Ehanamani Walks Among:

Ehanamani "Walks Among" Allen C. Ross, 1993 The Santee Dakota author of Mitakuye Oyasin shares a sundance experience one that led him to discover that the Federal Reserve System is controlled by private bankers With updated and additional information this book tells how the rich escape paying their share of taxes how American Indian poverty is perpetuated by the Fed and how we can learn to rid ourselves of the national debt B E A R Publishing *Performing Indigeneity* Laura R. Graham, H. Glenn Penny, 2014-12-01 This engaging collection of essays discusses the complexities of being indigenous in public spaces Laura R Graham and H Glenn Penny bring together a set of highly recognized junior and senior scholars including indigenous scholars from a variety of fields to provoke critical thinking about the many ways in which individuals and social groups construct and display unique identities around the world The case studies in *Performing Indigeneity* underscore the social historical and immediate contextual factors at play when indigenous people make decisions about when how why and who can be indigenous in public spaces *Performing Indigeneity* invites readers to consider how groups and individuals think about performance and display and focuses attention on the ways that public spheres both indigenous and nonindigenous ones have received these performances The essays demonstrate that performance and display are essential to the creation and persistence of indigeneity while also presenting the conundrum that in many cases indigeneity excludes some of the voices or identities that the category purports to represent *The Black Elk Reader* Clyde Holler, 2000 A compilation of essays by authorities on Black Elk The introduction explores his life and texts and the essays demonstrate Black Elk's relevance to today's scholarly discussions and consider his work from postcolonial anthropological and cultural perspectives *The Book of Imaginary Indians* Phil Hart, 2008-02 Examines several philosophies focusing especially on Joseph Smith's Book of Mormon and Hyemeoyohsts Storm's Seven arrows It then examines what some Indians believe in and why that should matter to non Indians who want to use Indian philosophies as a basis of their own systems

Dakota White David Rhody, 2006-09 Forty five year old Gus Gravesen is a successful San Francisco event producer Mid career and midlife he is still in love with his wife and enjoys his job But one odd and engaging trip to the Black Hills of South Dakota changes his life Gus becomes obsessed with the plight of the Lakota Sioux and with the role his family might have played in their oppression decades before Recurring trips to the Black Hills fuel Gus's fascination Although he was always intrigued by his South Dakota roots Gus can suddenly think of little else Putting his California life at risk he sets up shop in Hill City South Dakota where he entangles a Lakota couple in a project driven by his white man's guilt Gus plans to hold a major race to raise funds for the Crazy Horse Monument a mountain sculpture honoring the great Oglala Sioux warrior When his obsession brings him near his breaking point Gus finds a savior in the form of a mysterious old Sioux named White Owl But will Gus be able to come to terms with the past **Kindred by Choice** H. Glenn Penny, 2013-08-12 How do we explain the persistent preoccupation with American Indians in Germany and the staggering numbers of Germans one encounters as

visitors to Indian country As H Glenn Penny demonstrates that preoccupation is rooted in an affinity for American Indians that has permeated German cultures for two centuries This affinity stems directly from German polycentrism notions of tribalism a devotion to resistance a longing for freedom and a melancholy sense of shared fate Locating the origins of the fascination for Indian life in the transatlantic world of German cultures in the nineteenth century Penny explores German settler colonialism in the American Midwest the rise and fall of German America and the transnational worlds of American Indian performers As he traces this phenomenon through the twentieth century Penny engages debates about race masculinity comparative genocides and American Indians reactions to Germans interests in them He also assesses what persists of the affinity across the political ruptures of modern German history and challenges readers to rethink how cultural history is made

Autobiographies by Americans of Color 1980-1994 Rebecca Stuhr, 1997 This bibliography provides extensive descriptive annotations of nearly 500 autobiographies published by Americans of color during the years 1980 and 1994 The authors of these narratives range from established writers such as Nikki Giovanni Maxine Hong Kingston and Richard Rodriguez to unknown writers compelled to relate their part in the civil rights movement recall their family history as sharecroppers recount experiences in the Japanese internment camps or in Indian boarding schools or describe their struggle to succeed and contribute despite immense hardship and difficulty Among these autobiographies the reader will also find those of sports celebrities actors explorers and entrepreneurs This bibliography brings together at one access point an important body of work making it possible for the reader or researcher to identify and locate these books either through booksellers or through libraries This volume constitutes volume one of a two book series volume two is titled *Autobiographies by Americans of Color 1995-2000*

Contemporary Native American Authors Kay Juricek, Kelly J. Morgan, 1997 This comprehensive reference brings together more than 290 Native American writers Brief biographies often in the writers own words are furnished along with background information such as tribal affiliations birthdates and education awards and publication highlights A broad range of fiction and nonfiction writers poets playwrights storytellers and writers of other genres who have published since 1961 are included
