## **Fragrance Of Oppression The Church And Its Persecutors:**

**A Fragrance of Oppression** Herbert Schlossberg, 1991 This Turning Point book reveals the motives and tactics used in persecuting the early church Exposes the sources of such persecution in modern times totalitarian and Islamic governments Calls believers to action

**European Pentecostalism** William Kay, Anne Dyer, 2011-09-20 Starting from small numbers before 1914 the Pentecostal and charismatic movement now comprises nearly one third of the whole of the global Christian population Scholarly accounts of Pentecostal and charismatic congregations in various countries have been written but this book does something new It provides an interconnected account of Pentecostalism in Europe something never before been attempted because of the diversity of languages spoken across the continent This book shows how Pentecostalism spread from the north of Europe and how it fared during two horrific wars and under communist dictatorships In doing so it provides new theological historical and sociological information about Pentecostal churches in eastern and southern Europe about the Catholic Charismatic Movement and about the state of western groupings

**Sorrow and Blood** William D. Taylor, Antonia van der Meer, Reg Reimer, 2012-07-04 On behalf of the WEA Mission Commission William Carey Library is pleased to launch a landmark anthology and resource This is a new publication in the Globalization of Mission series Sorrow Blood Christian Mission in Contexts of Suffering Persecution and Martyrdom The editorial team of William Taylor USA Tonica van der Meer Brazil and Reg Reimer Canada worked over four years to compile this unique resource anthology This book is the product of the Mission Commission's global missiology task force and a worldwide team of committed colleagues and writers Some 62 writers from 23 nations have collaborated to generate this unique global resource and anthology Ajith Fernando of Sri Lanka and Christopher Wright of the UK each wrote prefaces to the book This latest WEA volume has the potential of profoundly shaping our approach to mission in today's challenging and increasingly dangerous world Biblical Counsel, 1993

*Among the Copts* John H. Watson, 2002-09-01 This work explores all the important themes of the Copts from the earliest moments of Christian history to the present day achieving a balance between a critical re examination of Coptic history and research It contains small biographies to show the Coptic experience as it is lived

**Their Blood Cries Out** Paul Marshall, Lela Gilbert, 1997-02-21 Today more than 200 million Christians around the world suffer imprisonment abuse and even death because of their faith Yet most Americans never hear their stories In Their Blood Cries Out Paul Marshall reveals the reality of this present day persecution revealing what we can do to help these brothers and sisters in Christ

**The Law of God**, 2014-10-16 In today's society a positive relation between God and civilization is by no means self evident Religious believers who want to live their lives in accordance with the law of God are often considered a threat to civilization To many monotheistic religion is inherently repressive and violent The central aim of this volume is to think of both God and civilization in a more open space giving way God is seen as the One who prevents man from making an absolute claim for a relative reality including one's religion and culture The multifaceted relations between God and civilization are explored from

systematic theological missiological philosophical and ethical perspectives      Postmodern Times Gene Edward Veith Jr.,1994-02-15 The modern era is over Assumptions that shaped twentieth century thought and culture the bridges we crossed to this present moment have blown up The postmodern age has begun Just what is postmodernism The average person would be shocked by its creed Truth meaning and individual identity do not exist These are social constructs Human life has no special significance no more value than animal or plant life All social relationships all institutions all moral values are expressions and masks of the primal will to power Alarminglly these ideas have gripped the nation s universities which turn out today s lawyers judges writers journalists teachers and other culture shapers Through society s influences postmodernist ideas have seeped into films television art literature politics and without his knowing it into the head of the average person on the street Christ has called us to proclaim the gospel to a culture grappling with postmodernism We must understand our times Then through the power that Christ gives we can counter the prevailing culture and proclaim His sufficiency to our society s very points of need      **The ^AKingdom of God Has No Borders** Melani McAlister,2018-07-02 In *The Kingdom of God Has No Borders* Melani McAlister offers a sweeping narrative of the last fifty years of evangelical history outside of the United States weaving a fascinating tale that upends much of what we know or think we know about American evangelicals      **Errors of the Roman Catholic Church, Or, Centuries of Oppression, Persecution and Ruin** ,1899      **Christ the Judge of the Seven Churches** David Moldenhauer,2025-09-04 Writers have analyzed the letters to the seven churches in Revelation chapters 2 and 3 from various perspectives resonant or not allegorical or literal A widely taught historical view holds that the seven churches represent the overall history of the church age from Pentecost to the present But a practical perspective recognizes that any of the seven churches in Revelation can represent any particular local gathering at any time in the church age This study *Christ the Judge of the Seven Churches of Revelation* provides down to earth explanations of Christ s messages to the seven churches of Asia Minor It takes a literal conservative approach but not necessarily a traditional one This examination intertwines relevant passages of Scripture with the messages to the churches Highlighted with numerous practical applications it should serve as a valuable resource for anyone desiring to gain a better and fresh understanding of the first three chapters of Revelation      *The Presbyterian Church in Taiwan and the Advocacy of Local Autonomy* Christine Louise Lin,1999      **The Last of the Giants** George Otis,1991 A fascinating exploration of the political cultural and spiritual trends around the world today interpreted in light of biblical prophecy      **American Book Publishing Record** ,1991      *Last Days Madness* Gary DeMar,1993-12      The Soul of Science Nancy Pearcey,Charles B. Thaxton,1994 I consider *The Soul of Science* to be a most significant book which in our scientific age should be required reading for all thinking Christians and all practicing scientists The authors demonstrate how the flowering of modern science depended upon the Judeo Christian worldview of the existence of a real physical contingent universe created and held in being by an omnipotent personal God with man having the capabilities of rationality and creativity and thus being capable of

investigating it Pearcey and Thaxton make excellent use of analogies to elucidate difficult concepts and the clarity of their explanations for the nonspecialist for example of Einstein's relativity theories or of the informational content of DNA and its consequences for theories of prebiotic evolution are quite exceptional alone making the volume worth purchasing Dr David Shotton Lecturer in Cell Biology Department of Zoology University of Oxford Pearcey and Thaxton show that the alliance between atheism and science is a temporary aberration and that far from being inimical to science Christian theism has played and will continue to play an important role in the growth of scientific understanding This brilliant book deserves wide readership Phillip E Johnson University of California Berkeley This book would be an excellent text for courses on science and religion and it should be read by all Christians interested in the relationship between science and their theological commitments J P Moreland Professor of Philosophy Talbot School of Theology Biola University     **The Religious Right**  
Glenn H. Utter, John Woodrow Storey, 2007 Timely and unbiased this edition updates and expands its examination of the religious right and its influence on our government citizens society and politics From the fight to outlaw the teaching of Darwin's theory of evolution to the struggle to outlaw abortion the religious right is continually exerting an influence on public policy     **First Things** ,1993     **The Cumulative Book Index** ,1991 A world list of books in the English language
