Foxtrot Ridge A Battle Remembered:

Foxtrot Ridge Mark W. Woodruff, 2002 In May 1968 American casualties were running as high as 500 men per week killed in action Most American troops were required in the enormous logistic tail necessary to fight a war 10 000 miles from home *Fortitudine* ,2003 *What My War Was Like* Alan Ross, 2013-09-26 In the Viet Nam war the battle around the base camp of Khe Sanh was probably the most publicized story of the war The story of Khe Sanh started a year before the Siege that lasted for 77 days It started because the area in the far northwest part of South Vietnam got the attention of the NVA They couldn't allow a base that was so close to the border of Laos so close to the border of North Viet Nam to go about its business as usual without a challenge by the army of the North Giap was world famous for defeating the French army in 1954 in an area that looked a lot like the area around Khe Sanh He used and developed tactics in the French Indochina war that continued in use against the Americans and South Vietnamese Army He first tried to put his army in the high ground surrounding the air strip at Khe Sanh and was defeated in the Hill Fights of April and May 1967 some of the bloodiest fighting in the war For several months after that bitter battle he left the area alone but in January of 1968 he decided to attack again **Special Bibliography Series** ,1957 **Supplement to Vietnam 1964-1973** Elwood L. White, 2005 This bibliography is a supplement to the Special Bibliography Series Number 80 compiled in 1990 to support the 14th Military History Symposium It is primarily intended as a listing of scholarly works completed since 1990 on the Vietnam War although some works prior to that date are included The bibliography is selected from the holdings on that war housed in the McDermott library United States Air Force Academy and includes books journal articles government publications and technical reports Newspaper articles works of fiction collections of poetry and most personal narratives are not included The Clark Special Collections Branch of the library has extensive primary source materials and artifacts focused on American POW experiences in Southeast Asia Those items are also excluded from this bibliography since they are limited to in house use only Individuals wanting information about that collection should contact the Special Collections Curator and Academy Archivist *Supplement to Vietnam 1964-1973* ,2005 *Library Journal* ,2002 *Soldier of Fortune* ,2003

Murphy, 2007-12-18 While the seventy seven day siege of Khe Sanh in early 1968 remains one of the most highly publicized clashes of the Vietnam War scant attention has been paid to the first battle of Khe Sanh also known as the Hill Fights Although this harrowing combat in the spring of 1967 provided a grisly preview of the carnage to come at Khe Sanh few are aware of the significance of the battles or even their existence For more than thirty years virtually the only people who knew about the Hill Fights were the Marines who fought them Now for the first time the full story has been pieced together by

acclaimed Vietnam War historian Edward F Murphy whose definitive analysis admirably fills this significant gap in Vietnam War literature Based on first hand interviews and documentary research Murphy s deeply informed narrative history is the only complete account of the battles their origins and their aftermath The Marines at the isolated Khe Sanh Combat Base were tasked with monitoring the strategically vital Ho Chi Minh trail as it wound through the jungles in nearby Laos Dominated by high hills on all sides the combat base had to be screened on foot by the Marine infantrymen while crack battle hardened NVA units roamed at will through the high grass and set up elaborate defenses on steep sun baked overlooks Murphy traces the bitter account of the U S Marines at Khe Sanh from the outset in 1966 revealing misguided decisions and strategies from above and capturing the chain of hill battles in stark detail But the Marines themselves supply the real grist of the story it is their recollections that vividly re create the atmosphere of desperation bravery and relentless horror that characterized their combat Often outnumbered and outgunned by a hidden enemy and with buddies lying dead or wounded beside them these brave young Americans fought on The story of the Marines at Khe Sanh in early 1967 is a microcosm of the Corps s entire Vietnam War and goes a long way toward explaining why their casualties in Vietnam exceeded on a Marine in combat basis even the tremendous losses the Leathernecks sustained during their ferocious Pacific island battles of World War II The Hill Fights is a damning indictment of those responsible for the lives of these heroic Marines Ultimately the high command failed them their tactics failed them and their rifles failed them Only the Marines themselves did not fail Under fire trapped in a hell of sudden death meted out by unseen enemies they fought impossible odds with awesome courage and uncommon valor U.S. Marines in Vietnam: The defining year, 1968 United States.
