expression Bah institutions devotional life diversity economics education the environment and sustainability family life gender human nature interfaith relations international governance law marriage peace persecution philosophy race science and religion scripture spirituality and work The development of the Bah Faith is outlined in ten regional articles This volume provides an authoritative and accessible source of information on all topics important to the Bah Faith The World of the Bah Faith will be essential reading to students and scholars studying world religions and comparative religion It will also be of interest to those in related fields such as sociology political science anthropology and ethics

**Baha'i World** ,1926 The Baha'i Faith William S. Hatcher,James Douglas Martin,2002 Explore the history teachings structure and community life of the world wide Baha i community what may well be the most diverse organized body of people on earth through this revised and updated comprehensive introduction 2002 Named by the Encyclopedia Britannica as a book that has made

significant contributions to the knowledge and understanding of religious thought The Baha'i Faith covers the most recent developments in a faith that in just over 150 years has grown to become the second most wide spread of the independent world religions

*A Concise Encyclopedia of the Baha'i Faith* Peter Smith, 2013-10-01 Written by a well known author in the field of Baha'i studies this is a comprehensive and accessible encyclopedia to the youngest of the world religions Regarded as the second most widespread faith after Christianity with adherents in almost every country around the globe the Baha'i faith is nevertheless unfamiliar to many here Dr Smith traces the origins and development of the religion from 19th century Iran to the modern day introducing its central figures and major historical events combining breadth with a readable yet concise style he provides a balanced overview of Baha'i scriptures doctrines and practices social teachings and organization This reference work presents a clear and knowledgeable view of a fascinating new religion

**Baha'i Faith: The Basics** Christopher Buck, 2020-11-26 Bah Faith The Basics provides a thorough and accessible introduction to a fascinating independent world religion Examining its historical development current community building efforts and the social contributions of the Bah Faith in the world today this introduction covers Beliefs Bah spiritual teachings Principles Bah social teachings History Bah u ll h and his covenant Scripture Bah sacred texts and inspired guidance Institutions The Bah Administrative Order Building community What Bah s do Social action Bah social and economic development projects Public discourse The Bah International Community Vision Foundations for a future golden age With features including a glossary of terms and references to the Bah writings throughout this is the ideal text for students and interested readers wanting to familiarize themselves with the Bah Faith

**The Baha'is of Iran** Dominic Parviz Brookshaw, Seena B. Fazel, 2012-10-02 The Baha'i community of Iran is the country's largest non Muslim religious minority This collection of essays presents a comprehensive study of the social and historical development of the Baha'i community and its role in shaping modern Iran Central to this study is the pioneering character of the Baha'i community in the late 19th and early 20th century with chapters examining the role of women in the Baha'i community the impact of Baha'i run schools on Iranian society Baha'i contributions to public health initiatives and the influence of Baha'i thought and the actions of individual Baha'is on the Constitutional Revolution of 1906 1911 Conversion to the Baha'i Faith is another important theme as contributors investigate the phenomenon of large scale conversion to the Baha'i Faith from the Jewish and Zoroastrian communities Finally although persecution of the Baha'is has drawn the attention of the Western media until now few scholars working in the field of Iranian studies have chosen to write on the history or details of this persecution Here five prominent figures in the field redress this balance and look at different aspects of this persecution including its historical background the attitude of secular Iranians persecution before and after the Islamic Revolution of 1979 and human rights perspectives This book will be of interest to students and scholars of Iranian studies Middle Eastern studies and comparative religion and with many chapters authored by leading academics in Iranian studies The Baha'is of Iran addresses both a gap in academic literature on

the Baha i Faith and in the study of modern Iran in general     *The Baha'is of Iran* ,     *The Baha'i Faith in America* William Garlington,2008-02-05 The Baha i Faith in America provides an engaging and accessible overview of one of the world s youngest and fastest growing religions William Garlington explores the principles of the Baha i faith and traces the historical development Baha i faith both worldwide and in the US     **The Baha'i Faith** Peter Smith,2014-11-06 This authoritative account traces the BahNB Faith from its origins in mid nineteenth century Iran to the spiritual and social concerns of the present     **Historical Dictionary of the Baha'i Faith** Hugh C. Adamson,2006-12-21 Growing out of the teachings of the B b who introduced the idea of the coming of a great prophet the one promised in the scriptures of all the world s major religions the Bah Faith was founded by Bah u ll h when in 1866 he publicly declared that he was the One the B b prophesized The 2nd edition of the Historical Dictionary of the Bah Faith presents a general historical overview of both B b and Bah religions as well as a theological overview of the Bah Faith from their inception in the mid 19th century to the middle of 2005 It presents biographical details of the Founders and Central Figures along with numerous leaders and pioneers most of the basic principles and precepts as well as aspects of its organization and administration Through the use of photographs a list of acronyms a chronology an introductory essay a bibliography hundreds of cross referenced dictionary entries on nearly every aspect of the religion and appendixes listing the genealogy of the Founders statistical information and lists of apostles disciples Hands of the Cause Knights of Bah u ll h as well as of more than 930 believers who have contributed to its growth and development this book is a fundamental tool for finding information on all things related to the Bah Faith     *Citizens of the World* Margit Warburg,2018-08-14 Citizens of the World deals with the Baha is and their religion While covering the historical development in sufficient detail to serve as a general monograph on Baha i emphasis is laid on examining contemporary Baha i with the Danish Baha i community as a recurrent case The book discusses Baha i religious texts rituals economy everyday life demographic development mission strategies leadership and international activism in analyses based on primary material such as interview studies among the Baha is fieldwork data from the Baha i World Centre in Israel and field trips around the world The approach is a combination of history of religions and sociology of religion within a theoretical framework of religion and globalisation Several general topics in the study of new religions are covered The book contributes to the theoretical study of globalisation by proposing a new model for analysing globalisation and transnational religions
