Secret In New York City Daniel J Demers,2025-06-19 One broken heart One giant city One secret hidden in the heart of
Central Park After a tough first year of college and the heartbreak of losing her summer crush Jayme Goodall is stuck Her
solution A spontaneous trip to the Big Apple It ll be the perfect distraction from her woes or so she thinks Armed with a must
see list of famous sites and a craving for bagels she plans to play tourist for a week and forget her troubles But the city that
never sleeps has other plans A chance encounter shortly upon her arrival thrusts Jayme into a hidden world of competing
factions each with their own vision of the past and the future of Central Park As century old secrets rise to the surface Jayme
must decide whom to trust what to believe and whether she s ready to take on more than just her own heartbreak Caught in
the middle of an decades long battle Jayme s simple attempt to lift her spirits turns into a far bigger adventure than she ever
could have imagined and she wouldn t have it any other way *The Ideal City* Robert Dickerson,2013-12-20 Robert
Dickerson has crafted poetry for some forty years and by his own admission is not exactly a beginner His pen has produced
several volumes worth of verse He celebrates the formal and cultivates the science of poetry though he believes the degree of
spiritual refi nement in the voice distinguishes the poet His poems revel in the concrete and he believes in the poem as object
He advocates a natural voice the primacy of the idea and the translation of the ordinary His ethic insists that mathematics
aside all that passes for truth in human affairs is rooted in need and tribal belief He welcomes the return to poetry of
transparency and design and prefers a poetic of mood and word magic to a poetry of politics In his view a poem is a joke
whose punch line yields enlightenment He avoids the confessional mode as being too full of itself To learn the craft of poetry
he recommends practice and constant alertness to poetic possibility He also recommends reading the greats **Our Lady
