Egypt Today:

Egypt under El-Sisi Maged Mandour, 2024-01-25 Since the coup of 2013 ended Egypt's brief democratic experiment and retired army chief Abdel Fattah El Sisi became president of Egypt his regime has unleashed mass repression and severe restrictions on an unprecedented scale This has been characterized by arbitrary arrests forced disappearances and the torture of real or suspected political activists and dissidents The Sisi regime has not only entangled the country in political violence but has also mired Egypt in a deep economic crisis This book follows President Sisi's regime in the aftermath of the coup that brought him to power It is a chronology of the devastating political economic and social consequences of direct military rule Written by Egyptian political analyst and Egypt pundit Maged Mandour it is a compelling account built on years of writing and research This includes analysis of primary sources such as laws constitutional amendment issued by the regime statements made by regime officials and local media as well as official economic data from state sources and international organisations Mandour explains exactly how Sisi operates and what makes his regime so different and so dangerous compared to those that came before It shows for the first time how Egypt has been pushed to the brink of the abyss and why this will change the country for decades to come

The Rise of Islamism in Egypt Alaa Al-Din

Arafat, 2017-08-11 This book provides an overview of the sudden ascendancy of Islamism in post Mubarak Egypt and a detailed history of the power grab by the Muslim Brotherhood The author argues that liberals and Copts are minor factions and that the Islamists the military and couch party non politically affiliated Egyptians are the true key actors in Egyptian politics Additionally it is posited that ironically Mubarak's coup proofing strategy was responsible for the military turning against him The strained civil military relations in Egypt are examined as are the ideological development of the MB Salafist and jihadist groups and the power struggle between the Islamists and the military

The Report: Egypt 2008, 2008

The Report: Egypt 2011, **Love, Sex, and Desire in Modern Egypt** L. L. Wynn, 2018-11-23 Cairo is a city obsessed with honor and respectability and love affairs Sara a working class woman has an affair with a married man and becomes pregnant only to be abandoned by him Ayah and Zeid a respectably engaged couple argue over whether Ayah's friend is a prostitute or a virgin Malak a European belly dancer who sometimes gets paid for sex wants to be loved by a man who won't treat her like a whore just because she's a dancer and Alia a Christian banker who left her abusive husband is the mistress of a wealthy Muslim man Haroun who encourages business by hosting risqu parties for other men and their mistresses Set in transnational Cairo over two decades Love Sex and Desire in Modern Egypt is an ethnography that explores female respectability male honor and Western theories and fantasies about Arab society L L Wynn uses stories of love affairs to interrogate three areas of classic anthropological theory mimesis kinship and gift She develops a broad picture of how individuals love and desire within a cultural and political system that structures the possibilities of and penalties for going against sexual and gender norms Wynn demonstrates that love is at once a moral horizon an attribute that naturally inheres

in particular social relations a social phenomenon strengthened through cultural concepts of gift and kinship and an emotion deeply felt and desired by individuals

Crisis and Class War in Egypt Sean F. McMahon, 2016-10-15 In 2011 capital s crisis erupted in Egyptian society This eruption and subsequent politics have been misrepresented as revolutionary as the working class was and is increasingly so devalued and disempowered In *Crisis and Class War in Egypt* Sean F McMahon critically analyses Egypt s recent political history He argues that the so called revolution was the appearance of capital s destruction of the value of the Egyptian working class and an existential crisis for capital In response productive capital in the form of the military used disposed of and replaced its junior partners in governing first the predatory capital of the Mubarak state with the commodity capital of the Muslim Brotherhood and then commodity capital with the finance capital of the Gulf Cooperation Council These reconfigurations have been expressed in all manner of reactionary governmental arrangements including constitutions legislation and currency reform Extending today s analysis into the near future McMahon sees the war of Egyptian society intensifying and increasingly violent lives for Egyptian workers

Informality and Structural Transformation in Egypt, Iraq and Jordan A Framework for Assessing Policy Responses in the MENA Region OECD, International Labour Organization, United Nations Development Programme, 2024-06-11 The report *Informality and Structural Transformation in the Middle east and North Africa* outlines a framework for assessing the impact of economic and social policies on informality The framework was developed jointly by the ILO OECD and UNDP and is thought as a hands on instrument allowing policy makers to foresee early on in the policymaking cycles the effects diverse economic and social policies could have on the informal economy

Egypt in the

Global Economy, 1998 This report summarizes Egypt's recent economic progress highlights key opportunities and challenges currently facing its government and people and outlines a strategy for securing its future prosperity on the brink of a new millennium On the external front it emphasizes reforming the trade regime boosting exports and entering into a partnership agreement with the European Union On the domestic front it outlines a range of structural reforms to promote higher savings and productive investment and policies to ensure that macroeconomic stability is maintained

Today's Foreign Policy Issues Trevor Rubenzer, 2017-06-15 Examines the perspectives of Democrats and Republicans on dozens of major foreign policy issues of the 21st century illuminating both areas of consensus and issues where partisan divisions are wide From the earliest days of the republic through the Cold War and to the present day American foreign policy has been colored by the beliefs and values of America's major political parties Surveying the breadth and depth of partisan divisions on a variety of key foreign policy issues yields a better understanding of how partisanship has helped define U.S. leadership in the modern era This book treats 38 individual foreign policy issues each chosen for its timeliness and importance to American interests in the 21st century For example readers will learn about the partisan feelings regarding U.S. foreign policy toward Cuba that surfaced in the wake of President Obama's visit to Cuba in 2016 and his decision to resume diplomatic relations These feelings serve as an excellent example of both partisan and intergovernmental divisions on a key U.S. foreign policy issue Each entry contains an historical overview that will quickly bring readers up to speed on the issue followed by an authoritative survey of positions and statements held by presidents key leaders of Congress and other important voices in both the Republican and Democratic parties The book will serve as a vital and highly accessible reference for anyone undergraduate university students advanced high school students and general readers who needs a one stop source for information about partisanship and U.S. foreign policy

The Report: Egypt 2007, Christians versus Muslims in Modern Egypt S. S. Hasan, 2003-12-04 The Copts of Egypt are the largest Christian minority in the Middle East In recent years they have often been victims of persecution and violence at the hands of the Muslim majority This volume is the first full study of Coptic Christians in contemporary Egypt Hasan begins by looking at how the Coptic generation of the 1940s and 1950s remembered recovered and invented the ancient history of Christianity in Egypt in order to weld the Copts into a unified nation The book then focuses on the period beginning with the consecration of Pope Shenuda in 1971 During this revival period the church took over much of the responsibility for the welfare of the Coptic community The leaders of the revival she shows have nurtured a potent and distinctive religious culture with a sense of communal pride and identity despite its hostile surrounding environment
