Everything Was Better in America David Welky, 2010-10-01 As a counterpart to research on the 1930s that has focused on liberal and radical writers calling for social revolution David Welky offers this eloquent study of how mainstream print culture shaped and disseminated a message affirming conservative middle class values and assuring its readers that holding to these values would get them through hard times Through analysis of the era s most popular newspaper stories magazines and books Welky examines how voices both outside and within the media debated the purposes of literature and the meaning of cultural literacy in a mass democracy He presents lively discussions of such topics as the newspaper treatment of the Lindbergh kidnapping issues of race in coverage of the 1936 Olympic games domestic dynamics and gender politics in cartoons and magazines Superman's evolution from a radical outsider to a spokesman for the people and the popular consumption of such novels as the Ellery Queen mysteries Gone with the Wind and The Good Earth Through these close readings Welky uncovers the subtle relationship between the messages that mainstream media strategically crafted and those that their target audience wished to hear The Judas Window Carter Dickson, John Dickson Carr, 1938 H M solves an incredible crime Avory Hume is found stabbed to death with an arrow in a study with bolted steel shutters and a heavy door locked from the inside In the same room James Caplon Answell lies unconscious his clothes disordered as though from a struggle his fingerprints on the damning arrow the great explosive Sir Henry Merrivale gets down to serious sleuthing and at last startles the crowd in the Old Bailey with a reconstruction of the crime along logical convincing lines The Devil to Pay Ellery Queen, 2017-02-07 When every last one of the Ohippi hydro electric power plants are destroyed by flood Rhys Jardin is one of many who loses everything But somehow Jardin's longtime partner finance magnate Solly Spaeth manages to come out of it wealthier than before thanks to a brilliant if underhanded move to sell off his shares before disaster struck Spaeth has more than enough money to rebuild the plants but why should he with the law on his side The only problem is that Spaeth s son Walter an idealistic journalist is in love with Jardin s daughter When he pleads for his father s mercy he finds

himself disinherited from the will Walter enlists the help of Ellery Queen a mystery author in town to try his hand at screenwriting for Hollywood to secretly buy back the auctioned Jardin family belongings on their behalf But before Queen can walk away Solly Spaeth turns up dead Now embroiled in a real life mystery Queen must figure out a way to weed through the suspects all the while proving himself a player in Hollywood Unfortunately for Queen Spaeth's extreme wealth can only be matched by the number of his enemies From his first appearance in print in 1929 Ellery Queen became one of America's most famous and beloved fictional detectives Over the course of nearly half a century Frederic Dannay and Manfred B Lee the duo writing team known as Ellery Queen won the prestigious Edgar Award multiple times and their contributions to the mystery genre were recognized with a Grand Master Award the highest honor bestowed by the Mystery Writers of America Their fair play mysteries won over fans due to their intricate puzzles that challenged the reader to solve the mystery alongside the brilliant detective Queen's stories were among the first to dominate the earliest days of radio film and television Ellery Queen's Mystery Magazine which the writers founded and edited became the world's most influential and acclaimed crime fiction magazine
