Four Horsemen Of Johns Apocaly:

The Four Horsemen of the Apocalypse Kostas Tzouvelekis, 2016-02-22 In my previous three 3 books which are 1 The true Interpretation of the Revelation of John and the Bible 2 The Seven Golden Bowls of the Wrath of God Book One 3 The Seven Golden Bowls of the Wrath of God Book Two and which can all be found on Amazon in Kindle and in Paperback form it must be pointed out that many important verses of the Revelation of John as well as some significant verses of the Bible were correctly Interpreted and Published for the first time on a worldwide scale The present book The Four Horsemen of the Apocalypse continues in the same powerful mode and reveals a subject which is very much sought and searched by many people who want to discover the truth about this very powerful issue I have already indicated the fact that the Bible which is the Word of God cannot be Unsealed by anyone no matter how much he tries to achieve this formidable task unless God Himself gives to him the key of David as stated in the Revelation of John in Chapter 3 verse 7 In addition I have indicated many times that certain verses in the Bible have been used on purpose in order to Seal the Scripture until the right time comes as set by God and only then can the Scripture be correctly and truly Unsealed and finally Interpreted The fact that what I am offering here as well as in my other books is the True and Correct Interpretation of the Revelation of John and the Bible is also confirmed by the effortless and simple way that these verses which were used on purpose I repeat in order to make all other Interpretations null and void are now easily Interpreted On top of that it is quite obvious that the Interpretation offered here and in my other books is in complete conformity with the World s Historical stratum The Four Horsemen of the Apocalypse is a very hot issue right now and it is searched by many people who desperately want to find out the meaning of the White Horse the Fire Horse the Black Horse the Pale Horse as well as their Riders I want to make crystal clear that there is absolutely no way to provide the true Interpretation of the Revelation of John and of the Bible prior to the year of 1896 A D since this was the year that was Stigmatized by God to be the year of the true Interpretation of these marvelous Books which undoubtedly contain the infallible Word of God And because I want to remove even the slightest possible doubt from the mind of the important reader of this book here is the proof of this tremendous issue The great Prophet Daniel in Chapter 12 verse 4 was ordered to Shut up the wonderful words that He heard coming straight out of the Golden mouth of Jesus and to Seal the Book until the time of the end where many shall run to and fro and knowledge shall be increased Then Daniel in the same Chapter in verse 7 actually heard the time of the end that these wonderful things will be Unsealed where knowledge shall be increased which definitely refers to our epoch where knowledge has dramatically increased Because as Daniel himself states He heard Jesus Christ saying that in time times and half of a time all these things shall be known Daniel actually saw Jesus Christ Our Lord standing above the Water of the Euphrates River and raising both of His Hands and swearing to Him who lives forever and ever that a brilliant amount of Knowledge was going to be poured upon humanity in time times and half of a time The time period time times and half of a time is equal to twelve hundred and

sixty 1260 years and it is the time period that the Prime of the Christian Church the Christian Church of Jerusalem was displaced to the desert Monasteries of Egypt in order to be saved by the rapid and savagerous expansion of Islam All this is very clearly outlined in the Revelation of John which is in complete agreement with what the great Prophet Daniel states above Because in the Revelation of John in Chapter 12 verse 6 and verse 14 the time period of t The Four Horsemen of the Apocalypse Gerald Flurry, Wayne Turgeon, Philadelphia Church of God, 2013-10-17 We should already hear and intently fear the galloping hoofbeats of the four horsemen They are racing toward us at this very moment And here is the most terrifying truth of all God s own people are going to be devastated more than anyone else In this booklet The White Horse The Red Horse The Black Horse The Pale Horse This ebook is offered completely free of charge by the Philadelphia Church of God However please not that Google Play will need a verified Google Wallet account which requires your credit card information In a small number of countries a temporary authorization of 1 will be charged to your account but will be refunded This refund can take up to 1 month to process *The Revelation of John* James L. Resseguie, 2009-04-01 As the only book of its kind in the New Testament Revelation can be difficult to understand and for readers without specialized training the historical critical approach used in many commentaries can provide more complication than illumination Here James Resseguie applies the easily understandable tools introduced in his primer on narrative criticism to this challenging book He shows how Revelation uses such features as rhetoric setting character point of view plot symbolism style and repertoire to construct its meaning This literary approach draws out the theological and homiletical message of the book and highlights its major unifying themes the need to listen well an overwhelmingly God centered perspective and the exodus to a new promised land Here is a valuable aid for pastor and serious lay reader alike *The Four Horsemen of the Apocalypse* Mark Hitchcock, 2004-09-01 An authority on biblical prophecy offers a close up analysis of the image of the Four Horsemen of the Apocalypse to explore their meaning in terms of the coming End Times Original *The Kingdom of God* Richard G. Laine, Richard G. Laine, Jr., 2003 Inspired by God and written with Love This Age is soon coming to an End Read this book it could change your life and cause you to live forever in the soon coming of the Kingdom of God The Revelation of Saint John I.C. Tomlinson, **Recovering the Monstrous in Revelation** Heather Macumber, 2021-08-30 This book reads Revelation through the lens of the monster Using monster theory Heather Macumber approaches the cosmic beings in John s Apocalypse as other and monstrous regardless of whether they are found in heaven or the abyss with significant attention paid to the monstrous body and how it causes both unease and wonder Intertwined with descriptions of cosmic monsters this book also interrogates the role of John as a maker of horror stories who casts his opponents as the other and monstrous Despite the tendency to view John and the heavenly creatures as the heroes of this apocalyptic tale Macumber aims to recover their own liminal and hybrid characteristics that mark them as monstrous The Revelation of St. John the Divine - Volume 1 Bill Skiles, 2011-11-28 Two Thousand years ago the Christ Mind delivered a message to the world You must be born

