# Foundling The

**Victor A. Neufeldt**

## Foundling The:

*The Last Foundling: The Memoir of an Underdog*, **Tales for the Young. (The Foundling. - The Siege of Magdeburg)** Carl Gustav Nieritz, 1855 **The Foundling** Edward Moore, 1996 Finally available to modern scholars this book is the first critical edition of these two plays by Edward Moore The success of the initial run of Moore's sentimental comedy *The Foundling* 1748 was due in part to its cast which included Susannah Maria Cibber and David Garrick and the play continued to enjoy moderate success on the London stage It remained popular among critics throughout the eighteenth century and was reprinted and performed regularly in the nineteenth In the twentieth century as the most important and the best sentimental comedy of the mid eighteenth century it has been generally accepted by literary historians as the bridge between the comedies of Colley Cibber and Richard Steele in the first part of the century and those of Hugh Kelly and Richard Cumberland in the last The initial run of Moore's domestic tragedy *The Gamester* 1753 with Garrick in the title role was also largely successful From its first revival in 1771 to its last in 1871 the play was performed by Britain's finest actors and actresses and performed more frequently on the London stage than any other Restoration or eighteenth century tragedy Anthony Amberg's introduction discusses the sources and composition production publication and reception and final revision of both plays The text of *The Foundling* is based on Moore's holograph manuscript that of *The Gamester* on the first edition In both the author's spelling punctuation capitalization and italicization have been retained and both have been provided with full textual and explanatory notes BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved *The Foundling* Martin Gottlieb, 2001 Through compelling black and white photography and informative engaging text this book chronicles the work of one of the nation's most remarkable social service institutions the New York Foundling Hospital As this book eloquently demonstrates the Foundling is an institution that from its very inception was committed to helping society's most vulnerable members children **The Foundling** Martin Gottlieb, 2019 The story of *The Foundling* begins in the bustling New York City of the mid nineteenth century where a half million people mostly immigrant and poor struggled to turn their dreams of a better life into reality Some thirty thousand children roamed the streets of the city and accounted for most of the felony crimes Thousands more never lived long enough to experience such a dreadful existence they died of neglect disease malnourishment or abandonment Sister Mary Irene Fitzgibbon Sister Teresa Vincent McCrystal and two other Sisters of Charity responded to this urgent need With a gift of five dollars toward their work they opened one of the first foundling asylums in the United States on October 11 1869 That very evening a desperate mother left her baby on the steps of *The Foundling*'s brownstone in Greenwich Village From those humble beginnings *The Foundling* has grown to become one of the largest organizations of its kind in the country providing services far beyond adoption and foster care This book was first published in 2001 and much of the content reflects the organization's work up until that date This new volume was created in 2019 in celebration of *The Foundling*'s 150th anniversary and adds to

the earlier publication a new chapter reflecting the expansive range of services it now provides to meet emerging twenty first century needs Today The Foundling s work in evidence based practices juvenile justice education behavioral health and programs for individuals with developmental disabilities defines the organization as a global leader on the most pressing and timely issues faced by members of the community The Foundling now includes over 2 700 men and women working in more than fifty programs serving thirty thousand children and families in the five boroughs of New York City surrounding suburbs and Puerto Rico They are continually breaking new ground challenging inspiring and leading in their field just as they have for the past 150 years

Nationality of Foundlings Mai Kaneko-Iwase,2021-09-24 This is the first book dedicated to clarifying the concept of foundlings and how to best prevent their statelessness in light of the object and purpose of Article 2 of the 1961 UN Convention on the Reduction of Statelessness and equivalent nationality law provisions Among other features the book defines the terms foundling including the maximum age limit of the child to be considered a foundling unknown parents being found in a territory and proof to the contrary as well as the procedural issues such as the appropriate burden and standard of proof In doing so the book draws upon a comparative analysis of national legislation on foundlings covering 193 states case law and precedents in some states as well as international human rights law norms including the best interests of the child As its conclusion the book proposes an inclusive model foundling provision and a commentary to inform legislative efforts and interpretation of the existing provisions Its findings are useful not only to state parties to the 1961 Convention but also to non state parties particularly in countries lacking systematic civil documentation or experiencing the effects of armed conflicts migration trafficking and displacement

