Four Rode Out:

Tyler's Law Charlie Macneil Buchanan, 2009-01-01 Deputy Bowie Tyler is at first glance an unlikely hero. He appears to be nearly as big around as he is tall and he's often told that you don't look like no lawdog. That's just the way Bowie likes it. He can fight and he can shoot because a man who's built somewhat like a punkin had better learn to protect himself or go to tending store. He is a generally jolly sort whose cheerful demeanor tends to lull his enemies but the sunshine can turn to ice in an instant and he's won more fights than he's lost. Bowie's current assignment looked relatively straightforward at first: bring in the elusive Bob Morton. Morton has never been caught in twenty years on the wrong side of the law but his latest crime may change all that. As he follows Morton's trail, Bowie finds more and more evidence that just as in his own case, appearances can be deceiving. The further Bowie travels, the more it seems that he may be chasing the wrong man. Before he reaches the end of this trail, Bowie finds himself in the unenviable position of having to interpret the law in ways that it was never meant to be interpreted. He will be writing *Tyler's Law*. **Society's Child** Janis Ian, 2008 Janis Ian provides insight into her personal and professional life, discussing her relationships with other musicians, songs, difficult marriage, hiatus from music, health, and other related topics. **Treasure Mountain** Louis L'Amour, 2003-09-30 In *Treasure Mountain*, Louis L'Amour delivers a robust story of two brothers searching to learn the fate of their missing father and finding themselves in a struggle just to stay alive. Orrin and Tell Sackett had come to exotic New Orleans looking for answers to their father's disappearance twenty years before. To uncover the truth, the brothers enlisted the aid of a trailwise Gypsy and a mysterious voodoo priest as they sought to re-create their father's last trek. But Louisiana is a dangerous land and with one misstep, the brothers could disappear in the bayous before they even set foot on the trail, a trail that led to whatever legacy their father had left behind and a secret worth killing for. **Zervakan** Rob Steiner, 2013-12-03 Reason and science gave the Recindian Compact wonders like steam engines, telegraphs, and gunpowder. The world had order. It made sense. Until one night, two multi-colored bands of light split the sky, spanning the horizons like rings around the planet. Soon after, unnatural storms assaulted the Compact's cities. Whispers spread of ghoulish creatures haunting Compact forests. And then a message from a legendary race called the Mystics: ally with us to fight the growing evil or we all perish. The Compact's desperate leaders turn to disgraced history professor Taran Abraeu. Taran spent years searching in vain for the ancient healing magic of the Mystics to save his dying daughter. His family and colleagues once mocked him. Now his research might save them. When the Compact asks Taran to accompany a secret delegation to the Mystic homeland, he is swept up in an adventure that forces him to fight a horrifying enemy that only he, among all his people, can comprehend. *Trial of Billy Ranhalt* Clifford D. Cope, 2010-04 This is the story of Billy Ranhalt, who is struggling with one of the most difficult challenges one can face. He is in defense at a trial within himself as well as in society that came about in the prime of his life. He is being tried for an injury or, as some would say, illness that can be found in every society throughout the world. He is guilty before his trial. His offence is almost invisible.

to himself as well as many others that may suffer from his offence His injuries are almost invisible to those surrounding him yet he sees them himself but does not want to see them Billy Ranhalt tries to overlook the impossible but must face trial The injury Billy suffered is one that has become more prominent to our society in the past few years with the growing number of war veterans The character Billy Ranhalt is a person most people have seen or may see some day within their job their friends or among family and very well themselves The intent of this story is to open the eyes and minds of people incurring awareness and respect to those suffering as Billy did from an incurable but not untreatable suffering The only cure Billy finds is not what he really wanted which is carried out by those unwilling or failing to see his injury The setting takes place in modern day United States among a typical American family It has a strong emphasis on a Gulf War veteran yet similarities found throughout the world in various surroundings The ending is not a good ending for Billy his family or friends However an ending that foresight and forethought could have been prevented
