Dorsey,2014-09-09 For the young men of Dunbar the low income historically segregated neighborhoods of Fort Myers Florida avoiding the path that leads to easy money as a drug dealer often means choosing complete devotion to football and dreams of NFL stardom While such dreams remain out of reach for most an astonishing number of Dunbar athletes including NFL idols Deion Sanders Jevon Kearse and Earnest Graham have achieved massive success Fourth Down in Dunbar is the story of how one community plagued by drugs and violence where many children are fatherless gave rise to so many stellar youth athletes Using Sanders as the centerpiece of the story David Dorsey explores Dunbar s history to show how the same drug culture that ruined so many promising futures also served as motivation for football success As a reporter for the Fort Myers News Press Dorsey had exclusive access to the players and their relatives He shows the success of the wildly talented as well as the regrets of those who took the wrong path while highlighting hope for the future of Dunbar In this poignant tale of heartbreak and triumph Dorsey reveals the true nature of these men who overcame the obstacles in their lives and made their families and their hometown proud      *Fourth Down and Long* Tony Lotti,2005-03 Ever heard the saying It can t get any worse I made the mistake of saying that and since this game I swore I would never say it again You see once you say that it can t get any worse it usually does Now I say it will only get so bad that eventually it has to get better I will never forget what happened next in this game I went into the huddle to call the play and one of my linemen looked at me and said Lotti I don t feel well I just don t feel like blocking Not the phrase a quarterback wants to hear from his linemen One after another echoed the same phrase I don t feel well It was late in the game when this started and one after another each player started getting sick I tried to get substitutions for the sick players but there was a problem Players and coaches on the sidelines were getting sick The illness was hitting one person

after another and we knew something was definitely wrong

**Fourth Down and 50** James Leon "Jimmy" Wilson, Andrea Williams, 2015-08-24 From a murder charge to the San Diego Chargers defensive back Jimmy Wilson spent more than two years in jail before he was acquitted of murder In this motivational coming of age memoir he shares the inspiring story of how faith in God and the love of his family helped him turn his life around and achieve his NFL dreams Jimmy Wilson knew he shouldn't have gone to his Aunt Opal's house on the eve of his return to the University of Montana where he was a star football player and preseason candidate for All American But when he learned her partner had badly beaten her his primary concern was for the safety of her and her two young children Growing up a biracial kid in the San Diego projects Wilson was always fighting Kids tested him and he relied on his physical prowess Tussling with his aunt's abuser on the lawn of her home trying to defend himself from the man's gun Wilson was in his element until a shot accidentally rang out changing the game Wilson was labeled a murderer and his football dreams all but faded The next two years in jail opened his eyes to another world When he was finally acquitted he felt adrift back in his old neighborhood But through his faith and the support of those who believed in him Wilson made it back to Montana and eventually to the NFL This is his uplifting story of growing from a boy to a man and how one bad decision that threatened to end his life became a catalyst for complete transformation
