Performance Review and Quality in Social Care Anne Connor, 1994-01-01 Performance review has become a major topic in social work As an all embracing term it encompasses broad concepts such as quality and accountability and the specific techniques for measuring and managing performance This volume is divided into four parts to survey the subject in different areas and to examine its implications from the perspectives of the voluntary sector management professional practice the client and those implementing performance review The importance of supervision and the need for proper consultation with carers when making policy decisions are also discussed as well as such areas as quality assurance schemes and the proper

implementation of complaints procedures Also included is an analysis of performance review and quality in General Practice The final Part provides a general overview of performance and quality review and examines how effective the Citizen s Charter and other quality assurance schemes are and what they mean when put into practice

Children Away from Home Albert E. Trieschman, 2017-07-12 The editors of this volume are committed to the philosophy of treating emotionally disturbed children in the life milieu Both have been intensely involved in training online therapists child care workers They are convinced that there is no one right way in milieu treatment and propose a electric model for treatment Like many of the other writers included in this book Whittaker and Trieschman conceive of treatment as a total life experience They do not see the individual versus the group but the individual within the group situation They also do not see permissiveness versus limitations professional staff versus nonprofessional staff or the institution versus an outside of the community The book is divided into two sections the first is a dialogue between the editors on current issues in residential treatment and problems in treating children The second is a collection of readings This is one of the first sourcebooks covering the therapeutic milieu for children in residential treatment centers specifically emotionally disturbed children It is also an excellent text for courses on the emotionally disturbed child milieu treatment and child welfare
