ridden creature who forces us to reevaluate ourselves in light of his degradation

The Complete Poems of Louis Daniel Brodsky: Volume Five, 1986-1990 Louis Daniel Brodsky, Nothing provided *Dine-Rite* Louis Daniel Brodsky, 2012-06-26 Poetry Have a seat at a table or booth in Louis Daniel Brodsky's DINE RITE BREAKFAST POEMS Everyone's welcome As Brodsky puts it this suburban diner is an Oasis to the white and blue collar and the collarless Contractors carpenters painters and plumbers Insurance and sales reps cab drivers loafers Grass roots politicians divorce lawyers retirees The entire cast of the human drama Under one home cooking spoken here roof And overlordship this melting pot is its owner a corpulent self anointed Baptist minister whose unique brand of evangelism permeates Dine Rite as thoroughly as the greasy smoky air that wafts from the kitchen If you're hungry for poetry that both satisfies and leaves you wanting more then you've come to the right place Dig in

Shadow War Louis Brodsky, 2013-07-16 Starting on April 22 2002 and concluding on June 16 2002 Louis Daniel Brodsky's Shadow War Volume Four traces the primary sources of terrorism that erupted in America on September 11 Israel India Pakistan and Afghanistan These poems describe in bold detail the desperation of Palestinians and Israelis trying to survive what appears to be an intractable knot of hatred and retaliation Suicide bombers demonstrating the depths of radical depravity are at the center of many of these pieces as is the Israeli military frustrated by its inability to deter them The specter of nuclear war looms as well in vivid poetic accounts of the political and religious tensions assailing India and Pakistan throughout their struggle to resolve the fate of Kashmir Brodsky also examines the fledgling government of Afghanistan as Hamid Karzai strives with the help of the United States to keep civil war from regaining control of his country

With One Foot in the Butterfly Farm Louis Daniel Brodsky, 2012-06-26 Fiction Short Stories Meet the ordinary people who inhabit Louis Daniel Brodsky's neighborhood There's the young man who becomes a tree and the one who thanks to magical seeds becomes who he is There's the open heart surgery patient whose chest cavity becomes the trash receptacle for the operating team And just what do all these characters have in common They have one foot in the funny farm and they're candidates for the butterfly net In other words like Brodsky himself they're folks with one foot in the butterfly farm

Seizing the Sun and Moon Louis Daniel Brodsky, 2012-05-07 The third volume of THE SEASONS OF YOUTH celebrates the author's growing family with the birth of a son Father and mother revisit the daily joys and challenges of seeing a child flourish from infancy into the preschool years while they marvel at their daughter's rapid physical and social development as she progresses from age three to six and a half exhibiting the first hints of who she'll be as an adult In thirty nine poems that poignantly dramatize the interweaving of four lives Louis Daniel Brodsky shares myriad rituals of childrearing bathing meal time school days pets playing first words getting ready for bed all of which offer chances to experience the coming of age wonders of early maturation and the rites of initiation into love's simple complexities opportunities to seize the sun and moon

Just Ours Louis Daniel Brodsky, 2012-05-07 JUST OURS captures the tender passion of two lovers who've come to each other as kindred souls after full separate lifetimes Tracing the evolution of their relationship from their first date to their first

