Portrait and Biographical Album of Lenawee County, Mich ,1888 **Re-framing Representations of Women** Susan Shifrin,2017-07-05 Crossing disciplinary and chronological boundaries this volume integrates text and image essays and object pages to explore the processes inherent in gender representation rather than resituating women in particular categories or spheres as other scholarly publications and exhibitions have done Taking its lead from the Picturing Women project on which it reflects and builds the volume makes a substantial methodological contribution to the analysis of gender discourse and visibility It offers new and stimulating scholarship that confronts historical patterns of representation that have defined what women were and are seen to be and presents new contexts for unveiling what art historian Linda Nochlin has called the mixed messages of representations of women Maria Spilsbury (1776?820) Charlotte Yeldham,2017-07-05 Maria Spilsbury Taylor 1776 1820 lived and worked in London and Ireland and was patronized by the Prince Regent A painter of portraits genre scenes biblical subjects and large crowd compositions an unusual feature in women s art of this period she is represented in major museums and art galleries as well as in numerous private collections Her work hitherto considered on a purely decorative level merits closer attention For the first time this volume argues the relevance of Spilsbury s religious background and in particular her evangelical and Moravian connections to the interpretation of her art and examines her pervasive and often inovert references to the Bible hymnody and religious writing The art that emerges is distinctly Protestant and evangelical offering a vivid illustration of the mood of patriotic Protestant fervour that characterized the quarter century succeeding the French revolution This focus may be situated in the general

context of increasing interest in the religious faith of historical actors men and women in the eighteenth century and in the related contexts of growing acknowledgement of a religious aspect to enlightenment art as well as investigations into Protestant culture in Ireland The book is extensively illustrated and contains a list of all of Spilsbury s known works

Discover the Magic : Delia Owens' "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These popular novels represent just a fraction of the literary treasures that have emerged in 2023. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and thrilling novel that will keep you wondering until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
