Leading Good Schools to Greatness Susan P. Gray,William A. Streshly,2010-09-20 Great leaders are made not born Written by the authors of From Good Schools to Great Schools this sequel shows how great school leaders can be developed and how leaders can acquire the powerful personal leadership characteristics that the best administrators use to lead their schools to greatness Based on sound strategies and the work of Jim Collins Gray and Streshly tackle how to build relationships

communicate effectively exercise your personal will with humility face brutal facts get faculty on board and build a school culture of self discipline Chapters include Case studies that provide an ongoing context for professional learning Self assessments that reveal your inherent leadership dispositions Interviews and tips from exceptional headteachers in the field Strategies for developing specific leadership qualities Application exercises that reinforce how to put the strategies into action Reflection activities that encourage professional growth Appropriate for both individual and group professional development Leading Good Schools to Greatness reveals how leadership skills can be learned and used to take your school to the next level The Daily Practices of Successful Principals Barbara L. Brock, Marilyn L. Grady, 2011-11-04 A grab and go guide for busy principals While many books outline the attributes of successful school leaders few describe how those traits manifest in daily practice This volume provides a compendium of daily practices used by successful principals in various settings Written by former administrators this handy guide s strategies are based on interviews with successful leaders and applicable in multiple contexts Inside you will find guidelines for Examining your values educational platform and personal style Establishing learning as a common purpose Identifying and leading school change Effectively managing staff and student relationships Developing teacher leaders **How School Principals Sustain Success over Time** Leif Moos, Olof Johansson, Christopher Day, 2011-05-26 This work represents a publishing event in education research Genuinely groundbreaking it is the result of longitudinal research from five nations over five years The authors set themselves an unprecedented task to analyze how it is that successful school principals sustain positive outcomes over a significant period of time To find out they initiated the International Successful School Principal Project ISSPP assembling 30 multinational case histories and numerous comparative analyses In doing so they recorded fresh perspectives on the influence school principals can have on their schools the quality of teaching in their classrooms and student outcomes Revisiting the subject schools in 2007 they found many principals still in place having steered their organizations through various minefields of political governance and educational reform As the most penetrating longitudinal investigation of the subject this research has unearthed fascinating new insights into school leadership that add real substance to the sum of our knowledge It incorporates data from educational systems in Australia Denmark Norway Sweden England and the USA One key finding is that while all principals delegate a range of leadership tasks successful ones distribute responsibility on a case by case basis founded on personal assessments of their staff as well as on organizational and policy contexts The research also demonstrates that successful principals maintain close communication with their staff and the wider school environment and that they are adaptive maximizing the opportunities presented by new political contexts and expectations yet without losing sight of their school s core moral and ethical principles The volume s international thematic analysis has allowed comparative conclusions to be drawn on what the principals do to sustain and foster pedagogical and institutional success The Assistant Principal L. David Weller, Sylvia J. Weller, 2002 A unique guidebook training tool and reference work for new and

experienced administrators The role of the assistant principal is one of the least researched and least discussed topics in educational leadership but the importance of the position in the day to day operation of the school site is growing every day This first of its kind work addresses the multiple needs of students instructors and practitioners alike helping new and experienced assistant principals develop the skills they need to move up the leadership ladder A specially designed questionnaire was administered to 100 assistant principals to assess their needs and knowledge The Assistant Principal unlike any other book of its kind is the result of those field based research findings Educators and administrators L David Weller and Sylvia J Weller have created a practical and useful work that can help on a variety of levels As a comprehensive examination of the role The Assistant Principal provides a fresh and valuable exploration of this increasingly important administrative position identifying its strengths and potential weaknesses through real life research based data and the first hand experience of 100 administrators As a professional development program this book will be invaluable to teachers preparing for the role of assistant principal and assistant principals preparing for the principalship or related positions Theory and field based research are combined into one volume complete with case studies exercises and examples As a reference guide for practicing assistant principals Weller and Weller give readers a wealth of best leadership practices and practical examples that work provided by practitioners in the field as well as samples of surveys evaluation instruments and more Designed for immediate application and easy use Weller and Weller address all the major issues that assistant principals face every day offering strategies tactics and exercises for improvement including Leadership knowledge and skills The transition from manager to leader Informal leaders and groups in the schools developing a power base Public relations and community power agents successful networking Effective communication and listening skills Leadership for instructional improvement Effective leadership through effective staff development As a reference guide a training tool and an examination of the profession this all in one volume is essential for every administrator
