Paterson s Waltzing Matilda is the one song that has been bringing people together spontaneously since 1895 and the one song that belongs to all Australians Generations of experts have argued about the original story that Paterson immortalised about the origins of the tune and about what Paterson meant by his almost parodic over use of Australian colloquialisms Once a Jolly Swagman takes readers off the score sheet into the story of the song and tells of its evolution up until the twenty first century It tries to answer the riddles within the song and unpick its inherent contradictions where s the heroism in a suicidal thief What was jolly about the jumbuck Is Waltzing Matilda the key to Australian values What does it mean that a beloved song about Australia s pioneering past is written by a city lawyer In this age of economic rationalism and a globalised world how does a voice from the billabong saying You ll come a waltzing matilda with me still matter and what does it tell us about ourselves **4WD Trails: Southwest Utah** Peter Massey, Jeanne Wilson, 2002-10 This 2 color scenic driving guidebook is
