Somalia the author discovers that military efforts to train soldiers about the laws of war are poor and leadership often sent mixed signals about the importance of compliance However units that developed subcultures that embraced these laws and had strong leadership were more likely to comply than those with weak discipline or countercultural norms Preventive Medicine in World War II: Communicable diseases- transmitted through contact or by unknown means John Boyd Coates (Jr.),Ebbe Curtis Hoff,1955 *United States Army Aviation Digest* ,1993 **Air University Library Index to Military Periodicals** ,1981 *Reports of General MacArthur* United States.
