

Founding Of The Red Army 1918

John Erickson

Founding Of The Red Army 1918:

The Founding of the Red Army 1918 Leon Trotsky, 2001-06-01 The Bolsheviks and the Red Army 1918-1921

Francesco Benvenuti, 1988-10-28 The emergence of the military agency of the Soviet state is a crucial but neglected aspect of inter war Soviet history and in this pioneering study Francesco Benvenuti provides a detailed analysis of the politics as opposed to the operational activities of the Red Army during the Civil War Several historians have suggested that the roots of Stalinism may be found in the Bolshevik experience during the Civil War and Benvenuti shows that the military opposition inside the party was much stronger than conventionally supposed Trotsky's subsequent political weakness owed much to his ruthless pursuit of military goals not always in direct harmony with party interests as did his technocratic attempts to extend the role of specialist advisers at the expense of party officials *The Red Army, 1918-1941* Earl F Ziemke, 2004-05-20

Supported in large part by evidence released after the collapse of the Soviet Union this book follows the career of the Red Army from its birth in 1918 as the designated vanguard of world revolution to its affiliation in 1941 with the citadel of capitalism the United States High Treason Vitaliĭ Rapoport, Iŭriĭ Alekseev, Iŭriĭ Alekseev, Vladimir G. Treml, Bruce Adams, 1985

The Military History of the Soviet Union F. Kagan, R. Higham, 2016-04-30 The Military History of the Soviet Union and The Military History of Tsarist Russia treat Russian military history from the rise of the Muscovite state to the present even peeking briefly into the future The two volumes will cover Russia's land forces extensively but will also cover the development of the Russian Navy and the creation and development of the Russian Air Force parts of the Russian military machine which are frequently neglected in general writings The historical analysis will address the development and function of the Russian military whether in peace or in war as well as the impact of war and changes in the military upon Russian society and politics **The Soviet High Command: A Military-Political History, 1918-1941** John

Erickson, 2013-07-04 An objective and documentary history of the earliest origins and formative years of the Workers Peasants Red Army from the Civil War to the initial disasters of the war with Germany the Great Patriotic War culminating in the battle for Moscow in November December 1941 *Historical Dictionary of the Russian Civil Wars, 1916-1926* Jonathan D. Smele, 2015-11-19 This book is a detailed reference of the twentieth century struggles that were waged across and beyond the decaying Russian Empire at the end of the First World War as tsarism and democratic alternatives to it collapsed and the world's first Communist state the Union of Soviet Socialist Republics was born At the same time it is a necessary corrective to studies that have viewed events of the time as a unitary Russian Civil War that sprang from the Russian Revolution of 1917 Instead it contributes to the ongoing process of integrating the civil wars into a continuum of crises that wracked the Russian Empire and its would be successor states across a prolonged period The Historical Dictionary of the Russian Civil Wars 1916 1926 covers the history of this period through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has almost 2 000 cross referenced entries on individuals political and governmental institutions and

political parties and military formations and concepts as well as religion art film propaganda uniforms and weaponry This book is an excellent access point for students researchers and anyone wanting to know more about the Russian Civil War

The Russian Revolution and Civil War 1917-1921 Jonathan Smele,2006-04-15 The Russian Revolution and Civil War in the years 1917 to 1921 is one of the most widely studied periods in history It is also somewhat inevitably one that has generated a huge flow of literature in the decades that have passed since the events themselves However until now historians of the revolution have had no dedicated bibliography of the period and little claim to bibliographical control over the literature The Russian Revolution and Civil War 1917 1921 offers for the first time a comprehensive bibliographical guide to this crucial and fascinating period of history The Bibliography focuses on the key years of 1917 to 1921 starting with the February Revolution of 1917 and concluding with the 10th Party Congress of March 1921 and covers all the key events of the intervening years As such it identifies these crucial years as something more than simply the creation of a communist state

The Development of the Soviet Armed Forces, 1917-1977 Kenneth R. Whiting,1978 **The Development of the Soviet Armed Forces, 1917-1966** Kenneth R. Whiting,1966 This document describes the development of the Soviet Armed Forces during the period 1917 through 1966 It includes the organization the size the quality and the weapons as they evolved during this time **The Red Army** Basil H. Liddell-Hart,2003-01-01 *Companion to the Red Army 1939-1945* Steven J.

