Fourteen Bullets:

An End To War. An End To Peace. D.J. Lachance,2013-06-27 An End to War An End to Peace is based upon a personal insight that the author had after he returned from the Gulf War Homer s The Odyssey may be a poetic description of what life was like after Odysseus returned home from the Trojan War This insight was given further credence by the author when he learned that Homer was also a combat veteran Further Homer wrote The Iliad which portrays the Trojan War before he wrote The Odyssey and both were derived from oral tradition The Iliad may have been written to give people an understanding of what war is really like and The Odyssey may have been written to communicate the aftermath of war An End To War An End to Peace has a modern setting and it isn t necessary to know anything about The Odyssey or Homer to fully enjoy reading the play see it performed portray one of its characters or direct its performance The play is suitable for a High School audience or older **The Japanese Corpse** Janwillem van de Wetering,2003-04-01 The fifth Amsterdam Cops mystery A beautiful waitress at Amsterdam s most elegant Japanese restaurant reports that her boyfriend a Japanese art dealer is missing The police search throughout the Netherlands and finally locate a corpse But to find the killer the commissaris and de Gier must travel to Japan and match wits with a yakuza chieftain in his lair **Ballots and Bullets** Robert K. DeArment,2006 The complete story of the controversial county seat wars that raged in Kansas from 1885 to 1892 is told in this narrative that relives the violence that only avarice can breed and offers detailed portraits of such notorious participants as Sam Wood Bat Masterson Theodosius Botkin and Bill Tilghman **Too Many Bullets** Max Allan Collins,2023-10-10 Acclaimed True Crime detective Nathan Heller whose cases have sold more than 1 million copies returns to uncover the secrets behind Robert F Kennedy s 1968 assassination in this brand new novel from bestselling ROAD TO PERDITION author Max Allan Collins In 1968 Nate Heller is there when Robert Kennedy is shot at the Ambassador Hotel Heller takes it upon himself to investigate the murder when a friend of his and Bobby s raises doubts about the LAPD s investigation Heller strongly suspects the involvement of Jimmy Hoffa currently imprisoned but Hoffa seems to be in the clear as the private eye looks into the possible presence of CIA enemies of RFK s on the murder night the apparent manipulation of Sirhan Sirhan into a Manchurian Candidate style assassin and a probable second shooter **Investigating Thefts and Heists** Alex Woolf,2004 Discusses some famous robbery cases and describes how these cases were solved using forensic science **American Conspiracy Files** Peter Kross,2015-11-25 Conspiracy theories are not new to our modern time They date back to biblical times when Moses sent his spies out to check out what the Egyptians were doing Espionage is also linked to various conspiracies and is all mixed up in the same bag of tricks and form any decent conspiracy or theory In this new fact providing book by author Peter Kross called The American Conspiracy Files The Stories We Were Never Told the reader is given a tour de force through the world of conspiracies and conspiracy theories dating back to the time when this nation was first founded right up until the modern day Author Kross provides the reader with these fascinating and

unbelievable stories in short thought provoking chapters that will both inform and educate the public to these little known tales from our past Among the stories that are revealed are the circumstances surrounding the Lost Colony of Roanoke whose settlers simply left their homes and were never seen again The tales of the deaths of Davy Crockett Jesse James and Butch Cassidy and the Sundance Kid leave the reader wondering just what really happened to these iconic heroes conspiracies in the Revolutionary War including Benedict Arnold and Ben Franklin s son William We delve into the large conspiracy to kill President Lincoln and see that John Wilkes Booth did not act alone Our tale then goes into our modern day with chapters on the deaths of John F Kennedy Robert Kennedy Martin Luther King spies in the Roosevelt administration the reasons behind the Oklahoma City bombing the sordid plots of President Lyndon Johnson and the deaths of people associated with him the revelation of Deep Throat a plot by the Joint Chiefs of Staff to invade Cuba and blame it on Castro among other interesting tales As author Kross did in his previous books Tales From Langley The CIA from Truman to Obama and The Secret History of the United States these stories are a fascinating account of our hidden history most of which the public has never heard of Selected Professional Papers Translated from European Military Publications United States.