of the Spirit Through the willing instrument of Jesus that Mind which was in Christ Jesus poured out Itself for all who had ears to hear telling us of Its plan to take us into the Kingdom of God right here on earth But mankind did not understand this great message Therefore with Infinite Grace and Love that same Christ Mind speaking out from the Invisible repeated the message in great detail through St John the Divine and this became the Revelation Over the centuries this Revelation has been in plain sight yet not understood or misunderstood and the reason is because only the Christ Mind in man can reveal the Truth of Being Not until the year 1970 did a man sit still in meditation over many months until at last the entire message of the Revelation was revealed once again That man was Herb Fitch This two volume set of books covers the entire Revelation of St John the Divine the interpretation of which was received in Consciousness from the Christ Mind and spoken through Herb Fitch in a series of talks recorded on tapes Transcribing this work work involved hours upon hours of dedication by many individuals These individuals also sat in meditation before beginning to type the transcripts and before beginning to edit the texts so that all may be receptive to the Christ Mind while working on this Revelation and this message may be presented again to the world with integrity preserving the Truth It is suggested that you find a quiet place and read only one chapter at a time until Something calls to you from these pages Then put these writings down and walk away find a place and sit down to meditate on what has stirred you within I can tell you with a certainty born of experience that you can walk in another Dimension right here and right now the Kingdom of Heaven on earth The Sequence Steven R. Bates,2024-08-30 Sometimes the best way to let one know what something is is to let one know what it isn t Today s typical academic book in eschatology provides the reader with a brief history of the various positions in the field followed by why certain positions should be considered the better options This is not that book Over the course of twelve chapters six sequences will be presented from the three major sources in the New Testament regarding the subject i e Paul s letters to the Thessalonians the Olivet Discourse and John s visions in Revelation Through a careful reconciliation of those six sequences Dr Steven R Bates will show that there s only one sequence of end times which he has labeled The Post Armageddon Premillennial Resurrection He asserts that had any other sequence of end times been correct whether pre tribulationism pre wrath mid tribulationism historic pre millennialism post millennialism a millennialism preterism or any other sequence that one could possibly imagine then the proponents of that postulation should be able to take the same six sequences from Scripture and reconcile them precisely with one another sentence by sentence and prove whatever sequence they propose But of course no one will ever attempt such an endeavor because it s theoretically impossible Scripture s six sequences only confirm one sequence and it is the one which has been presented in **The Sequence Approaching Hoofbeats** Billy Graham,1983 In John s vision of the Apocalypse we find the warning the hope and the direction we all need The ^AOxford Handbook of the Bible and American Popular Culture Dan W. Clanton, Jr.,Terry R. Clark,2020-11-24 The study of the reciprocal relationship between the Bible and popular culture has blossomed in the past few decades The Oxford

Handbook of the Bible and American Popular Culture assesses the current state of the field offers examples of work in that field and suggests future directions for further study **Library of Congress Subject Headings** Library of Congress,1991

