Efforts And Policies Of The Members Of The Development Assistance Committee Development Cooperation 1999 Report:

Development Co-operation Report 2000 Efforts and Policies of the Members of the Development Assistance Committee OECD,2001-02-12 This 2000 edition of the Development Co operation Report reviews recent progress towards goals trends in development finance and the efforts and policies of aid donors There is a special focus on two policy measures with a strong potential to reduce poverty *Development Co-operation Report 2001 Efforts and Policies of the Members of the Development Assistance Committee* OECD,2002-03-18 The 2001 Development Co operation Report highlights the work over the last year of the OECD s Development Assistance Committee on the multiple challenges of creating a world free from exclusion vulnerability and inequality following the events of 9 11 *Development Co-operation Reviews: Norway 1999* OECD,2000-02-08 The Development Assistance Committee s 1999 review of Norway s aid policies and programmes

Perspectives on European Development Cooperation Olav Stokke,Paul Hoebink,2012-10-12 Events of the past twenty years including the Cold War and the War on Terror have meant that the environments of international development co operation have changed extensively with dramatic consequences for development policies and North South relations in general Perspectives on European Development Cooperation takes stock of such changes describing and analyzing the new European development agenda including the role of the European Union Essays by prominent authorities in the field examine the development policies of individual donor countries and focus on the principles and objectives governing aid strategies and the performances of these policies This book will be of interest to students of development studies and those involved in determining development policy **Development Co-operation Reviews: Ireland 1999** OECD,1999-08-26 The OECD Development Assistance Committee s 1999 review of Ireland s development aid programmes **Development Co-operation Reviews: Denmark 1999** OECD,1999-06-07 The OECD Development Assistance Committee s 1999 review of Denmark s development aid programmes and policies Development Co-operation Reviews: Finland 1999 OECD,1999-02-08 The OECD Development Assistance Committee s 1999 review of Finlands development aid programmes and policies *Development Co-operation Reviews: Japan 1999* OECD,1999-09-13 The OECD Development Assistance Committee s 1999 review of Japans development aid policies and programmes **Development Co-operation Reviews: Luxembourg 1999** OECD,1999-02-08 The OECD Development Assistance Committee s 1999 review of Luxembourg s development aid programmes and policies **International Development Assistance** Olav Stokke,2019-03-08 This book provides a comprehensive search for the basic political drivers of international development cooperation based on the policy and performance of the OECD countries from the early 1960s to the present The author focuses on the stated and implemented policies of the four so called frontrunners and the Western hegemon scrutinizing the changing trends in the justifications objectives and guidelines set for the policy and their evolving performance vis vis the international ODA target

Through extensive research the work examines predominant world views societal value systems and foreign policy traditions in order to find the policy drivers that vary nation to nation and how development assistance has evolved globally **EU development cooperation** Karin Arts, Anna Dickson, Anna K. Dickson, 2018-07-30 This electronic version has been made available under a Creative Commons BY NC ND open access license It is increasingly recognised that EU development cooperation policy has failed to meet its stated aims In this book Arts and Dickson ask the obvious and important question if the policy doesn't work why bother with it The authors assess why EU development policy has become largely ineffective citing among the external causal factors the liberalisation of trade and the growing influence of US and international actors such as the World Bank and the International Monetary Fund upon EU policy It also considers contributing factors within the EU such as the enlargement of its membership and the resulting shifts in priorities It is this analysis of internal and external factors affecting the decline of EU development policy that makes this study both innovative and unique It brings together an impressive range of contributors from different disciplines resulting in a thorough and intelligent assessment of the debate This study will appeal to advanced level undergraduates and academics of European politics in general EU integration development studies and International Relations **Debt Management for Development** Kunibert Raffer, 2010-01-01 This book exposes intolerable global double standards in the treatment of debtors and argues that fairness economic efficiency and principles common to all civilized legal systems must and can be applied to so called developing countries or Southern sovereign debtors *The Oxfam Education Report* Kevin Watkins, 2000-01-01 This comprehensive report focuses on the fact that millions of people in poor countries remain uneducated and illiterate which prevents them from developing the skills they need to escape poverty The book looks at the underlying causes of the problem and sets out a clear agenda for reform