Bastards and Foundlings Lisa Zunshine,2005 In this compelling interdisciplinary study of what has been called the century of illegitimacy Lisa Zunshine seeks to uncover the multiplicity of cultural meanings of illegitimacy in the English Enlightenment Bastards and Foundlings pits the official legal views on illegitimacy against the actual everyday practices that frequently circumvented the law it reconstructs the history of social institutions called upon to regulate illegitimacy such as the London Foundling Hospital and it examines a wide array of novels and plays written in response to the same concerns that informed the emergence and functioning of such institutions By recreating the context of the national preoccupation with bastardy with a special emphasis on the gender of the fictional bastard foundling Zunshine offers new readings of canonical texts such as Steele s *The Conscious Lovers* Defoe s *Moll Flanders* Fielding s *Tom Jones* Moore s *The Foundling* Colman s *The English Merchant* Richardson s *Clarissa* and Sir Charles Grandison Burney s *Evelina* Smith s *Emmeline* Edgeworth s *Belinda* and Austen s *Emma* as well as of less well known works such as Haywood s *The Fortunate Foundlings* Shebbeare s *The Marriage Act* Bennett s *The Beggar Girl* and *Her Benefactors* and Robinson s *The Natural Daughter*

*The History and Objects of the Foundling Hospital* John Brownlow,1865

**Victorian Women, Unwed Mothers and the London Foundling Hospital** Jessica A. Sheetz-Nguyen,2012-05-10 This volume seeks to address the questions of poverty charity and public welfare taking the nineteenth century London Foundling

Hospital as its focus It delineates the social rules that constructed the gendered world of the Victorian age and uses respectability as a factor for analysis the women who successfully petitioned the Foundling Hospital for admission of their infants were not East End prostitutes but rather unmarried women often domestic servants determined to maintain social respectability The administrators of the Foundling Hospital reviewed over two hundred petitions annually deliberated on about one hundred cases and accepted not more than 25 per cent of all cases Using primary material from the Foundling Hospital s extensive archives this study moves methodically from the broad social and geographical context of London and the Foundling Hospital itself to the micro historical case data of individual mothers and infants

**The Smuggler King; Or, The Foundling of the Wreck** Thomas Peckett Prest,1844      *The Poems of Charlotte Brontë* Victor A. Neufeldt,2015-07-24

This edition of Charlotte Brontë s poems first published in 1985 although not complete provides a reliable text of all of her available verse as well as a detailed history of the whereabouts of Charlotte s manuscripts the story of their publication over the years and a commentary of the poetry itself This title will be of interest to students of English Literature

Orphans of Empire Helen Berry,2019-01-31 Eighteenth century London was teeming with humanity and poverty was never far from politeness Legend has it that on his daily commute through this thronging metropolis Captain Thomas Coram witnessed one of the city s most shocking sights the widespread abandonment of infant corpses by the roadside He could have just passed by Instead he devised a plan to create a charity that would care for these infants one that was to have enormous consequences for children born into poverty in Britain over the next two hundred years *Orphans of Empire* tells the story of what happened to the thousands of children who were raised at the London Foundling Hospital Coram s brainchild which opened in 1741 and grew to become the most famous charity in Georgian England It provides vivid insights into the lives and fortunes of London s poorest children from the earliest days of the Foundling Hospital to the mid Victorian era when Charles Dickens was moved by his observations of the charity s work to campaign on behalf of orphans Through the lives of London s foundlings this book provides readers with a street level insight into the wider global history of a period of monumental change in British history as the nation grew into the world s leading superpower Some foundling children were destined for Britain s outer Empire overseas but many more toiled in the inner Empire labouring in the cotton mills and factories of northern England at the dawn of the new industrial age Through extensive archival research Helen Berry uncovers previously untold stories of what happened to former foundlings including the suffering and small triumphs they experienced as child workers during the upheavals of the Industrial Revolution Sometimes using many different fragments of evidence the voices of the children themselves emerge Extracts from George King s autobiography the only surviving first hand account written by a Foundling Hospital child born in the eighteenth century published here for the first time provide touching insights into how he came to terms with his upbringing Remarkably he played a part in Trafalgar one of the most iconic battles in British Naval history His personal courage and resilience in overcoming the disadvantages of his birth form a

