Persimmons and Petticoats Verba Lee Birge, 2007-04-26 Mrs Susie and Joshua had no matches and they were alone tired and hungry It was late August when Mrs Susie Jones and her lame nine year old grandson Joshua had believed they were fortunate to be accompanying the last wagon train of the season that was bound for Oregon Joshua s uncles were already there and were anxious for Josh and Grandmother to arrive Mrs Susie s team of mules and wagon of supplies were envied by Mr Ferguson the Wagon Master After two weeks on the trail west of Independence Missouri he insisted that his men drive all of the wagons and the travelers walk This he claimed would help them to travel faster Each person was required to carry a personal pack Mrs Susie was too weak to resist When she became ill and overcome with weakness she could not walk fast but the others continued It was nearing sundown when she and Joshua realized that they were completely alone on the trail

Their mules wagon and supplies had been taken from them All they had was the pack each carried on his back Josh walked closer to Grandmother Are they really leaving us I am scared are you Grandmother smiled weakly and pointed to the little creek We always feel better after we ve eaten and had a drink I have some food Let s eat and rest for a few minutes then we will find shelter for the night Grandmother we need food shelter and fuel and I saw a big fish in the creek Grandmother chuckled you are a thinker My father told me often Susie a person can overcome most hardships if he remembers to think plan and be calm Joshua see that uprooted tree Let s investigate Sure enough there was a cave like opening underneath large enough for a small room After making sure there were no varmints or crawling creatures inside Grandmother said Well well my grandson my partner I do believe that we are to be the only guests here tonight It seems to be a good Inn Together they placed several branches across the opening to form a makeshift door Admiring their work Joshua picked up a big stick and said If an old possum tries to get in I ll just go whack him and say Mr Possum this Inn has no extra room The sun was shining They went to the creek washed and drank and filled their cups with water before returning to the Inn They picked up dead branches for a fire Grandmother made a fire and set their cups on flat stones near it They would have hot tea and dried apples while they opened their packs and checked their belongings Joshua had a gift package that he had not opened The Blacksmith had instructed him to tell no one except Grandmother and soon he would know why Joshua was so excited that he had difficulty untying his package then Look look a hatchet A sling shot a flint and steel a pocketknife and tiny whetstone and oh Grandmother three fish hooks and lines We will not be hungry I can catch fish Grandmother s pack had a special package too It seemed that she had wrapped all their food packages in linen bags made from petticoats Two special bags were spices and vegetable seeds and her sewing kit containing scissors needles an awl thimble linen thread yarn and a tiny piece of bees wax When Grandmother was nearly finished emptying the pack Joshua held his breath New boots When where how and will they fit When he attempted to put one on he jerked his foot back There was something in the boot It won t hurt you Grandmother was laughing as she removed two pairs of socks from one boot and a box with six canes of peppermint candy from the other Joshua hugged Grandmother Because you are wise and I am a good helper we will be alright We will think and plan and remain calm and when winter gets here we will have food fuel and shelter
