## **Halved Soul Retelling The Myths Of Romantic Love:**

**The Halved Soul** Judith Pinter,1992 Discusses the cultural myth of romantic love and its role in interpersonal relations and studies the best known lovers of literature and folklore and what their stories reveal      **Love's Philosophy** Richard White,2001-10-09 Love comes in many forms and touches all our lives and despite its changing history it remains constant in human experience Love s Philosophy explores the basic expressions of love In this book White looks at friendship romance parenthood and humanitarian love in classical and contemporary perspective He argues that the philosophical oblivion of love has been a mistake By examining both the historical and contemporary formations of love he proposes alternative models to guide both our thinking and our experience of loving      **Sex and the Goddess** Karin E Weiss Ph.D., PhD,2019-11-25 It has been over twenty years since the full manuscript of my book was edited for publication in 1998 I had begun writing it in the previous decade the 1980 s a period of flourishing women s liberation movements against the patriarchal status quo Books about women s sexuality and spirituality were flooding the bookstores and many writers were producing profound studies of the untold heroism of women throughout history I was a pioneer in the burgeoning field of Sex therapy and education at the University of Minnesota Medical School s Program in Human Sexuality In addition I conducted women s self enrichment groups and workshops in my private practice Woman s Discovery Institute where I also gave professional Astrology readings and classes This rich mix of psychology philosophy spirituality and a knowledge of the cyclic patterns of life shown by astrology created within me an avid interest in researching women s unsung heroism throughout history It brewed in me a heady fascination to stitch it all together in a circle montage that connects all women and all aspects of our multi layered lives I based my theory on the lunar cycle which is eternally linked to women s menstrual emotional and psychic cycles With a friend I created a series of workshops for women to celebrate their many faceted selves and gain confidence to pursue their goals Yet for various reasons my book manuscript remained in my own bookshelf never getting published Until now the times again call for women to claim their autonomy and gain equality in an overly male dominated and viciously callous world I am blessed to find in Xlibris a publisher ready to take on the project with me I am thrilled to finally see my Life s Masterwork in print You will find many divergent ideas in these two volumes No single woman encompasses all that are described but as you read and recognize these characters in yourselves and your friends I hope it will help you gain a full appreciation of your own awesome erotic spirit and sacred sexual powers      The Way of the Beloved Robert Van Arsdale,Diana Van Arsdale,2004-04      *Woman of Power* ,1994      **Breaking and Mending** Mary Lou Redding,1998 In struggling to make sense of her own painful divorce Mary Lou Redding looked to the Bible where she found guidance and hope Her intimate book weaves her personal story with those from scripture to help other Christians who are facing divorce find God s grace in the midst of pain Breaking and Mending looks at the spiritual issues of divorce rather than the sociological ones and allows the scriptures to illuminate and heal those who are facing this difficult transition For

example chapter one deals with broken dreams and uses the story of Hosea and Gomer Later chapters focus on forgiveness breaking old patterns forging a new identity as a single person and searching for healthy relationships Honest and straightforward Redding has written a book which addresses the hard issues of divorce but always with hope in God's unfolding grace Library Journal, 1992 Includes beginning Sept 15 1954 and on the 15th of each month Sept May a special section School library journal ISSN 0000 0035 called Junior libraries 1954 May 1961 Also issued separately