Iowa Farm Boy Edward C. Kramer, 2009-06-05 Ed

Kramer was born and raised on an Iowa farm during the last half of the 1930 s He was the youngest of four brothers so they had a profound effect in so many ways on his early life He attended a rural one room country school for the first eight years of his life He describes in detail what a typical country school looked like and how it functioned Many younger people today have no idea what it was like to have only one teacher for their first eight grades The idea of having all eight grades in a one room school house boggles their minds even further Ed thoroughly enjoyed his farm experiences He grew up in a difficult era of our country He points out that the concept of the good ole days was not all true Hardships and dangers abounded around every corner Farming was a dangerous business However along with the dangers and hardships there were so many fun and exciting times Ed vividly describes threshing time on the farm Many of the older generations will be able to relate to Ed s stories Ed loved the outdoors and nature He learned to adapt to and live with the outdoors and nature Ed understood the need for mankind to appreciate the importance of both in our lives and the impact they leave on all of us This was very evident in his outdoor hobbies and experiences What was it like to transition from country school to high school going from a small school to a large school and from a class size of four to one with thirty two What impact did sports have on Ed s life So many teachers What an adjustment that he had to make So many important decisions had to be made and so little time Life seemed to be moving fast now Ed wanted to let his readers know what went through his mind as he tried to cope with the many options available in steering the future course for him Should he listen to his brother s advice Should he follow in his brother s footsteps What process did he use to arrive at a decision College was another phase of Ed s life He had to decide

what would be his major What did he really want to do later in life Again so many more teachers subjects and larger class size It seemed like each phase of his life was on such a higher level How did he feel having a brother as his professor Did that help or hurt their relationship He understands that each person has a different vision of what college would be like He tries to point out some mistakes he made in college so that others may avoid them Ed was fortunate to have had summer employment that paid his way through many of his college years He understood that the cost of attending college was much less during his era However for his family the cost was high His summer employment happened to be in the forest service That gave him the opportunity to extend his horizons It meant going out on his own to execute or perform what he had learned in his earlier years Now he could put his good Iowa work ethic to good use He learned that hard work patience and perseverance paid off He accepted new responsibilities and assumed a leadership role that he never experienced before Decisions are a part of everyday life One of Ed's most important decisions was to enter the military service He tries to point out to his readers what a man or woman has to go through in the military There will be good and bad days as there are in any part of life He mentioned before that each phase of his life meant reaching out further to a higher level Each phase prepared him for the next level Each phase was a steppingstone to greater things to come Ed wants his readers to understand that even though growing up today is a lot different than when he grew up there still are many similarities Developing a good work ethic is still paramount today Religious faith was important to Lethal Allies: British Collusion in Ireland Anne Cadwallader, 2013-10-25 a well written piece of investigative journalism that asks some deeply troubling questions NY Journal of Books Cadwallader has written a brave powerful and forensically detailed book about a shameful and denied aspect of our country's history The Irish Times Anne Cadwallader's remarkable book focusses on collusion in the British security forces the RUC the British Army and the UDR in the mid Ulster Murder Triangle Over 120 people were killed by a loyalist gang operating in mid Ulster and Cadwallader has created a convincing argument that collusion with certain elements of the security forces was crucial in the committing of these crimes and the lack of proper investigation into many of these crimes The Dublin Reader Farmers shopkeepers publicans and businessmen were slaughtered in a bloody decade of bombings and shootings in the counties of Tyrone and Armagh in the 1970s Four families each lost three relatives in other cases children were left orphaned after both parents were murdered For years there were claims that loyalists were helped and guided by the RUC and Ulster Defence Regiment members But until now there was no proof Drawing on 15 years of research and using forensic and ballistic information never before published this book includes official documents showing that the highest in the land knew of the collusion and names those whose fingers were on the trigger and who detonated the bombs It draws on previously unpublished reports written by the PSNI's own Historical Enquiries Team It also includes heartbreaking interviews with the bereaved families whose lives were shattered by this cold and calculated campaign