extended trip together to Italy this book of verse is a lyrical celebration of closeness each poem a distillation of the loving oneness neither knew was possible timeless just ours intimacies they create for themselves alone *By Leaps and Bounds* Louis Daniel Brodsky, 2012-07-10 Poetry The second and third years of a child's life are filled with the extraordinary ordinary events that are steppingstone rites of passage learning to walk and speak reveling in play and mischief enduring the travails of illness growing familiar with the world beyond the house where dogs rabbits and fireflies mesmerize curious eyes taking part in adventures with mom and dad vacations holidays visits to grandparents In this second book of a five volume series about his children Louis Daniel Brodsky chronicles the progress of his daughter as she grows by leaps and bounds and the evolution of his family which is soon to grow as well with the birth of a second child **Getting to Unknow the Neighbors** Louis Daniel Brodsky, 2012-06-26 Fiction GETTING TO UNKNOW THE NEIGHBORS is a collection of short fictions by L D Brodsky that presents the reader with one of the strangest casts of misfits in contemporary literature Many of these characters dwell in an apartment building that seems to be located in a Kafkaesque twilight zone GETTING TO UNKNOW THE NEIGHBORS is a true masterpiece of the bizarre *Showdown with a Cactus* Louis Brodsky, 2013-06-27 While history may withhold its judgment of President George W Bush for several more years Brodsky in Showdown with a Cactus sees no reason to wait In 101 poems he relentlessly questions the motives behind the foreign and domestic policies of our forty third president with special attention paid to the disastrous military excursion into Iraq Bush's cabinet and advisors also are treated to Brodsky's sometimes scathing examination as is the complacency of many American citizens who in the poem Re Election are only too happy to ignore the state of the world Sing Hallelujah George the Lord has risen **Forever, for Now** Louis Brodsky, 2014-05-06 In Forever for Now Mississippi River poet Louis Daniel Brodsky has written a Huckleberry Finn of latter day love Cutting loose from worlds that have gone dismally wrong desperate desolate defunct marriages the protagonist and his beloved Janie hide from the world aboard a raft for two drifting towards self enfranchisement and love What love's skepticism opens for this poet is his participation in the human experience in a recurring history that flows like the river Mistress Mississippi Louis Brodsky, 2014-05-01 In the concluding volume of Louis Daniel Brodsky's narrative trilogy about a Northerner's personal odyssey in Faulkner's Mississippi the hypocrisy and bigotry of small town Oxford with its commercialization of Faulkner exacerbate the main character's disillusion a malaise that ultimately leads to his moral and spiritual degradation Louis D Brodsky always works in improbable and daring ways The narrator of this striking monologue metaphorically transforms the State of Mississippi into Mistress Mississippi the image incarnate of his illusions and delusions of desire *Leaky Tubs* Louis Brodsky, 2013-07-23 Leaky Tubs trots out a variety of societal misfits who rise to the surface of Brodsky's toxic satire exhibiting everything from compulsive toilet routines to rage brought on by a surfeit of Thanksgiving turkey The reader meets firsthand an eighty three year old ersatz Mr Universe who ogles female weightlifters two born losers who see themselves as evolutionary throwbacks to their simian ancestors a crematory operator who misfires but

redeems himself with an eleventh hour substitution a writer who strains so hard to break his block that he leaves his mark in a different medium a fruitful but unmultiplying wino who seduces a teenage waitress at Vito's Little Sicily only to end up under the two jug influence of impotence and a desperate commuter who rolls in on fumes to a gas station wrangles with a broken pump and pushes a vindictive attendant too far

The Complete Poems of Louis Daniel Brodsky: Volume Three, 1976-1980 Louis Daniel Brodsky, 1996 The third volume of *The Complete Poems of Louis Daniel Brodsky* presents over seven hundred poems written from July 1976 through December 1980 By this period in his life Brodsky had a wife and two children a thriving business that kept him traveling and a passion for acquiring Faulkneriana sparked by his deep appreciation of the author's literature that had led him on increasingly frequent journeys to Oxford Mississippi and elsewhere to meet those who knew Faulkner and those who might supplement Brodsky's expanding collection Spending considerably more time away from home than ever before he began to compose most of his poems while driving eating in small town caf staying in motels and retreating to bars after twelve hour workdays always filling his omnipresent notebook with new images and metaphors It was during these trips that Brodsky conceived many of his poetic personae Willy Sypher the Jewish ragman road peddler a man who though he lost no family in it still feels he's a victim of the Holocaust the Northern outlander who appears in many of his Southern poems the nature poet who captures the beauty of rural America and the cynical city poet who observes its bigotry and vulgarity and the unhappy family man who feels he must escape home for the freedom of the open road but nevertheless suffers guilt and remorse The poems from this segment of Brodsky's literary career reflect a man in his mid and late thirties facing growing desperation as he attempts to fulfill the complex responsibilities of his day to day commitments and yet address an unrelenting compulsion to record his frenetic life in verse

Stranded in the Land of Transients Louis Brodsky, 2014-05-01 This volume's forty seven poems trace Brodsky's life as a road poet and manager of outlet stores during a time when he was itinerant minister of surplus and flaw traveling throughout the Midwest selling his soul wholesale by day and assuaging his loneliness at night with wine and music while hiding himself away in hotel bars that might absorb him in their dim lit anonymity
