Saqqara Mastabas Margaret Alice Murray,1989

The Life of Margaret Alice Murray

Kathleen L. Sheppard,2013-08-01 The Life of Margaret Alice Murray A Woman s Work in Archaeology is the first book length biography of Margaret Alice Murray 1863 1963 one of the first women to practice archeology Despite Murray s numerous professional successes her career has received little attention because she has been overshadowed by her mentor Sir Flinders Petrie This oversight has obscured the significance of her career including her fieldwork the students she trained her administration of the pioneering Egyptology Department at University College London UCL and her published works Rather than focusing on Murray s involvement in Petrie s archaeological program Kathleen L Sheppard treats Murray as a

practicing scientist with theories ideas and accomplishments of her own This book analyzes the life and career of Margaret Alice Murray as a teacher excavator scholar and popularizer of Egyptology archaeology anthropology linguistics and more Sheppard also analyzes areas outside of Murray s archaeology career including her involvement in the suffrage movement her work in folklore and witchcraft studies and her life after her official retirement from UCL *Publications of the Egyptian Research Account and British School of Archaeology in Egypt* ,1952 *The Swedish Cyprus Expedition: pt.3.The Hellenistic and Roman periods in Cyprus,by O.Vessberg and A.Westholm* Svenska Cypern expedition,1972 **The Scepter of Egypt** William Christopher Hayes,1953 **Tutankhamun and Carter** Rogerio Sousa,Gabriele Pieke,Tine Bagh,2024-08-15 First scholarly multi disciplinary re assessment of Howard Carter s discovery and excavation of Tutenkhamun s tomb and the impact of the find on our understanding of the material culture of Ancient Egypt The discovery of the tomb of Tutankhamun in 1922 stands out as one of the most important finds of modern archaeology revealing an enormous wealth of objects encapsulating techniques vestiges of uses and re uses of materials as well as unrivalled clues regarding the complex set of beliefs associated with the pharaonic funerary material culture Once cleared from the tomb these objects have captivated the world with their irresistible charm and beauty ending up playing a role in contemporary popular culture However it seems that such magnetism rather hindered than facilitated the scholarly study of the find One hundred years after the discovery of this magnificent tomb most of its objects remain insufficiently studied to this day This volume aims to show how it remains challenging to study Tutankhamun s objects gathering a collection of studies authored by leading scholars on conservation materials funerary beliefs as well as the reception of motifs and the impact of the discovery Through these studies it becomes clear how ancient objects can help us reconstruct the complex fabric of the ancient Egyptian society and how they keep interacting with modern audiences *Minoan Pottery in Second Millennium Egypt* Barry J. Kemp,R. S. Merrillees,Elmar Edel,1980 **Current Research in Egyptology 2023** L. Dogaer,C.H.W. Fong,Elena Luise Hertel,M. Kilani,G.K.H. Lunden,2024-08-29 Collecting 22 selected papers from the twenty third Current Research in Egyptology conference topics include language and literature archaeology and material culture society and religion archival research intercultural relations reports on archaeological excavations and methodological issues regarding all periods of Ancient Egypt **A Catalogue of ...
