

Fragments Of My Fleece

Robert Beisner

Fragments Of My Fleece:

Fragments of My Fleece Dean Acheson, 1971-01-01 On Watch Joseph J. Snyder, Juniper House Library, 2000

Book Review Index, 1985 Every 3rd issue is a quarterly cumulation Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 The American Political Science Review Westel Woodbury Willoughby, John Archibald Fairlie, Frederic Austin Ogg, 1921 American Political Science Review APSR is the longest running publication of the American Political Science Association APSA It features research from all fields of political science and contains an extensive book review section of the discipline A breakfast for Bonaparte U.S. national security interests from the Heights of Abraham to the nuclear age Eugene V. Rostow, The House of Truth Brad Snyder, 2017-02-02 In 1912 a group of ambitious young men including future Supreme Court justice Felix Frankfurter and future journalistic giant Walter Lippmann became disillusioned by the sluggish progress of change in the Taft Administration The individuals started to band together informally joined initially by their enthusiasm for Theodore Roosevelt's Bull Moose campaign They self mockingly called the 19th Street row house in which they congregated the House of Truth playing off the lively dinner discussions with frequent guest and neighbor Oliver Wendell Holmes Jr about life's verities Lippmann and Frankfurter were house mates and their frequent guests included not merely Holmes but Louis Brandeis Herbert Hoover Herbert Croly founder of the New Republic and the sculptor and sometime Klansman Gutzon Borglum later the creator of the Mount Rushmore monument Weaving together the stories and trajectories of these varied fascinating combative and sometimes contradictory figures Brad Snyder shows how their thinking about government and policy shifted from a firm belief in progressivism the belief that the government should protect its workers and regulate monopolies into what we call liberalism the belief that government can improve citizens' lives without abridging their civil liberties and eventually civil rights Holmes replaced Roosevelt in their affections and aspirations His famous dissents from 1919 onward showed how the Due Process clause could protect not just business but equality under the law revealing how a generally conservative and reactionary Supreme Court might embrace even initiate political and social reform Across the years from 1912 until the start of the New Deal in 1933 the remarkable group of individuals associated with the House of Truth debated the future of America They fought over Sacco and Vanzetti's innocence the dangers of Communism the role the United States should play the world after World War One and thought dynamically about things like about minimum wage child welfare laws banking insurance and Social Security notions they not only envisioned but worked to enact American liberalism has no single source but one was without question a row house in Dupont Circle and the lives that intertwined there at a crucial moment in the country's history **John F. Kennedy's 1957 Algeria Speech** Gregory D. Cleva, 2022-03-02 John F Kennedy remains a compelling figure almost sixty years after his tragic assassination Kennedy's voice with all of its characteristic eloquence as well as the engaging complexity of the man himself are brought to life in John F Kennedy's 1957 Algeria Speech This book deals with one of Kennedy's most important as a U S

Senator but least recognized foreign policy speeches calling for Algerian independence after more than a century of French colonial rule The reader will experience the debate surrounding Kennedy s speech of July 2 1957 particularly the resistance it encountered from the Eisenhower administration French officials and French citizens senior members of America s foreign policy community such as Dean Acheson and Adlai Stevenson and editorial criticism in some of the most distinguished journals in the United States and France The author offers new insights into Kennedy s reasons for giving this speech as well as his extensive preparation spanning fifteen months Cleva uses in depth scholarship to analyze several years of classified U S Government documents dealing with the Algerian crisis in order to provide this comprehensive study of Kennedy s Senate speech how it shaped Kennedy s own administration as well its significance to American foreign policy *Dean Acheson and the Obligations of Power* Michael F. Hopkins,2017-03-17 Dean Acheson was the most influential American diplomat of the twentieth century He shaped the pivotal shift in American foreign policy from isolation to engagement in global affairs This critical re evaluation of Acheson s public career analyzes his advocacy of intervention against Germany and Japan in 1939 1941 work on sanctions against Japan in 1941 contribution to the creation of new international institutions and campaigns to secure the support of Congress and the American public It scrutinizes his crucial role in the Truman Doctrine the Marshall Plan NATO the formation of democratic governments in Germany and Japan and involvement in the Korean War It examines his advice on Europe and Vietnam to presidents Kennedy Johnson and Nixon Acheson was the architect of the policy of containing the Soviet Union that endured to the end of the Cold War The book argues that Acheson was slower to abandon the prospect of understandings with the Soviets and the communists in China than his memoirs claim his focus on the North Atlantic did not exclude his deep concern for Asian and the policy of containment was part of his wider belief that American power brought the obligation to promote a stable international order *A World Recast* Simon Serfaty,2012 In this powerful and provocative book distinguished scholar Simon Serfaty vigorously argues that while it is possible and even desirable to acknowledge the passing of the Western era it is exaggerated to present it as an irreversible decline of the United States and the rest of the West relative to China and the rest of the Rest Rather he shows that the unfolding post Western moment of zero polarity will be messy involving a dozen or more other countries But Serfaty convincingly contends that even during this moment of geopolitical transition American power remains superior and thus *American Political Thought* Richard Stevens,2017-07-05 This book focuses on the political thought of American statesmen These statesmen have had consistent and comprehensive views of the good of the country and their actions have been informed by those views The editors argue that political life in America has been punctuated by three great crises in its history the crisis of the Founding the crisis of the House Divided and the crisis of the Great Depression The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War Just when that gave the appearance of being resolved the world reached a new juncture a new crisis which Samuel P Huntington

dubbed the clash of civilizations The statesmen having political responsibility in confronting the first three crises in America's history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events Their reflection of political philosophy in the full sense informed their actions Since we cannot confidently explain the future Aristotle warned us to call no man happy while he still lives Thus the book in its third edition keeps to its settled pattern of dealing with settled matters The preface to the third edition confronts the three later crises and to the extent consistent with truth attempts to relate them to the first three

