**Four Centuries of American Herbs** Patricia B. Mitchell, 1993-01      **Four Centuries of Literature, English and American** Allan Ferguson Westcott, Charles Lee Lewis, Carl Jefferson Weber, 1925      *Four Centuries of Quilts* Linda Baumgarten, Kimberly Smith Ivey, 2014-10-28 An exquisite and authoritative look at four centuries of quilts and quilting from around the world. Quilts are among the most utilitarian of art objects yet the best among them possess a formal beauty that rivals anything made on canvas. This landmark book drawn from the world renowned collection of the Colonial Williamsburg Foundation highlights the splendor and craft of quilts with more than 300 superb color images and details. Fascinating essays by two noted scholars trace the evolution of quilting styles and trends as they relate to the social, political, and economic issues of their time. The collection includes quilts made by diverse religious and cultural groups over 400 years and across continents from the Mediterranean, England, France, America, and Polynesia. The earliest quilts were made in India and the Mediterranean for export to the west and date to the late 16th century. Examples from 18th to 20th century America, many made by Amish and African American quilters, reflect the multicultural nature of American society and include boldly colored and patterned worsteds and brilliant pieced and appliquéd works of art. Grand in scope and handsomely produced. *Four Centuries of Quilts*. The Colonial Williamsburg Collection is sure to be one of the most useful and beloved references on quilts and quilting for years to come.

*Virginia Distilled: Four Centuries of Drinking in the Old Dominion* Patrick Evans-Hylton, 2021. Colonist George Thorpe first crafted corn beer, an ancestor to bourbon, in 1620 at Berkeley Plantation, and George Washington once operated one of the nation's largest distilleries. Icy mint juleps were first served in Virginia until the state was one of the first to enact Prohibition. That dark period gave rise to bootlegging, moonshining, and even NASCAR. Through well-documented research, interviews with key stakeholders, and plenty of cocktail recipes for the reader to shake and stir at home, author Patrick Evans-Hylton showcases the rich history of four hundred years of drinking in the Commonwealth. Raise a glass to Virginia, birthplace of American spirits, and its long history of distilling and imbibing.
