Graham,Doug Johns,2005-01-01 *Numen, Old Men* Joseph Gelfer,2016-09-17 Since the early 1990s there have been various movements designed to encourage masculine spirituality All these movements share a concern that spirituality has become too feminine and that men s experiences of the spiritual are being marginalized The task of masculine spirituality is to promote authentic masculine characteristics within a spiritual context *Numen Old Men* examines these characteristics to argue that masculine spirituality is thinly veiled patriarchy The mythopoetic evangelical and Catholic men s movements are shown to promote a hetero patriarchal spirituality by appealing to either combative and oppressive neo Jungian archetypes or biblical models of man as the leader of the family *Numen Old Men* examines spiritualities that aim to honour and transcend both the masculine and feminine and offers gay spirituality as an example of masculine spirituality that resists patriarchy

*Building a Ministry of Spiritual Mentoring* Jim Grassi,2014-04-01 There is nothing more fundamental to the Christian faith and to building godly men than discipleship In today s vernacular discipleship would best be described as Spiritual Mentoring Why are discipleship and mentoring so important How does discipleship connect to men and the struggles they face today Authentic discipleship is about developing a caring concern and a genuine love for others through modeling Christ like attitudes and behavior in the context of relational environments A fresh approach is needed to define implement and equip men with a passion to make disciples It starts with relationship Men are desperate for meaningful relationships both with God and other men *Building a Ministry of Spiritual Mentoring* will help churches and ministry leaders create dynamic environments for men to experience real transformation and develop authentic Christian relationships This proven method will assist your church or group in effectively developing and deploying a ministry of spiritual mentoring Features include Metaphors anecdotes and practical applications Proven tools for developing a ministry around spiritual mentoring Discussion questions **The Map** David Murrow,2010-03-14 A map written in code and hidden in the gospel of Matthew reveals a truth so explosive it could rock the foundations of Christianity or lead to its rebirth A cleric appears out of the rain spattered darkness bearing a mysterious message A long lost map with the power to transform men is on the verge of being discovered Thrown headlong into a global chase author David Murrow must race to find the map before it falls into the wrong hands and disappears forever *The Map* which begins as an action thriller and then transitions into a modern day parable reveals the path every great man including Christ himself has walked In this dynamic follow up to the best selling *Why Men Hate Going*

to Church Murrow cleverly translates the masculine spiritual life into an actual ink on paper map Then he shows men where to find the map in the New Testament and how to walk its ancient paths today

**Why Men Hate Going to Church** David Murrow,2011-10-31 Church is boring It s irrelevant It s full of hypocrites You ve heard the excuses now learn the real reasons men and boys are fleeing churches of every kind all over the world and what we can do about it Women comprise more than 60% of the adults in a typical worship service in America Some overseas congregations report ten women for every man in attendance Men are less likely to lead volunteer and give in the church They pray less share their faith less and read the Bible less In Why Men Hate Going to Church David Murrow identifies the barriers keeping many men from going to church explains why it s so hard to motivate the men who do attend and also takes you inside several fast growing congregations that are winning the hearts of men and boys In this completely revised reorganized and rewritten edition of the classic book with more than 70 percent new content explore topics like The increase and decrease in male church attendance during the past 500 years Why Christian churches are more feminine even though men are often still the leaders The difference between the type of God men and women like to worship The lack of volunteering and ministry opportunities for men The benefits men get from attending church regularly Men need the church but more importantly the church needs men The presence of enthusiastic men is one of the surest predictors of church health growth giving and expansion Why Men Hate Going to Church does not call men back to church it calls the church back to men

**Pastoring Men** Patrick Morley,2016-02-22 What would happen if every pastor in America shared the vision to disciple every man in his church can you imagine No man falls on purpose yet our culture is suffering from the fallout of the men problem Increasingly men are living autonomous and unexamined lives getting caught up in the frenzy of life and becoming satisfied with tasteless and powerless Christianity Now more than ever men need unapologetic guidance and strong discipleship Here s the place to start In Pastoring Men Patrick Morley explains proven and practical strategies for discipleship equipping pastors to effectively reach and disciple all of the men they shepherd This book will teach you The state of men in your church how they are doing what they want what keeps them from getting what they want and what they need The essential factors for successfully discipling men A concrete sustainable strategy to help you organize your passion for men s discipleship without
