Eighteenth Century Newcastle:

Eighteenth Century Newcastle P. M. Horsley, 1971 **Music-Making in North-East England during the Eighteenth Century**, 2017-07-05 The north east of England in the eighteenth century was a region where many different kinds of musical activity thrived and where a wide range of documentation survives Such activities included concert giving teaching tuning and composition as well as music in the theatre and in church Dr Roz Southey examines the impulses behind such activities and the meanings that local people found inherent in them It is evident that music could be perceived or utilized for extremely diverse purposes as entertainment as a learned art as an aid to piety as a profession a social facilitator and a support to patriotism and nationalism Musical societies were established throughout the century and Southey illustrates the social make up of the members as well as the role of Gentlemen Amateurs in the organizing of concerts and the connections with London and other centres The book draws upon a rich selection of source material including local newspapers council and ecclesiastical records private papers and diaries and accounts of local tradesman as well as surviving examples of music composed in the area by Charles Avison Thomas Ebdon and John Garth of Durham amongst many others Charles Avison s importance is focused upon particularly and his Essay on Musical Expression is considered alongside other contemporary writings of lesser fame Southey provides a fascinating insight into the type and social class of audiences and their influence on the repertoire performed The book moves from a consideration of music being used as a fashion item evidenced by the patronage of big name soloists from London and abroad to fiddlers ballad singers music at weddings funerals public celebrations and music for marking the events of the American War of Independence and the French Revolutionary Wars It can be seen therefore that the north east was an area of important musical activity and that the music was always interwoven into the political economic religious and commercial fabric of eighteenth century life **Music in North-east England, 1500-1800** Stephanie Carter, Kirsten Gibson, Roz Southey, 2020 This collection situates the North East within a developing nationwide account of British musical culture **Regional Identities in North-East England, 1300-2000** Adrian Gareth Green, A. J. Pollard, 2007 Is North East England really a coherent and self conscious region The essays collected here address this topical issue from the middle ages to the present day Lunatic Hospitals in Georgian England, 1750-1830 Leonard Smith, 2013-10-18 Lunatic Hospitals in Georgian England 1750 1830 constitutes the first comprehensive study of the philanthropic asylum system in Georgian England Using original research and drawing upon a wide range of expertise on the history of mental health this book demonstrates the crucial role of the lunatic hospitals in the early development of a national system of psychiatric institutions These hospitals were to form an essential historical link in the emergence of a national system of institutional provision for mentally disordered people They provided important prototypes for the subsequent development of a network of state sponsored lunatic asylums during the nineteenth century This is an impressive volume which covers various areas including the provincial lunatic hospitals managing the hospital managing the insane This book

will interest specialist historians as well as mental health professionals and people interested in local and regional studies

The Northern Counties from AD 1000 Norman Mccord, Richard Thompson, 2018-10-08 Informative vivid and richly illustrated this volume explores the history of England's northern borders the former counties of Northumberland Cumberland Durham Westmorland and the Furness areas of Lancashire across 1000 years The book explores every aspect of this changing scene from the towns and poor upland farms of early modern Cumbria to life in the teeming communities of late Victorian Tyneside In their final chapters the authors review the modern decline of these traditional industries and the erosion of many of the region's historical characteristics

Unquiet Lives Joanne Bailey, 2003-07-17 Based on vivid court records and newspaper advertisements this 2003 book is a pioneering account of the expectations and experiences of married life among the middle and labouring ranks in the long eighteenth century Its original methodology draws attention to the material life of marriage which has long been dominated by theories of emotional shifts or fashionable accounts of spouses gendered oppositional lives Thus it challenges preconceptions about authority in the household by showing the extent to which husbands depended upon their wives vital economic activities household management and child care Not only did this forge co dependency between spouses it undermined men's autonomy The power balance within marriage is further revised by evidence that the sexual double standard was not rigidly applied in everyday life The book also shows that ideas about adultery and domestic violence evolved in the eighteenth century influenced by new models of masculinity and femininity

Lord Mansfield Norman S. Poser, 2013-09-01 In the first modern biography of Lord Mansfield 1705 1793 Norman Poser details the turbulent political life of eighteenth century Britain's most powerful judge serving as chief justice for an unprecedented thirty two years His legal decisions launched England on the path to abolishing slavery and the slave trade modernized commercial law in ways that helped establish Britain as the world's leading industrial and trading nation and his vigorous opposition to the American colonists stoked Revolutionary fires Although his father and brother were Jacobite rebels loyal to the deposed King James II Mansfield was able to rise through English society to become a member of its ruling aristocracy and a confidential advisor to two kings Poser sets Mansfield's rulings in historical context while delving into Mansfield's circle which included poets Alexander Pope described him as his country's pride artists actors clergymen noblemen and women and politicians Still celebrated for his application of common sense and moral values to the formal and complicated English common law system Mansfield brought a practical and humanistic approach to the law His decisions continue to influence the legal systems of Canada Britain and the United States to an extent unmatched by any judge of the past An illuminating account of one of the greatest legal minds Lord Mansfield presents a vibrant look at Britain's Age of Reason through one of its central figures
