**Al Sturgeon**

## Four Purple Hearts:

*Prologue*, 2012      **Army Reserve Magazine**, 1975      **Annual Report of the Federal Security Agency** United States. Federal Security Agency, 1945      Fire Island Jack Whitehouse, 2011-06-03 Fire Island or Great South Beach as it is also known is a 32 mile long sliver of a barrier beach located just off the South Shore of Long Island Always a wild lonely and untamed wilderness its shores waterways and the lands surrounding it have given us innumerable stories some inspirational some frightening but all of them intriguing The stories in this book portray people and events from the island s earliest days when it served Native Americans as a rich hunting fishing and whaling site until the present day and its use as a U S National Seashore and National Wilderness Area      *The Fighting Never Stops* Al Sturgeon, 2002-10-15 America has always had its enemies and the fight has always been met with courageous leaders Some leaders were showered with fame Others withdrew in the shadows Jim McVeay is one of the latter In todays climate when America must face an invisible enemy that may never go away Jim McVeays story needs to emerge from the shadows In his story you will encounter heroism of the highest order And as you are inspired by his bravery through poverty Vietnam and his continued battle with Post Traumatic Stress Disorder you will find strength to press on in battles of your own      **Army**, 1982      **War and Peacekeeping** Martin Bell, 2020-10-01 There are no winners in war only losers We have so far avoided a third world war but across the globe regional conflicts flare up in a seemingly unstoppable cycle Who can stand between the armed camps Over six decades Martin Bell has stood in eighteen war zones as a soldier a reporter and a UNICEF ambassador Now he looks back on our efforts to keep the peace since the end of the Second World War and the birth of the United Nations peacekeeping mission in the new State of Israel From the failures of Bosnia Rwanda and South Sudan to nationalism s resurgence and the distribution of alternative facts across a darkening political landscape Bell calls for us to learn from past mistakes before it s too late

*This Is What Hell Looks Like* Stuart Allan Streinberg, 2018-05-30      *The Gods of Antenna* Bruce Herschensohn, 2000-11 If the new generation is not told accurate information then not only will the new generation and the generations that follow be misguided but more importantly the policy makers of the future will be making decisions based on mis assessments There are three areas in which the truth of the past has been tragically misrepresented The actions of the President the role of the media and the buried legacy of the South Vietnamese the Laotians the Cambodians and of course the Americans who gave their lives for the liberty of others There is no higher morality than dying for the well being of a stranger and that is what they did Their enemies were not only on the battlefield many of their enemies are still revising the history of those days either to justify their past actions or to cloak their consciences or they simply don t know the truth because they have been bombarded by those who rejected it Their recorded words and fictionalized images are at best what they think is true and at worst are meant to deceive you      **The Powwow Highway** David Seals, 2014-09-15 Takes us into the places where Indians live their jokes their lovemaking their hearts Leaves me feeling as if I had made the journey myself Denver Post      **Night of**
