Four Quartets Rehearsed A Commentary On T S Eliots Cycle Of Poems:

'Four Quartets' Rehearsed Raymond Preston,1946 **'Four Quartets' Rehearsed** Raymond Preston,1966 T. S. Eliot and the Ideology of Four Quartets John Xiros Cooper,1995-12-14 Criticism of Eliot has ignored the public dimension of his life and work His poetry is often seen as the private record of an internal spiritual struggle Professor Cooper shows how Eliot deliberately addressed a North Atlantic mandarin fearful of social disintegration during the politically turbulent 1930s Almost immediately following publication Four Quartets was accorded canonical status as a work that promised a personal harmony divorced from the painful disharmonies of the emerging postwar world Cooper connects Eliot s careers as banker director and editor to a much wider cultural agenda He aimed to reinforce established social structures during a period of painful political transition This powerful and original study re-establishes the public context in which Eliot s work was received and understood It will become an essential reference work for all interested in a wider understanding of Eliot and of Anglo American cultural relations T.S. Eliot's Orchestra John Xiros Cooper,2020-04-13 First Published in 2000 Nearly everyone who addresses T S Eliot s imaginative and critical work must acknowledge the importance of music in thematic and formal terms This collection of original essays thoroughly explores this aspect of his work from a number of perspectives *Reading T.S. Eliot* G. Atkins,2012-01-30 This book offers an exciting new approach to T S Eliot s Four Quartets as it shows why it should be read both closely and in relation to Eliot s other works notably the poems The Waste Land The Hollow Men and Ash Wednesday *Revival: Writing the Bodies of Christ (2001)* John Schad,2017-07-12 This title was first published in 2001 A volume of essays on the Pauline ecclesiastical body of Christ the church It is of course not possible to separate completely one body of Christ from another and the essays do not make the attempt The dark institutional history of the church is a running theme a running sore throughout the volume in that sense the essays respond to Michel Foucault s insistence that we should be mindful of the institutions that surreptitiously inform our discourse and culture The essays deal with the myriad of ways in which the church is named spoken and above all written in the age of secularization In this sense the contributors are simply exploring the relationship between the church and modern writing

The Rackham Journal of the Arts and Humanities ,1980 **Four Quartets Rehearsed** Raymond Preston,1970-02 Analyzes criticizes T S Eliot s Four Quarters cycle Burnt Norton East Coker The Dry Salvages Little Gidding **Serious Poetry** Peter McDonald,2002-06-13 Do we want to read poetry or just like having a few poets to talk about The history of poetry in twentieth century Britain and Ireland is one which ends with the assimilation of successful poets into a media culture it is also however another history one of form and authority in which certain poets found modes and pitches of resistance to the seeming inevitabilities of their times In this history it is the authority of poetry and not the media processed poet which is at stake in the integrity of poetic form Serious Poetry Form and Authority from Yeats to Hill offers a controversial reading of twentieth century British and Irish poetry centred on six figures all of whom are critics as well as

poets W B Yeats T S Eliot W H Auden Louis MacNeice Seamus Heaney and Geoffrey Hill Yeats's centrality to twentieth century poetry and the problem many poets and critics had or still have with that centrality is a major focus of the book *Serious Poetry* argues that it is in the strengths possibilities perplexities and certainties of the poetic form that poetry's authority in a distrustful cultural climate remains most seriously alive

T.S. Eliot's Poems in French Translation--Pierre Leyris and Others Joan Fillmore Hooker, 1983 **The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950** George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of *The Cambridge Bibliography of English Literature* The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries

The Progress of T. S. Eliot as Poet and Critic Jyoti Prakash Sen, 1971 *Vanishing Voices* Katarzyna Dudek, 2020-01-15 The nature of silence is hard to grasp This book serves to systematize this concept and explore it in the works of three major poets of religious experience namely Gerard Manley Hopkins T S Eliot and R S Thomas Since these poets worked within a Christian framework the silences they refer to are mainly those emerging in the context of the relationship between God and man in a post Christian climate The book's textual analyses place special attention on the dynamics between thematic and structural manifestations of silence and are situated at the crossroads of the poetics philosophy and theology In this first study bringing together the poetry of Hopkins Eliot and Thomas the three poets each in his unique way emerge as poetic ministers practitioners and producers of silence who try to find a new language to talk about the Ineffable God and one's experience of the divine

The Moment of Vision in W.B. Yeats, Wallace Stevens, T.S. Eliot, and Robinson Jeffers Edward Lindley Becker, 1980 **The Hibbert Journal**, 1947 A quarterly review of religion theology and philosophy *Monthly Bulletin* San Francisco Public Library, 1919 **T.S. Eliot. Translated by Claire Pace, Jean Stewart** Georges Cattaui, 1966 *Annual Bibliography of English Language and Literature. Volume Xxvi. 1946*, *General Catalogue of Printed Books* British Museum. Department of Printed Books, 1969 **The Emporia State Research Studies**, 1972