Zaloga,Leland S. Ness,2009-12-07 Stalin s Red Army entered World War II as a relatively untried fighting force In 1941 with the launch of Operation Barbarossa it joined battle with Hitler s army the most powerful in history After a desperate war of attrition over four years the Red Army beat the Nazis into defeat on the Eastern Front and won lasting fame and glory in 1945 by eclipsing the military might of the Third Reich This book begins with a review of the historical background of the Red Army in the years leading up to the outbreak of war in 1939 and follows with a discussion of the major themes in the development of Soviet forces during the Great Patriotic War that ensued in 1941 The Red Army s organizational structures are examined from high command down to divisional level and below Soviet combat arms and weaponry are also described in detail The Russian Civil War, 1918-1921 Richard W. Harrison,A.S. Bubnov,S.S. Kamenev,M.N. Tukhachevskii,R.P.

Eideman,2020-06-30 A wealth of knowledge For every incident chasing Kornilov or dealing with Admiral Kolchak the reader has a 360 degree view Roads to the Great War The Russian Civil War was one of the most fateful of the 20th century s military conflicts a bloody three year struggle whose outcome saw the establishment of a totalitarian communist regime within the former Russian Empire As such it commands the attention of the military specialist and layman alike as we mark the one hundredth anniversary of the war s end This work is the third volume of the three volume Soviet official history of the Russian Civil War which appeared during 1928 1930 just before the imposition of Stalinist orthodoxy While the preceding volumes focused on the minutiae of the Red Army s organizational development and military art this volume provides an in depth description and analysis of the civil war s major operations along the numerous fronts from the North Caucasus the

Don and Volga rivers the White Sea area the Baltic States and Ukraine as well as Siberia and Poland It also offers a well argued case for the political reasons behind the Bolsheviks military strategy and eventual success against their White opponents And while it is a certainly a partisan document with a definite political bias it is at the same time a straightforward military history that manages to avoid many of the hoary myths that later came to dominate the subject As such it is easily the most objective account of the struggle to emerge from the Soviet Union before the collapse of the communist system in 1991

Cambridge International AS Level History: Modern Europe 1774-1924 Nicholas Fellows, Mike Wells, 2025-08-07 This title is endorsed for the Cambridge Pathway to support the syllabuses for examination from 2027 Develop knowledge and analytical skills with engaging comprehensive coverage of the Modern Europe 1774 1924 Option from the Cambridge International AS Level History syllabus 9489 outside the US and 9981 US only syllabus for examination from 2027 Trust in the high quality in depth narrative and analysis written by experienced authors and reviewed by academic historians Navigate the syllabus with confidence through chapters carefully structured around key questions Develop source skills and understanding from a wide range of sources and accompanying source based questions and activities Revisit and consolidate knowledge and understanding with summary diagrams for each key question chapter summaries and refresher questions Deepen understanding through key terms debates and profiles Reinforce understanding for all learners with a clear layout accessible language and ESL friendly terms Build confidence with applying your knowledge with end of chapter Study Skills sections that provide assessment guidance and practice Sample pages coming soon

Red Army and Society Ellen Jones, 2021-01-26 This book first published in 1985 is the first full length study of the Soviet Armed Forces as a social institution Using military manpower as a substantive focus it identifies those characteristics that the Soviet military shared with counterparts in non communist systems and those that were unique to the society and political culture in which it was embedded The discussion encompasses defence policy making as a whole and focuses on conscription policy the characteristics of the professional military the role of the political officer the mechanics of political socialization within the Red Army and the experience of ethnic minorities in the armed forces This analysis provides a window through which we can observe the broader military system at work how that system affects and in turn is affected by the economic social and political life of the Soviet Union It contributes to our understanding of civil military relations in communist systems and to our knowledge of Soviet political and social trends

