## Four Men:

**Four Men Went to War** Bruce Lewis, 1987-09-28 This book tells of the adventures of four men of different nationalities who found themselves caught up in the maelstrom of the Second World War *Four men enter the restroom and see 7 urinals. The first two men choose urinals 1 and 7 (represented by p.7-45 and p.241-280). The Third Man chooses urinal 4 (or p.124-133). The Fourth Man uncomfortably chooses urinal 5 (p.58-122)...* Todd Van Buskirk, 2016-12-23 Publishing public

domain and PLR books is a numbers racket to some degree It will depend on the niche and the earlier recognition of that author and work The quality on these vary intensely Some of the more recent ones are better written and edited Now they are coming with high quality covers and source files to edit them fully Like public domain there are essentially limitless competition out there with all these copies But also like public domain you will see that mostly they have been poorly edited or poorly marketed and are really no competition at all In East Asian tradition an anthology was a recognised form of compilation of a given poetic form In this model which derives from Chinese tradition the object of compiling an anthology was to preserve the best of a form and cull the rest Stream System Gerald Murnane, 2018-04-03 Stories from a mind

bending Australian master a genius on the level of Beckett Teju Cole Never before available to readers in this hemisphere these stories originally published from 1985 to 2012 offer an irresistible compendium of the work of one of contemporary fiction's greatest magicians While the Australian master Gerald Murnane's reputation rests largely on his longer works of fiction his short stories stand among the most brilliant and idiosyncratic uses of the form since Borges Beckett and Nabokov Brutal comic obscene and crystalline Stream System runs from the haunting Land Deal which imagines the colonization of Australia and the ultimate vengeance of its indigenous people as a series of nested dreams to Finger Web which tells a quietly terrifying fractal tale of the scars of war and the roots of misogyny to The Interior of Gaaldine which finds its anxious protagonist stranded beyond the limits of fiction itself No one else writes like Murnane and there are few other authors alive still capable of changing how and why we read **Investigation of Improper Activities in the Labor Or Management**
