Library Journal ,2002 **The New York Times Index** ,2002 **The Publishers Weekly** ,2002 *Shame of Survival* Ursula Mahlendorf,2010-11-01 **American Heritage of Invention & Technology** ,2005 **Love, Freedom, and Aloneness** Osho,2002-12-13 Osho one of the greatest spiritual thinkers of the twentieth century explores the connections between ourselves and others in Love Freedom and Aloneness The Koan of Relationships In today s world freedom is our basic condition and until we learn to live with that freedom and learn to live by ourselves and with ourselves we are denying ourselves the possibility of finding love and happiness with someone else Love can only happen through freedom and in conjunction with a deep respect for ourselves and the other Is it possible to be alone and not lonely Where are the boundaries that define lust versus love and can lust ever grow into love In Love Freedom and Aloneness you will find unique radical and intelligent perspectives on these and other essential questions In our post ideological world where old moralities are out of

date we have a golden opportunity to redefine and revitalize the very foundations of our lives We have the chance to start afresh with ourselves our relationships to others and to find fulfillment and success for the individual and for society as a whole Osho challenges readers to examine and break free of the conditioned belief systems and prejudices that limit their capacity to enjoy life in all its richness He has been described by the Sunday Times of London as one of the 1000 Makers of the 20th Century and by Sunday Mid Day India as one of the ten people along with Gandhi Nehru and Buddha who have changed the destiny of India Since his death in 1990 the influence of his teachings continues to expand reaching seekers of all ages in virtually every country of the world **Book Review Index** ,2003 Every 3rd issue is a quarterly cumulation **I, Who Have Left You** Susan Freeman,2012-03 In a cloth covered box the physical treasures of Susan Freeman s life quietly stand as a monument to love The box contains letters she and her husband Leslie wrote to one another over a span of twenty seven years The first one dated 1975 was written by Susan during her days working on a farm in North Dakota The last one dated April 12 2002 was written by Leslie on the day he committed an act of self deliverance to escape the final ravages of cancer But their story doesn t end with his physical death Six months after he passed away Susan received a channeled message that began I who have left you They have a spiritual connection that allows them to communicate between dimensions Susan s memoir shares their story their letters and messages from the other side Susan Freeman has written a memoir that speaks to the deepest longing in every heart to know that love cannot and never does die The promise her husband Leslie made to her before his passing has come true He promised he would never leave her He has communicated to her from the outer realm through a clairaudient who could never know the details of their twenty seven year odyssey In long lyrical letters over a nine year period Leslie revisits details of their exotic travels in Arabia refers to gifts he gave her and constantly reassures her of his presence and his love of her through lifetimes There are only three things you need fear he tells her Not being able to love closing yourself off and holding on too tightly to the past This book is a rare and inspiring gift of spirit Gail Carr Feldman PhD author Midlife Crash Course The Journey From Crisis To Full Creative Power American Book Publishing Record ,2002 **The Secret Sister** Fotini Tsalikoglou,2019-10-08 A third generation Greek American visits his ancestral homeland and discovers a century of family secrets in this hauntingly poignant novel World Literature Today From the burning quay at Smyrna to present day Manhattan the Argyriou family has been pursued by disaster In the 1922 Greco Turkish War little Frosso and her sister Erasmia flee as Turkish soldiers descend on their village Orphaned and destitute the two girls have only each other to rely on as they scrape together a life in the immigrant slums around Athens Eighteen years later Europe is stewing and Erasmia is offered a chance for a new life in America by her fianc Compelled to leave by the impending war Erasmia boards the ship New Greece with a heavy heart but before the ship reaches harbor her grief takes hold and Erasmia throws herself into the ocean leading her fianc to marry her surviving sister instead Now Erasmia s great nephew who has never seen Greece will journey to the crisis ridden country in the twenty first century to