lasting testimony to the strength of the human spirit      **Tale of a Tail** Evelyn G Lohmann,2015-01-30 Is the third book in the Ark Of Hoof Prints Tale of Tails Hoof Prints Tale of a Tail The land that had been closed for so long is now open to sightseers Mara lived with a herd of horses when she was a baby after her parents were killed in the accident till she was rescued by other members of her family Her father was a rescue driver in the War Zone It was all Mara dreamed of becoming a rescue driver with a team of horses like her father A program controlling the Com Pax that runs everyday life has been stolen The missing program has been found by the Co Driver of a Team of ponies who were taken from the Closed Lands The program must not fall into the hands of those that wish to have control of the Black Gold It is in the interest of Oil the War Zone is enlarged This is part one Part two A twist in the Tale      **Dickens and Childhood** Laura Peters,2017-03-02 No words can express the secret agony of my soul Dickens s tantalising hint alluding to his time at Warren s Blacking Factory remains a gnomic statement until Forster s biography after Dickens s death Such a revelation partly explains the dominance of biography in early Dickens criticism Dickens s own childhood was understood to provide the material for his writing particularly his representation of the child and childhood Yet childhood in Dickens continues to generate a significant level of critical interest This volume of essays traces the shifting importance given to childhood in Dickens criticism The essays consider a range of subjects such as the Romantic child the child and the family and the child as a vehicle for social criticism as well as current issues such as empire race and difference and death Written by leading researchers and educators this selection of previously published articles and book chapters is representative of key developments in this field Given the perennial importance of the child in Dickens this volume is an indispensable reference work for Dickens specialists and aficionados alike      **Crime Without Punishment** Lawrence M. Friedman,2018-05-31 In this compelling book Lawrence M Friedman looks at situations where killing is condemned by law but not by social norms and therefore is rarely punished He shows how penal codes categorize homicides by degree of intent which are in turn based on society s sense of moral outrage Despite being officially defined as murder many homicides have historically gone unpunished Friedman looks at early vigilante justice crimes of passion murder of necessity mercy killings and assisted suicides In his explorations of these unpunished homicides Friedman probes what these circumstances tell us about conflicts in social and cultural norms and the interaction of law and society      Islamic Jurisprudence, Islamic Law, and Modernity Mohammad H. Fadel,2023-08-01 Mohammad Fadel s scholarship on Islamic law and legal history ranges from medieval institutions and the history of Islamic legal interpretation to urgent problems relating to the modern reception and re assessment of Islamic legal doctrine Fadel s intellectual concerns focus primarily on the compatibility of the Islamic legal tradition with modern liberal political arrangements but in his research and writing he also delves into the realm of premodern Islamic legal thought and institutions His Rawlsian approach leads him to a political reading of the Islamic legal tradition which he accomplishes by teasing out jurists assumptions about politics economics and the domestic sphere Fadel s readings of Islamic legal sources

suggest that Islamic law remains relevant to a society in which legitimate disagreements over law and morality seem intractable At the same time from the Rawlsian perspective he adopts Fadel reminds us that premodern Muslim jurists formulated Islamic law also under conditions of substantial controversy over matters of law and morality as well as over questions of religion politics theology and metaphysics The studies gathered together in this volume adroitly illustrate Fadel's interest in Islamic law as a domain of Islamic political thought and as a framework that might be deployed in today's pluralistic and secularized societies

**List of Films, Reels and Views Examined** Pennsylvania. State Board of Censors, 1918 containing the names and the disposition made of more than 20 000 pictures from May 15th 1915 up to the end of the year 1917 This list will be supplemented by further lists presented at the end of each half yearly period

Pennsylvania State Board of Censors of Moving Pictures Report 1918 p 7      *The Fortunate Foundlings* Eliza Fowler Haywood, 1761      *The Fortunate Foundlings* Eliza Haywood, 2021-02-18 This novel tells the story of orphan siblings left young in the care of a gentleman When a brother and sister are older they must leave their guardian and make their own way out in the world Horatio as a soldier and Louisa as a lady's companion They travel to various battlefields and courts of Europe They both experience new surprising customs in other lands new passions influences adventures and love In this novel the author explores different customs in the changing European countries especially those that might benefit women and different political views in other lands at that time      *The Fortunate Foundlings* Eliza Fowler Haywood, 2020-07-28

Reproduction of the original *The Fortunate Foundlings* by Eliza Fowler Haywood

## Unveiling the Power of Verbal Beauty: An Emotional Sojourn through **Foundling The**

In some sort of inundated with displays and the cacophony of instant connection, the profound power and psychological resonance of verbal art often fade into obscurity, eclipsed by the constant barrage of noise and distractions. Yet, situated within the lyrical pages of **Foundling The**, a interesting function of fictional elegance that pulses with natural feelings, lies an memorable journey waiting to be embarked upon. Composed with a virtuoso wordsmith, that magical opus instructions viewers on a mental odyssey, softly exposing the latent potential and profound affect stuck within the elaborate web of language. Within the heart-wrenching expanse with this evocative examination, we shall embark upon an introspective exploration of the book is main subjects, dissect its captivating publishing style, and immerse ourselves in the indelible effect it leaves upon the depths of readers souls.
