the use of photography as a form of colonial documentation and surveillance She examines fine art photography by South Asian diasporic artists who employ aesthetic strategies such as duplication and alteration that run counter to viewers demands for greater visibility These works fail to deliver on viewers desires to see themselves producing instead feelings of alienation estrangement and loss These feelings Mani contends allow viewers to question their own visibility as South Asian Americans in U S public culture and to reflect on their desires to be represented **The Artists Bluebook** ,2005 all of the artist names listed on AskART com **American Indian Art Magazine** ,2005 **Edward S.