Democracy and the Nature of American Influence in Iran, 1941-1979 David R. Collier, 2017-05-08 Collier presents a timely and fresh reexamination of one of the most important bilateral relationships of the last century He delves deeply into the American desire to promote democracy in Iran from the 1940s through the early 1960s and examines the myriad factors that contributed to their success in exerting a powerful influence on Iranian politics By creating a framework to understand the efficacy of external pressure Collier explains how the United States later relinquished this control during the 1960s and 1970s During this time the shah emerged as a dominant and effective political operator who took advantage of waning American influence to assert his authority Collier reveals how this shifting power dynamic transformed the former client patron relationship into one approaching equality

The Warren Court: A Retrospective the late Bernard Schwartz, 1996-10-10 A judge made revolution The very term seems an oxymoron yet this is exactly what the Supreme Court under Chief Justice Earl Warren achieved In Bernard Schwartz's latest work based on a conference at the University of Tulsa College of Law we get the first retrospective on the Warren Court a detailed analysis of the Court's accomplishments including original pieces by well known judges professors lawyers popular writers such as Anthony Lewis David Halberstam David J Garrow and a rare personal remembrance by Justice William J Brennan Jr The Warren Court A Retrospective begins with an examination of the Court's decisions in a variety of different fields such as equal protection freedom of speech freedom of the press and criminal law The work continues with The Justices an intimate look at the principal protagonists in the Court's operation Then in A Broader Perspective the book looks at the Court from an historical perspective demonstrating its impact on the legal profession and jurisprudence its international impact and its legacy Both readable and informative The Warren Court A Retrospective provides an invaluable source for anyone interested in the Court that did so much to change America

Dean Acheson Robert Beisner, 2009-04-23 A vibrant definitive biography of Dean Acheson the foreign policy giant who helped shape the postwar world

The American Journal of International Law, 1921 Vols for 1970-73 include American Society of International Law Proceedings no 64-67

The Anointed Jeremiah Lambert, Geoffrey S. Stewart, 2021-03-16 This is the story of how and why such powerhouse Wall Street law firms as Cravath Swaine how as white shoe bastions with the social standards of an exclusive gentlemen's club they promoted the values of an east coast elite and how they adapted to a radically changed legal world surviving snobbish insularity and ferocious competition to remain at the pinnacle of a

transformed profession It is no accident these firms are found in New York the largest city in the world s largest economy and also the nation s largest port principal banking center and epicenter of industry At the dawn of the twentieth century linked by canals railroads telegraph and telephone lines transatlantic steamships and undersea cables New York became the economic nerve center of the United States It also wielded formidable political power and supplied every President or Vice President of the United States between the Civil War and the Great War *Over-Fulfilled Expectations* Harold F. Breimyer,2002-09 During the 1920s the United States suddenly aware of its potential following success in World War I offered bright promise to its youth and especially to its rural youth Harold Breimyer the author of this memoir was one of those rural youth an Ohio farm boy In this evocative memoir told in the third person Breimyer recounts how he and his fellows were encouraged to form high expectations for themselves and how they fulfilled them *American Political Thought* Morton J. Frisch,Richard G. Stevens, The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War Just when that gave the appearance of being resolved the world reached a new juncture a new crisis which Samuel P Huntington dubbed the clash of civilizations The statesmen having political responsibility in confronting the first three crises in America s history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events Their reflection of political philosophy in the full sense informed their actions **The Law Times** ,1921 **Toward Managed Peace** Eugene V. Rostow,1995-01-01 Argues that the security of the United States cannot be protected by reducing its involvement in international affairs The book contends that the most vital security interest of the nation is in the effective functioning of the state system as a system of peace

Unveiling the Power of Verbal Artistry: An Psychological Sojourn through **Fragments Of My Fleece**

In some sort of inundated with displays and the cacophony of fast communication, the profound energy and mental resonance of verbal art usually disappear into obscurity, eclipsed by the regular assault of sound and distractions. Yet, located within the musical pages of **Fragments Of My Fleece**, a charming perform of literary elegance that pulses with fresh feelings, lies an unique trip waiting to be embarked upon. Composed by a virtuoso wordsmith, that mesmerizing opus books viewers on an emotional odyssey, gently revealing the latent possible and profound affect stuck within the complex internet of language. Within the heart-wrenching expanse of the evocative examination, we shall embark upon an introspective exploration of the book is central subjects, dissect their captivating writing fashion, and immerse ourselves in the indelible impact it leaves upon the depths of readers souls.
