Egalia's Daughters:

Egalia's Daughters Gerd Brantenberg, 2004 Welcome to the land of Egalia where gender roles are topsy turvy as wim wield the power and menwim light the home fires This re telling of the prototypical coming of age novel will have readers laughing out loud and wondering who should prevail poor Petronius who wants more than anything to cruise the oceans as a seawom or his powerful and protective mother Director Bram who rules her family with an authoritarian righteousness But for better or for worse as the masculist party begins to organize and protest the landscape of Egalia threatens to change forever More than just a humorous romp Egalia s Daughters poses the provocative question of whether the culprit in gender subjugation is gender itself or power no matter who wields it Egalia's Daughters Gerd Brantenberg, 1985-01-01

Creating and Using English Language Corpora Udo Fries, 2023-11-20 The new media revolution has led to a comprehensive digitization of our textual universe and the pervasive incorporation of the media into our everyday lives from mobile telephony to social media This calls for a concerted research effort uniting linguistics and other disciplines involved in language related research The massive growth in the amount diversity and availability of textual and multimodal language data for many of the world s languages poses several challenges In terms of theory and methods it forces us to rethink traditional notions of what linguistic corpora are and what role they play in linguistic description Established corpus linguistic methods such as concordancing and textual statistics are increasingly being complemented by visualization and geolocation of digital language data Empirically there is a growing need to document and analyse what people do with language in the increasingly technologized communicative ecology of the 21st century Language and Computers Studies in Digital Linguistics invites contributions which explore innovative intelligent and creative ways of using digital language data resources and infrastructure for linguistic description contribute to the development and refinement of usage based models in linguistics using both quantitative and qualitative methods analyse all aspects of digitally mediated communication from orthography to pragmatics and sociolinguistics **Contemporary Norwegian Prose Writers** ,1985 **Encyclopedia of Lesbian and Gay Histories and Cultures** Bonnie Zimmerman, George Haggerty, 2021-06-13 A rich heritage that needs to be documented Beginning in 1869 when the study of homosexuality can be said to have begun with the establishment of sexology this encyclopedia offers accounts of the most important international developments in an area that now occupies a critical place in many fields of academic endeavors It covers a long history and a dynamic and ever changing present while opening up the academic profession to new scholarship and new ways of thinking A groundbreaking new approach While gays and lesbians have shared many aspects of life their histories and cultures developed in profoundly different ways To reflect this crucial fact the encyclopedia has been prepared in two separate volumes assuring that both histories receive full unbiased attention and that a broad range of human experience is covered Written for and by a widerange of people Intended as a reference for students and scholars in all fields as well as for the general public the encyclopedia is written in user