A Companion to the Russian Revolution Daniel Orlovsky, 2020-08-17 A compendium of original essays and contemporary viewpoints on the 1917 Revolution The Russian revolution of 1917 reverberated throughout an empire that covered one sixth of the world It altered the geo political landscape of not only Eurasia but of the entire globe The impact of this immense event is still felt in the present day The historiography of the last two decades has challenged conceptions of the 1917 revolution as a monolithic entity the causes and meanings of revolution are many as is reflected in contemporary scholarship on the subject A Companion to the Russian Revolution offers more than

thirty original essays written by a team of respected scholars and historians of 20th century Russian history Presenting a wide range of contemporary perspectives the Companion discusses topics including the dynamics of violence in war and revolution Russian political parties the transformation of the Orthodox church Bolshevism Liberalism and more Although primarily focused on 1917 itself and the singular Revolutionary experience in that year this book also explores time periods such as the First Russian Revolution early Soviet government the Civil War period and even into the 1920 s Presents a wide range of original essays that discuss Brings together in depth coverage of political history party history cultural history and new social approaches Explores the long range causes influence on early Soviet culture and global after life of the Russian Revolution Offers broadly conceived contemporary views of the revolution largely based on the author s original research Links Russian revolutions to Russian Civil Wars as concepts A Companion to the Russian Revolution is an important addition to modern scholarship on the subject and a valuable resource for those interested in Russian Late Imperial or Soviet history as well as anyone interested in Revolution as a global phenomenon

A History of Western Society, Volume 2 John P. McKay, Bennett D. Hill, John Buckler, Clare Haru Crowston, Merry E. Wiesner-Hanks, Joe Perry, 2011-01-31 Now from Bedford St Martin s A History of Western Society is one of the most successful textbooks available because it captures students interest in the everyday life of the past and ties social history to the broad sweep of politics and culture The tenth edition has been thoroughly revised to strengthen the text s readability heighten its attention to daily life and incorporate the insights of new scholarship including an enhanced treatment of European exploration and a thoroughly revised post 1945 section With a dynamic new design new special features and a completely revised and robust companion reader this major revision makes the past memorable and accessible for a new generation of students and instructors

History of Western Society Since 1300 for Advanced Placement John P. McKay, Bennett D. Hill, John Buckler, Clare Haru Crowston, Merry E. Wiesner-Hanks, Joe Perry, 2010-10-13 A History of Western Society continues to capture the attention of AP European history students because it recreates the lives of ordinary people and makes history memorable Brought to you by the highly regarded editors at Bedford St Martins every element of the text has been rethought reconsidered and revised to bring the original vision to a new generation of students The tenth edition continues to tie social history to the broad sweep of politics and culture heightening its attention to daily life and strengthening the treatment of European exploration With a dynamic new design new special features on visual evidence and a robust companion reader A History of Western Society helps AP students master the concepts and content of European history

The "Russian" Civil Wars, 1916-1926 Jonathan Smele, 2016-01-15 This volume offers a comprehensive and original analysis and reconceptualisation of the compendium of struggles that wracked the collapsing Tsarist empire and the emergent USSR profoundly affecting the history of the twentieth century Indeed the reverberations of those decade long wars echo to the present day not despite but because of the collapse of the Soviet Union which re opened many old wounds from the Baltic to the Caucasus Contemporary

memorialising and de memorialising of these wars therefore form part of the book's focus but at its heart lie the struggles between various Russian political and military forces which sought to inherit and preserve or even expand the territory of the tsars overlain with examinations of the attempts of many non Russian national and religious groups to divide the former empire The reasons why some of the latter were successful Poland and Finland for example while others Ukraine Georgia and the Muslim Basmachi were not are as much the author's concern as are explanations as to why the chief victors of the Russian Civil Wars were the Bolsheviks Tellingly the work begins and ends with battles in Central Asia a theatre of the Russian Civil Wars that was closer to Mumbai than it was to Moscow *The Red Army* Sir Basil Henry Liddell Hart, 1956

If you ally craving such a referred **Founding Of The Red Army 1918** ebook that will manage to pay for you worth, get the completely best seller from us currently from several preferred authors. Founding Of The Red Army 1918 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Founding Of The Red Army 1918 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Founding Of The Red Army 1918 has opened up a world of possibilities. Downloading Founding Of The Red Army 1918 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Founding Of The Red Army 1918 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Founding Of The Red Army 1918. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Founding Of The Red Army 1918. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Founding Of The Red Army 1918, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to

download Founding Of The Red Army 1918 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Founding Of The Red Army 1918 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