Tragedy in Aurora Tom Diaz,2019-10-31 Tragedy in Aurora is about the 2012 murder of budding sports journalist Jessica Jessi Redfield Ghawi in a public mass shooting and the widening circle of pain it inflicted on her family friends police medical first responders and others The book is at the same time a deep examination of the causes and potential cures of the quintessential 21st century American sickness public mass shootings At the heart of that examination is an unpacking of America s deep polarization and political gridlock It addresses head on the question of why Why is American gun violence so different from other countries Why does nothing seem to change The Parkland kids inspired hope of change But the ultimate questions stubbornly remain what should what can and what will Americans do to reduce gun violence Tragedy in Aurora argues that the answer lies in a conscious cultural redefinition of American civic order Over recent decades America has defined a cultural new normal about guns and gun violence Americans express formalistic dismay after every public mass shooting But many accept gun violence as an inevitable even necessary and to some laudable part of what it means to be American Although Americans claim to be shocked with each new outrage so far they have failed to coalesce around an effective way to reduce gun death and injury

The debate is bogged down in polarized and profoundly ideological political and cultural argument. Meanwhile America continues to lead the globe in its pandemic levels of gun deaths and injuries. Combined with the cynical learned helplessness of its politicians the result is gridlock and a growing roll of victims of carnage. Is there a path out of this cultural and political gridlock? Tragedy in Aurora argues that if America is to reduce gun violence it must expand the debate and confront the fundamental question of who are we. Tom Diaz gives a new understanding of American culture and the potential for change offered by the growing number and ongoing organization of victims and survivors of gun violence. Without conscious cultural change the book argues there is little prospect of effective laws or public policy to reduce gun violence in general and public mass shootings in particular. **British Medical Journal**, 1900 *At Susa, the Ancient Capital of the Kings of Persia* Jane Paule Henriette Rachel Magre Dieulafoy, 1890 **Autobiography of a Werewolf Hunter Trilogy** Brian P.

Easton, 2016-09-20 It takes more than silver bullets to kill a werewolf. This is an omnibus edition of the three books in the Autobiography of a Werewolf Hunter trilogy. Sylvester James knows what it is to be haunted. His mother died giving birth to him and his father never let him forget it until the night he was butchered by a werewolf. Alone in the world, Sylvester is taken in by Michael Winterfox, a Cheyenne mystic. Winterfox once a werewolf hunter, trains the boy to be a warrior, teaching him how to block out pain, stalk, fight, and kill. Bit by bit, all that makes Sylvester human is sacrificed to the hunt. Now Sylvester's hatred has become a monster all its own, robbing him of conscience and conviction as surely as the Beast's bite. As he follows his vendetta into the outlands, the occult options become scarce. And he learns it takes more than silver bullets to kill a werewolf. To kill a werewolf, it takes a hunter with a perfect willingness to die. This edition features the previously published Autobiography of a Werewolf Hunter: Heart of Scars and The Lineage in Brian P. Easton's Autobiography of a Werewolf Hunter trilogy. The Fallen Heroine Fabienne Gschwind, 2021-08-30 The soldiers of the Repro Security put their lives on the line every day to hunt down and kill mindless genetic reprogrammed monsters. Just like young Matthis Kembs who has started as cadet in the best unit in France. The notoriously irascible commander of his unit, Captain Arlette, is a living legend. But all her fighting skills and strategies are of no use when the French king proclaims feudal rule and turns the soldiers into serfs. A second French revolution is needed. Set in the twenty-second century, the novel The Fallen Heroine takes place mainly in the French city of La Rochelle. Action, loaded humour, and social criticism enhance the novel. The Last Layer Lawrence Perlman, 2010-04-28 Senior Inspector Gerard de Rochenoir of the elite French National Police is attempting to solve two daring jewelry robberies in the heart of Paris when one of the victims turns up murdered. Gerard's investigation takes him to the glamorous Caribbean island of St. Barth where he crosses paths with Sofia Mostov, a striking jeweler with a mysterious past and a possible link to the crimes. While Gerard keeps a suspicious eye on Mostov, he meets Catherine York, an attractive American insurance executive twenty years his junior who happens to be investigating the same two Paris robberies as well as others that may be related. When Pierre Abou, a Sherlock Holmes obsessed cop, makes a stunning discovery at a farmhouse

on the Brittany coast the mystery begins to unravel and leads Gerard and Catherine around the world and straight to another murder As this unlikely couple becomes intertwined in the complexities of a passionate relationship they soon discover that Sofia Mostov is not only mysterious and beautiful but also very dangerous
