Four Dreamers and Emily Stevie Davies, 1996 Meet Eileen Nussey James a self professed expert on Emily Bronte and her passion Marianne Pendleton an overworked lecturer and slave to domesticity Timothy Whitty the widower who receives nocturnal visits from Emily's ghost and Sharon Mitchell a waitress drawn into the world of academia The Best Novels of the Nineties Linda Parent Leshner, 2015-11-17 This reader's guide provides uniquely organized and up to date information on the most important and enjoyable contemporary English language novels Offering critically substantiated reading recommendations careful cross referencing and extensive indexing this book is appropriate for both the weekend reader looking for the best new mystery and the full time graduate student hoping to survey the latest in magical realism More than 1 000 titles are included each entry citing major reviews and giving a brief description for each book **A Companion to the Brontës** Diane Long Hoeveler, Deborah Denenholz Morse, 2016-03-30 A Companion to the Brontës brings the latest literary research and theory to bear on the life work and legacy of the Brontë family Includes sections on literary and critical contexts individual texts historical and cultural contexts reception studies and the family's continuing influence Features in depth articles written by well known and emerging scholars from around the world Addresses topics such as the Gothic tradition film and dramatic adaptation psychoanalytic approaches the influence of religion and political and legal questions of the day from divorce and female disinheritance to worker reform Incorporates recent work in Marxist feminist post colonial and race and gender studies Outsiders Lyndall Gordon, 2019-03-19 Prodigy visionary outlaw orator and explorer As society's outsiders the exceptional subjects of this study inspired a new breed of women and one another Finalist of the PROSE Award for Best Book in Literature by the Association of American Publishers Mary Shelley Emily Brontë George Eliot Olive Schreiner and Virginia Woolf they all wrote dazzling books that forever changed the way we see history In Outsiders award winning biographer Lyndall Gordon shows how these five novelists shared more than talent In a time when a woman's reputation was her security each of these women lost hers They were unconstrained by convention writing against the grain of their contemporaries prophetically imagining a different future We have long known the individual greatness of each of these writers but in linking their creativity to their lives as outcasts Gordon throws new light on the genius they share All five lost their mothers in childbirth or at a young age With no female role model present they learned from books and sometimes from an enlightened mentor Crucially each had to imagine what a woman could be in order to invent a voice of her own The passion in their own lives infused their fiction Writing with passionate intelligence of her own Gordon reveals that these renegade writers inspired a new breed of women who wished to change a world locked in war violence exploitation and sexual abuse Gordon's biographies have always shown the indelible connection between life and art an intuitive exciting and revealing approach that has been highly praised In Outsiders she crafts nuanced portraits of Shelley Brontë Eliot Schreiner and Woolf naming each of these writers as prodigy visionary outlaw orator and explorer and shows how they came they saw

and they left us changed Today following the tsunami of women s protest at widespread abuse we do more than read them we listen and live with their astonishing bravery and eloquence *Animal Visions* Susan Mary Pyke,2019-03-15 *Animal Visions* considers how literature responds to the harms of anthropocentrism working with Emily Bront s *Wuthering Heights* 1847 and various adaptations of this canonistic novel to show how posthumanist dream writing unsettles the privileging of the human species over other species Two feminist and post Freudian responses Kathy Acker s poem *Obsession* 1992 and Anne Carson s *The Glass Essay* 1997 most strongly extend Bront s dream writing in this direction Building on the trope of a ludic Cathy ghost who refuses the containment of logic and reason these and other adaptations offer the gift of a radical peri hysteria This emotional excess is most clearly seen in Kate Bush s music video *Wuthering Heights* 1978 and Peter Kosminsky s film *Wuthering Heights* 1992 Such disturbances make space for a moor love that is particularly evident in Jane Urquhart s novel *Changing Heaven* 1989 and to a lesser extent Sylvia Plath s poem *Wuthering Heights* 1961 Bront s *Wuthering Heights* and its most productive afterings make space for co affective relations between humans and other animal beings Andrea Arnold s film *Wuthering Heights* 2011 and Luis Bu uel s *Abismos de Pasi n* 1954 also highlight the rupturing split gaze of non acting animals in their films In all of these works depictions of intra active and entangled responses between animals show the potential for dynamic and generative multispecies relations where the human is one animal amongst the kin of the world

