Wilson Company,1917 The 1st ed includes an index to v 28 36 of St Nicholas      **RK Narayan's India: A Perspective** Dr. Kanika K Arya,2022-12-16 R K Narayan is a writer whose stories have enamoured my soul whether it was the rendition of stories on the audio visual medium or the books that filled my hands and mind with treasures of common and mystical These stories are created in the simple yet magical world of Malgudi which has a wealth of peculiar characters straight out of a town or village in India these common folk and their idiosyncrasies amuse and connect us with them in an incomprehensible way We can analyse ourselves and our imperfections through reading their stories These stories are a mirror to human frailties thus inspiring us to live rather than always trying to become better version of ourselves Ambition glamour development technology competition to grow big and do big is what has never touched Narayan stories his characters live unperturbed in simple villages simply enjoying every morsel and every conversation that comes their way Indian myths and folklore form the bedrock of his stories Simply told yet holding didactic messages through symbolic connect to mythology and Vedic and Puranic texts A Narayan story is a sneak peek into the unpretentious common folk and their life and ambitions wish the writer was presenting another story to us where how social media and digitization affects the amusing world of Malgudi would have been a treat to read This book is an endeavour from my side to write about the contribution of Narayan to Indian English Literature and attempting a commentary upon some of his remarkable works

*The golden windmill, and other stories* Stacy Aumonier, 2025-01-11 As you know it is considered rather provocative to launch a book of short stories It is asking for trouble The least I can do is to offer a brief apology and I cannot do this without writing a preface which requires an apology in itself Unless you are a Bernard Shaw you find a preface a most embarrassing business Having written the stories I would rather talk about anything else old furniture for instance Perhaps my best policy will be to start by attacking you O Reader friend or enemy as the case may be You are a most exacting fellow Far more exacting than a reader of novels or works of reference or even histories for the reason that your criticism follows a more circumscribed tradition *Bulletin* Salem Public Library, 1919

**My Life and Other Stories** Bob Elles, 2013-05-14 Intelligence comes from ignorance as wisdom comes from naiveté and there is nothing like gathering both from people who represent a diverse swath of nations throughout the world As cultures require contact with each other in order to grow and remain viable and not succumb to atrophy man too requires contact with men of different beliefs and practices No one nation or culture or religion has a hold on logic or is immune to extremism I feel blessed that I've had the opportunity to absorb and learn about aspects of life that I'm sure I wouldn't have learned otherwise In fact my whole belief system was changed over the past forty five years through this contact I began to do some research on my family and what I learned coupled with what I had experienced in my life literally brought me to tears in gratitude and admiration and hopefully in wisdom If you like to sit down and listen to stories told by say an old friend an uncle or a person with wrinkles on his face grey in his hair and a sparkle of wisdom in his eyes coupled with a smile on his face then you should so bother If you don't then stop right here and go pick up and read a book on vampires or loves lost or whatever turns your fancy My life has been tragic and wondrous and I have what I call life lessons that I believe you will find helpful in your life I'll even go so far as to say that given even a fraction of introspection in you your life will be significantly altered after you've read this book I know that doesn't sound humble but I also know this to be true I have learned forgot and made up many a good story Keep this in mind when you read these chapters stories compiled within this book Are they all true Mostly with only the most embarrassing events removed An old retired Air Force fighter pilot once told me I have secrets only God and I know and that's the way it will remain
