*Memories of the Future* Sigizmund Krzhizhanovsky,2009-10-06 Written in Soviet Moscow in the 1920s but considered too subversive even to show to a publisher the seven tales included here attest to Sigizmund Krzhizhanovsky s boundless imagination black humor and breathtaking irony a man loses his way in the vast black waste of his own small room the Eiffel Tower runs amok a kind soul dreams of selling everything you need for suicide an absentminded passenger boards the wrong train winding up in a place where night is day nightmares are the reality and the backs of all facts have been broken a man out looking for work comes across a line for logic but doesn t join it as there s no guarantee the logic will last a sociable corpse misses his own funeral an inventor gets a glimpse of the far from radiant communist future     [Jim Kobak's Kirkus Reviews](#) ,1990     *Kirkus Reviews* ,1990 Adult books are categorized by genre i e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children s section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical     **The Open Road** Jean Giono,2021-10-12 A nomad and a swindler embark on an eccentric road trip in this picaresque philosophical novel by the author of *The Man Who Planted Trees* The south of France 1950 A solitary vagabond walks through the villages towns valleys and foothills of the region between northern Provence and the Alps He picks up work along the way and spends the winter as the custodian of a walnut oil mill He also picks up a problematic companion a cardsharp and con man whom he calls the Artist The action moves from place to place and episode to episode in truly picaresque fashion Everything is told in the first person present tense by the vagabond narrator who goes unnamed He himself is a curious combination of qualities poetic resentful cynical compassionate

flirtatious and self absorbed While The Open Road can be read as loosely strung entertainment interspersed with caustic reflections it can also be interpreted as a projection of the relationship of author art and audience But it is ultimately an exploration of the tensions and boundaries between affection and commitment and of the competing needs for solitude independence and human bonds As always in Jean Giono the language is rich in natural imagery and as ruggedly idiomatic as it is lyrical
