## **Fourteen Months In Canton:**

**Fourteen Months in Canton** Mrs. John Henry Gray,1880 The letters forming the subject of this small work were written during a fourteen months residence in the city of Canton where I enjoyed many opportunities of seeing the inner life of the Chinese and of learning much of their daily life in their own homes The letters were written for circulation amongst my family and a few friends who kindly expressed an interest in all I saw and did in the far off country of China These descriptive letters accompanied others I wrote at the same time to my family and so they do not contain any reference to domestic matters necessary to suppress They are therefore published in extenso We left Liverpool in the S S Abyssinian on our outward journey January 13th 1877 and arrived at New York in fourteen days Our voyage was rough and uninteresting especially so perhaps to me as I was very ill the whole time Fourteen days spent in a cabin is very trying even to the most patient of minds Introduction

autocratic actions of the government But Chester goes further to examine an alternative theory civil liberties exist as absolute rights rather than being dependent on the specific circumstances of each case Over the years the debate about the right to dissent has intensified and become more necessary This fascinating book explains why a century after the First World War and in the era of Trump we need to know about this [Early History of Soybeans and Soyfoods Worldwide \(1024 BCE to 1899\)](#); William Shurtleff,Akiko Aoyagi,2014-11-04 The world s most comprehensive well documented and well illustrated book on this subject With extensive index 351 color photos or illustrations Free of charge in digital format on Google Books [The Publishers Weekly](#) ,1880 *Reports from the Select Committee of the House of Commons Appointed to Enquire Into the Present State of the Affairs of the East India Company, Together with the Minutes of Evidence, an Appendix of Documents, and a General Index* Great Britain.
