Women and the Art and Science of Collecting in Eighteenth-Century Europe Arlene Leis, Kacie L. Wills, 2020-08-31 Through both longer essays and shorter case studies this book examines the relationship of European women from various countries and backgrounds to collecting in order to explore the social practices and material and visual cultures of collecting in eighteenth century Europe It recovers their lives and examines their interests their methodologies and their collections and objects some of which have rarely been studied before The book also considers women's role as producers that is creators of objects that were collected Detailed examination of the artefacts both visually and in relation to their historical contexts exposes new ways of thinking about collecting in relation to the arts and sciences in eighteenth century Europe The book is interdisciplinary in its makeup and brings together scholars from a wide range of fields It will be of interest to those working in art history material and visual culture history of collecting history of science literary studies women's studies gender studies and art conservation

The Ashgate Research Companion to Dutch Art of the Seventeenth Century Wayne Franits, 2017-07-05 Despite the tremendous number of studies produced annually in the field of Dutch art over the last 30 years or so and the strong contemporary market for works by Dutch masters of the period as well as the public's ongoing fascination with some of its most beloved painters until now there has been no comprehensive study assessing the state of research in the field As the first study of its kind this book is a useful resource for scholars and advanced students of seventeenth century Dutch art and also serves as a springboard for further research Its 19 chapters divided into three sections and written by a team of internationally renowned art historians address a wide variety of topics ranging from those that might be considered traditional to others that have only drawn scholarly attention comparatively recently
