**Reigniting Employee Engagement: A Guide to Rediscovering Purpose and Meaning in Healthcare** Tom Atchison, EdD, 2021-10-23 Many organizations know employee engagement is essential to success but few approach it in the right way. Bonuses, thank you notes, employee of the month awards and similar initiatives may produce temporary boosts in morale but do not build a long-term culture of true engagement. *Reigniting Employee Engagement: A Guide to Rediscovering Purpose and Meaning in Healthcare* presents a simple model for creating sustainable employee engagement, now more elusive than ever because of ongoing changes in healthcare delivery. Rising caregiver burnout is an especially critical issue and this book provides a method for refocusing on basic human needs to reenergize the healthcare workforce. Author Tom Atchison explores the psychology of why and how people commit to their work while debunking many myths such as money being the best motivator. Each chapter features an interview with a successful healthcare executive who offers perspective and advice on how best to approach employee engagement. These performance profiles allow readers to see how the book's model applies to real-world scenarios in healthcare. Topics covered in this book include: Worker values, meaning and purpose.

Leadership's role in employee engagement The importance of corporate culture Proven motivation techniques Strategies doomed to fail Employee engagement is not as simple as telling someone they have done a good job Meaning and purpose are the most powerful motivators in healthcare The key is helping professionals to rediscover their passion for patient care and to remember what originally led them to their calling This book shows the way      **Improving School Board**

Obsessions Dispel Dysfunctions At last Patrick Lencioni's deceptively simple fables on leadership are available as a set. Focusing on a different aspect of leadership each book points out the mistakes that are so easy to make and helps you learn to avoid them before they occur. These absorbing books written to be read in one sitting will help you excel as a leader. Included in the set are *The Five Temptations of a CEO* A Leadership Fable. Absorbing, compelling and utterly memorable. *The Five Temptations of a CEO* is like no other business book that's come before. Author Patrick Lencioni deftly tells the tale of a young CEO who facing his first annual board review knows he is failing but doesn't know why. Refreshingly original and utterly compelling the story of this executive will be enjoyed, remembered and reread for years to come. It serves a timeless and potent reminder that success as a leader can come down to practicing a few simple behaviors, behaviors that are painfully difficult for each of us to master. *The Four Obsessions of an Extraordinary Executive* A Leadership Fable. In this stunning follow up to his best selling book *The Five Temptations of a CEO* Patrick Lencioni offers up another leadership fable that's every bit as compelling and illuminating as its predecessor. This time Lencioni's focus is on a leader's crucial role in building a healthy organization, an often overlooked but essential element of business life that is the linchpin of sustained success. Readers are treated to a story of corporate intrigue as the frustrated head of one consulting firm faces a leadership challenge so great that it threatens to topple his company, his career and everything he holds true about leadership itself. In the story's telling Lencioni helps his readers understand the disarming simplicity and power of creating organizational health and reveals four key disciplines that they can follow to achieve it. *The Five Dysfunctions of a Team* A Leadership Fable. In *The Five Dysfunctions of a Team* Patrick Lencioni once again offers a leadership fable that is as enthralling and instructive as his first two best selling books *The Five Temptations of a CEO* and *The Four Obsessions of an Extraordinary Executive*. This time he turns his keen intellect and storytelling power to the fascinating complex world of teams. Throughout the story Lencioni reveals the five dysfunctions which go to the very heart of why teams, even the best ones, often struggle. He outlines a powerful model and actionable steps that can be used to overcome these common hurdles and build a cohesive, effective team. Just as with his other books Lencioni has written a compelling fable with a powerful yet deceptively simple message for all those who strive to be exceptional team leaders.