Japan's Foreign Aid David Arase, 2012-10-12 Filling a gap in the existing literature this book analyzes the distinctive features of Japan's development aid especially technical co operation in comparison with other donors aid Incorporating a wealth of research it discusses whether Japan is behind other leading donor countries in rethinking its aid policy and whether it lacks transparency sensitivity to recipient needs and a coherent and coordinated policy that targets poverty The volume assesses the nature and effectiveness of the administration of Japan's aid and explores the degree of involvement of private sector and non governmental organizations NGOs Including contributions from experts with direct experience with Japanese ODA the book provides a wide range of recipient and donor viewpoints and presents important policy recommendations

The Economic North-South Divide Kunibert Raffer, Hans Wolfgang Singer, 2002-01-01 This is a distinguished book written by two distinguished analysts of and commentators on the outcomes and processes that have dominated the evolution of the global economic order over the last sixty years S Subramanian *Journal of Social and Economic Development* What Raffer and Singer chose to do they have done very well indeed Saud Choudhry *Development Policy Review* Since the 1940s development thinking has been the subject of fierce debate and continual evolution The authors of this book trace the ideas

that have driven changing approaches to development focusing also on the Prebisch Singer Thesis which seeks to explain the widening gaps between rich and poor nations caused by unequal distribution of trade benefits They discuss both aid during and after the cold war and the rise and subsequent liberalisation crisis of the Asian Tiger Economies The Economic North South Divide goes on to explore the structural roots of the debt crisis and considers the impact of debt management on North South economic relations exposing certain double standards that tilt global markets further against the South Encouraged by recent successful opposition to neoliberalism the authors finally propose ideas for a world where people seem to matter This book is a welcome addition to the debate and will appeal to anyone interested in economic development and history

Road Engineering for Development Richard Robinson, Bent Thagesen, 2018-10-09 Developing countries in the tropics have different natural conditions and different institutional and financial situations to industrialized countries However most textbooks on highway engineering are based on experience from industrialized countries with temperate climates and deal only with specific problems *Road Engineering for Development* published as *Highway and Traffic Engineering in Developing Countries* in its first edition provides a comprehensive description of the planning design construction and maintenance of roads in developing countries It covers a wide range of technical and non technical problems that may confront road engineers working in this area The technical content of the book has been fully updated and current development issues are focused on Designed as a fundamental text for civil engineering students this book also offers a broad practical view of the subject for practising engineers It has been written with the assistance of a number of world renowned specialist professional engineers with many years experience in Africa the Middle East Asia and Central America

The State of Civil Society in Japan Frank J. Schwartz, Susan J. Pharr, 2003-10-20 Table of contents

Eastern and Western Ideas for African Growth Kenichi Ohno, Izumi Ohno, 2013-05-29 The West and the East approach economic development differently The Europeans and Americans stress free and fair business climate promoting private activities generally without picking winners and improving governance East Asia is interested in achieving concrete results and projects rather than formal correctness prioritizing a few sectors for industrialization and eventual graduation from aid The West mostly shapes shifting strategies of the international donor community while the East has in reality made remarkable progress in industrial catch up The two approaches cannot be merged easily but they can be used in proper combination to realize growth and economic transformation This book proposes more dialogue and complementarity between the two in the development effort of Africa and other regions In this collected volume contributed by experts and practitioners from both East and West the need to introduce Eastern ideas to the global development strategy is emphasized Analysis of British and other Western donor policies is given while Japanese Korean and other Asian approaches are also explained with concrete examples The concept of governance for growth is presented and the impact of rising China on development studies is contemplated The practices of industrial policy dialogues and actions assisted by East Asian experts are reported from Tunisia Zambia Ethiopia Rwanda
