Eighty Souls A Journey For A Lifetime:

The Soul's Journey and How It Affects Your Life J.M. Farley, 2019-08-19 On ending up in a too familiar situation after years of emotional and physical pain I began searching for answers as to why all these difficulties kept happening It was at this life threatening time that I was first approached by the energy vibration of the four archangels Due to the fact I had always seen spirits as physical people I didn't believe the angels instructions but after another very special visitation where they showed themselves to me which is no easy feat for them I agreed to write their words and that's how this book manifested As I wrote my life began to make sense which now enables me to live with more awareness of what part I have to play in my soul's journey opening my eyes to wonderful new possibilities When angels speak do you listen I did and now you too can experience the higher healing knowledge of how your soul's journey affects your human existence and how you can work with your soul to ease life's impact So give yourself permission to engage with the timeless angelic knowledge that will enable you to encounter a freedom never felt or known before

Journey of The Soul Brenda Davies, 2003-02-03 Taken up with our human existence the journey of our soul through birth death and afterlife remains a mystery to most This insightful book sheds light on the very nature of the soul explaining its presence before during and after life Part one describes our soul's engagement with the physical world and ends as it prepares to be released again at death Part two exposes the most mysterious phase of the journey as the soul enters another dimension With evidence from near death experience past lives and clairvoyance Brenda details fascinating aspects of our soul's experience including communication with the living and reincarnation Illuminating and uplifting this book offers peace hope and comfort making us revisit our life afresh

Reawakening Howard Lawrence Scheiner MD/AAHIVS, 2011-04-28 DR HOWARD SCHEINER WELCOMES YOU TO A GREATER REALITY REAWAKENING A BOOK OF LIFE AND A STORY BEYOND TIME New York NY Dr Howard Scheiner welcomes you to a Greater Reality Located on a point of intersection of science and spirituality called belief his new book REAWAKENING details a highly personal journey of life and spirit that lead him to a greater understanding of universal truth and offers readers enlightenment and wisdom through their own journey of life A successful Manhattan physician Scheiner awakes each day happy to be alive feeling blessed with all the joys and sorrows of his life joyfully connected to All That Is and thoroughly savoring his singular journey With greater understanding came a new perspective His first manuscript A BOOK OF LIFE was and is the story of his journey to understanding and belief in a Greater Reality In REAWAKENING the words he now writes come from this new and different perspective words that come to him outside his five senses They come from spirit from greater wisdom and expanded consciousness The big questions of the meaning and purpose of life have always been with me in some subliminal manner but the easier questions of life and death seemed more within my grasp Perhaps that is part of the reason I became a physician So over many years I have become very well acquainted with both the mode of entry to and exit from this life When it came to religious dogma and faith in a higher power I completely recoiled in disbelief

says Scheiner I made a leap of faith and as a result achieved a sense of freedom that I have never before experienced That leap was to believe the reality I experienced and not doubt the truth of what happened Soul bearing highly personal sometimes humorous and often shocking REAWAKENING offers a new interpretation regarding the concept of God Universe Through examples of his own life Scheiner gives readers understanding and insight into their own personal journeys

A Rosicrucian Soul Russell Pooler,2009-03 Written 1904 1908 CW 11 Rudolf Steiner shows that the insoluble link between humanity and cosmos is the fundamental basis of evolution As human beings have participated in the development of the world we know today so their achievements are directly connected with the ultimate destiny of the universe In human hands rests the freedom to shape the future course of creation Knowledge of our exalted origins and of the path we have followed is indispensable if we are to evolve a future worthy of responsible human beings Through a study of Steiner s writings one can come to a clear reasonable comprehensive understanding of human beings and their place in the universe Paul Marshall Allen In the best tradition of ancient wisdom literature Cosmic Memory reconstructs from the akashic record events that span the time between the origin of the Earth and the beginning of recorded history This spiritual research includes a profound investigation of the origins achievements and fate of the Atlanteans and Lemurians the remarkable lost root races that developed the first concepts of good and evil manipulated natural forces laid the foundation for human legal and ethical systems and defined and nurtured the distinctive yet complementary powers of men and women that brought humankind

many centuries ago to its highest artistic intellectual and spiritual attainments Through this discussion of our true origins Cosmic Memory offers a genuine foundation for our lives allowing us to realize our real value dignity and essence The reader is shown our human connection with the world around us as well as our highest goals and true destiny This is a key volume for understanding Rudolf Steiner s early development as a Theosophist and how his ideas terminology and formulations during that time fit into the development of his anthroposophic epistemology and Christology This volume is a translation of Aus der Akasha Chronik Rudolf Steiner Gesamtausgabe 11 Rudolf Steiner Verlag 1986 **The Life of Goethe: 1788-1815.