The extraordinary works of the three sisters Charlotte Emily and Anne Brontë have entranced and challenged scholars students and general readers for the past 150 years This Companion offers a fascinating introduction to those works including two of the greatest novels of the nineteenth century Charlotte's *Jane Eyre* and Emily's *Wuthering Heights* In a series of original essays contributors explore the roots of the sisters' achievement in early nineteenth century Haworth and the childhood plays they developed they set these writings within the context of a wider history and show how each sister engages with some of the central issues of her time The essays also consider the meaning and significance of the Brontë's enduring popular appeal A detailed chronology and guides to further reading provide further reference material making this a volume indispensable for scholars and students and all those interested in the Brontës and their work *Neo-Victorian Literature and Culture* Nadine Boehm-Schnitker,Susanne Gruss,2014-06-05 This book provides a comprehensive reflection of the processes of canonization unpleasurable consumption and the emerging predominance of topics and theoretical concerns in neo Victorianism The repetitions and reiterations of the Victorian in contemporary culture document an unbroken fascination with the histories technologies and achievements as well as the injustices and atrocities of the nineteenth century They also reveal that in many ways contemporary identities are constructed through a Victorian mirror image fabricated by the desires imaginings and critical interests of the present Providing analyses of current negotiations of nineteenth century texts discourses and traumas this volume explores the contemporary commodification and nostalgic recreation of the past It brings together critical perspectives of experts in the fields of Victorian literature and culture contemporary literature and neo Victorianism with contributions by leading scholars in the field including Rosario Arias Cora Kaplan Elizabeth Ho Marie Luise Kohlke and Sally Shuttleworth *Neo Victorian Literature and Culture* interrogates current fashions in neo Victorianism and their ideological leanings the resurrection of cultural icons and the reasons behind our relationship with and immersion in Victorian culture *Romances of the Archive in Contemporary British Fiction* Suzanne Keen,2003-01-01 A detailed examination of the growing genre of British fiction featuring archives and archival research from A S Byatt's Booker Prize winning *Possession* to the paperback thrillers of popular novelists **Contemporary Authors** Scot Peacock,2001 [In Pursuit of Knowledge](#) Deborah Rhode,2006-09-25 Although academics have never lacked for critics publications on the profession tend to be either popularized polemics which are engaging but misleading or scholarly analyses which are intellectually responsible but of little interest to anyone but specialists *In Pursuit of Knowledge* offers an alternative a unique portrait of academic life that should appeal to both experts and a general audience Drawing on a wide

range of disciplines including higher education history law sociology economics and literature the book focuses on the ways in which the pursuit of status has undermined the pursuit of knowledge Deborah Rhode argues that both individual scholars and institutions in higher education are caught in an arms race of reputation The result has been to skew priorities in scholarship erode commitments to teaching compromise efforts of public intellectuals and impede effectiveness in administration The book offers several solutions to counter these pervasive problems in our research institutions Rhode makes a case for increasing accountability and realigning reward systems She argues that what is needed is a greater sense of responsibility among universities and their faculties to narrow the gap between academic ideals and practices In Pursuit of Knowledge is meticulously researched and elegantly written It is also exceptionally entertaining in its use of quotations culled from over a hundred academic novels including works by Kingsley Amis Saul Bellow David Lodge and C P Snow For example from P G Wodehouse's The Girl in Blue The Agee woman told us for three quarters of an hour how she came to write her beastly book when a simple apology was all that was required The result is a highly readable but also deeply reflective analysis of the academic profession