Library of Congress Subject Headings Library of Congress. Office for Subject Cataloging Policy,1991 *A Pentecostal Commentary on Revelation* Jon K. Newton,2021-02-15 This new commentary approaches Revelation from a Pentecostal perspective but you may be surprised at what this does and doesn't mean in this case This is a serious commentary based on the Greek text and includes discussion of all the standard topics authorship date audience etc It gives interpretive priority to the original context and audience while also discussing application today Newton eschews all populist interpretations of Revelation and questions many assumptions built on futurist or historicist readings but includes a survey of recent scholarly Pentecostal work on Revelation and an extended discussion of what an authentic Pentecostal reading of Revelation might look like The commentary highlights features of Revelation that Pentecostals often look for such as its pneumatology but also draws attention to features that Pentecostal readers should take more seriously than they often do such as its missional focus the narrative flow intertextual references and the focus on atonement This makes it a more optimistic commentary than many available The commentary interacts in depth with five leading commentaries over the past twenty five years as well as over two hundred other books and articles including the oldest existing commentary on Revelation *Library of Congress Subject Headings* Library of Congress. Subject Cataloging Division,1988 *John Sinclair: Demon Hunter Volume 6 (English Edition)* Jason Dark,2022-04-20 The work of a demon hunter is never done While John Sinclair's still in Romania hot on D Kalurac's trail a band of vampires cause trouble in London Not only do their spawn infiltrate a British ministry the vampires even kidnap Bill Connolly's wife and son John Sinclair has to pull out all the stops to put an end to D Kalurac's plans But evil is never without company and John also has to travel to a French monastery to decipher the mystery behind aebea Just what could it mean The final story in this volume sees John head to Wales where he has to prevent the nachzehrers from rising and do battle with a familiar face **Silence and Praise** Ryan Leif Hansen,2014-05-01 Cosmology is a central focus in John's Apocalypse Ryan Leif Hansen argues but not in the sense that John envisions a stable cosmos Rather John employs cosmological themes for persuasive purposes that include a critique of Roman imperial cultic discourse Hansen's argument requires a discussion of the apocalyptic genre and rhetoric the ways in which apocalyptic literature makes meaning especially through the construction of symbolic worlds and then a comparison of this means with cosmological themes in which eternal Rome lies at the center of the cosmos John seeks to persuade his hearers that the world as governed and sustained by Caesar and the Roman gods and perpetuated through the Roman cult and economy is a false order passing away in order that God's new creation narrated by truthful worship and costly witness to the Lamb can emerge as gift The book concludes with suggestions for fruitful conversation with recent work in apocalyptic theology **Revelation 12-22 (ITC)** Peter J. Leithart,2018-02-22

The Book of Revelation is the last book in the canon of the New Testament and its only apocalyptic document though there are short apocalyptic passages in various places in the gospels and the epistles This second of two volumes on Revelation offers a systematic and thorough interpretation of the latter chapters of the book Revelation brings together the worlds of heaven earth and hell in a final confrontation between the forces of good and evil Its characters and images are both real and symbolic spiritual and material and it is frequently difficult to know the difference between them Revelation s cryptic nature has ensure that it would always be a source of controversy This commentary focuses on the theological content gleaning the best from both the classical and modern commentary traditions and showing the doctrinal development of Scriptural truths Scholarship on the book of Revelation has nonetheless not only endured but even captured the imagination of generations of Bible students both professionals and laypeople alike Through its focus on the message of the book through scholarly analysis this ITC reconnects to the ecclesial tradition of biblical commentary as an effort in ressourcement though not slavish repetition

The Book of Revelation and Its Interpreters Ian Boxall, Richard Tresley, 2015-11-25 The Book of Revelation has fired the imaginations of theologians preachers artists and ordinary Christians across the centuries The resulting number of commentaries on the book is enormous and most studies can only touch upon at most a representative sample of this vast literature As a consequence many focus largely on the interpretation of the Apocalypse only within specific periods such as the patristic period or during the Reformation One result of this severe limitation given the vast literary corpus is how historical interpretations in critical commentaries of the Book of Revelations tend to prioritize authors from the modern period In The Book of Revelation and Its Interpreters Short Studies and an Annotated Bibliography editors Richard Tresley and Ian Boxall fill a significant gap in the scholarly literature At its heart is an extensive annotated bibliography covering commentaries on the book up to 1700 including most of the early illuminated Apocalypses Supporting the presentation of this survey of the historical interpretations of the Book of Revelation is an extended overview of Revelation s often colorful reception history by Christopher Rowland together with a number of short studies on various aspects of the book These include discussions of specific commentators such as Sean Michael Ryan s look at Tyconius and Francis X Gumerlock exploration of Chromatius of Aquileia alongside a more general treatment of Revelation s impact on the figure of John of Patmos in an essay by Ian Boxall and the visual reception of Revelation in Natasha O Hear s article The Book of Revelation and Its Interpreters provides a valuable bibliographical resource for those working in the field of Biblical Studies history of Christianity eschatology and apocalyptic studies The accompanying essays orient the authors recorded in the bibliography within a larger context offering specific examples of the Apocalypse s capacity to speak in fresh and often surprising ways to diverse audiences throughout history
