Lloyd's Encyclopaedic Dictionary, 1895 **The Dawn Volume II** Debra Milligan, 2012 The year is 1940 France falls The battle for liberation begins covertly and within the minds and hearts of French patriots The Battle for France will one day begin but the fight for freedom that endless quest for liberty is well underway Resistance in all of its forms will take on the very meaning of life as ordinary citizens smuggle Jewish orphans out of France print clandestine newspapers and undertake reconnaissance armed engagement and sabotage against the enemy The fierce need of the human will for liberty is pitted against the tyrannies of evil and the battle for freedom is joined Set within the myriad landscapes of wartime France and England THE DAWN is the story of a French aristocrat a U S Army colonel and the woman they love It is a tale of treachery and timeless heroism THE DAWN chronicles the unforgettable dramas of the dark years in France 1940 1944 The story unfolds like the forbidden Tricolore against the backdrop of war death love birth history and the illusion of peace The major characters are Camille Richarde Those two spheres of her life in Roussillon overt and covert public and secret legal and illegal created a balance within this Frenchwoman that greatly aided her in adjusting to life in Provence Camille quickly forgot the calibrated existence that she'd left behind in Paris The exigencies of life in Roussillon filled her with more than lists in her mind of things to do They filled her days and nights with meaning this profound sense of fulfillment which had theretofore eluded her Camille began to see that a life filled with activity suggests purpose but busyness can conceal emptiness within Guillaume de Vallon He therefore took his first tentative steps away from the life of a French aristocrat He only vaguely perceived before him the passage which extended like a huge open hand of freedom He knew that he could say nothing of these ominous visions and misty reveries to anyone In time he would speak to Camille of the truths that moved him now with defiance duty and a degree of despondence For the present Guillaume understood that this Frenchwoman and
