Hammer And The Scythe The Communist Russia Enters The Second Decade:

The Hammer and the Scythe Anne O'Hare McCormick, 1928 London edition Williams and Norgate Ltd has title Communist Russia the hammer and the scythe **The Hammer and the Scythe** Anne O'Hare McCormick, 1928 **A History of Russia** George Vernadsky, 1929 **And God Created Lenin** Paul Gabel, 2010-10-04 This book examines in depth the conflict between Lenin's logic driven efforts to stamp out religion and the churches passionate attempts to save themselves from obliteration. It looks at both sides objectively and admits that they both presented strong cases. In this thoroughly researched yet accessible study, historian Paul Gabel offers a new understanding of the only effort in world history to upset the universality of religion. Besides the main conflict between the Russian Orthodox Church and the atheist state, Gabel also considers the tensions that this campaign against religion caused within the Communist Party. In addition, he discusses the bitter hatred dividing the Orthodox factions that refused cooperation with the government from those that tried to adapt the church to communism. Was the failure of Soviet communism to eradicate religion simply a matter of practical miscalculation, or was this effort in light of the persistence of religion throughout history ultimately unrealistic and doomed from the start? This is the key question that Gabel's fascinating insightful narrative attempts to answer. [The American Political Science Review](#), 1929 **Youth in Revolutionary Russia** Anne E. Gorsuch, 2000-10-22 What were the consequences if prerevolutionary and bourgeois culture and social relations could not be transformed into new socialist forms of behavior and belief? **The Politics of Irony in American Modernism** Matthew Stratton, 2013-11-01 Shortlisted for the 2015 Modernist Studies Association Book Prize. This book shows how American literary culture in the first half of the twentieth century saw irony emerge as a term to describe intersections between aesthetic and political practices. Against conventional associations of irony with political withdrawal, Stratton shows how the term circulated widely in literary and popular culture to describe politically engaged forms of writing. It is a critical commonplace to acknowledge the difficulty of defining irony before stipulating a particular definition as a stable point of departure for literary, cultural, and political analysis. This book, by contrast, is the first to derive definitions of irony inductively, showing how writers employed it as a keyword both before and in opposition to the institutionalization of New Criticism. It focuses on writers who not only composed ironic texts but talked about irony and satire to situate their work politically. Randolph Bourne, Benjamin De Casseres, Ellen Glasgow, John Dos Passos, Ralph Ellison, and many others. [American Girls in Red Russia](#) Julia L. Mickenberg, 2017-04-25 If you were an independent, adventurous, liberated American woman in the 1920s or 1930s, where might you have sought escape from the constraints and compromises of bourgeois living? Paris and the Left Bank quickly come to mind. But would you have ever thought of Russia and the wilds of Siberia? This choice was not as unusual as it seems now. As Julia L. Mickenberg uncovers in *American Girls in Red Russia*, there is a forgotten counterpoint to the story of the Lost Generation beginning in the late nineteenth century. Russian revolutionary ideology attracted many women, including

suffragists reformers educators journalists and artists as well as curious travelers Some were famous like Isadora Duncan or Lillian Hellman some were committed radicals though more were just intrigued by the Soviet experiment But all came to Russia in search of social arrangements that would be more equitable just and satisfying And most in the end were disillusioned some by the mundane realities others by horrifying truths Mickenberg reveals the complex motives that drew American women to Russia as they sought models for a revolutionary new era in which women would be not merely independent of men but also equal builders of a new society Soviet women after all earned the right to vote in 1917 and they also had abortion rights property rights the right to divorce maternity benefits and state supported childcare Even women from Soviet national minorities many recently unveiled became public figures as African American and Jewish women noted Yet as Mickenberg's collective biography shows Russia turned out to be as much a grim commune as a utopia of freedom replete with economic social and sexual inequities American Girls in Red Russia recounts the experiences of women who saved starving children from the Russian famine worked on rural communes in Siberia wrote for Moscow or New York newspapers or performed on Soviet stages Mickenberg finally tells these forgotten stories full of hope and grave disappointments

Catalog of Copyright Entries. New Series Library of Congress. Copyright Office, 1930 [American Literature in Transition, 1920-1930](#) Ichiro Takayoshi, 2017-12-28 American Literature in Transition 1920 1930 examines the dynamic interactions between social and literary fields during the so called Jazz Age It situates the era's place in the incremental evolution of American literature throughout the twentieth century Essays from preeminent critics and historians analyze many overlapping aspects of American letters in the 1920s and re-evaluate an astonishingly diverse group of authors Expansive in scope and daring in its mixture of eclectic methods this book extends the most exciting advances made in the last several decades in the fields of modernist studies ethnic literatures African American literature gender studies transnational studies and the history of the book It examines how the world of literature intersected with other arts such as cinema jazz and theater and explores the print culture in transition with a focus on new publishing houses trends in advertising readership and obscenity laws [The American Mercury](#), 1928 *The Moderate Bolshevik* Charters Wynn, 2022-04-11 This first English language biography of Mikhail Tomskey reveals his central role in all the key developments in early Soviet history including the stormy debates over the role of unions in the self-proclaimed workers state Charters Wynn's compelling account illuminates how the charismatic Tomskey rose from an impoverished working class background and years of tsarist prison and Siberian exile to become both a Politburo member and the head of the trade unions where he helped shape Soviet domestic and foreign policy along generally moderate lines throughout the 1920s His failed attempt to block Stalin's catastrophic adoption of forced collectivization would tragically make Tomskey a prime target in the Great Purges **The Nation**, 1928 **The Body Soviet** Tricia Starks, 2009-01-06 In 1918 the People's Commissariat of Public Health began a quest to protect the health of all Soviet citizens but health became more than a political platform or

a tactical decision The Soviets defined and categorized the world by interpreting political orthodoxy and citizenship in terms of hygiene The assumed political social and cultural benefits of a regulated healthy lifestyle informed the construction of Soviet institutions and identity Cleanliness developed into a political statement that extended from domestic maintenance to leisure choices and revealed gender ethnic and class prejudices Dirt denoted the past and poor politics health and cleanliness signified mental acuity political orthodoxy and modernity Health though essential to the revolutionary vision and crucial to Soviet plans for utopia has been neglected by traditional histories caught up in Cold War debates The Body Soviet recovers this significant aspect of Soviet thought by providing a cross disciplinary comparative history of Soviet health programs that draws upon rich sources of health care propaganda including posters plays museum displays films and mock trials The analysis of propaganda makes The Body Soviet more than an institutional history it is also an insightful critique of the ideologies of the body fabricated by health organizations A masterpiece that will thoroughly fascinate and delight readers Starks s understanding of propaganda and hygiene in the early Soviet state is second to none She tells the stories of Soviet efforts in this field with tremendous insight and ingenuity providing a rich picture of Soviet life as it was actually lived Elizabeth Wood author of *From Baba to Comrade Gender and Politics in Revolutionary Russia* *Atlantica* ,1929 *Books for All* Providence Public Library (R.I.),1928 **Public Affairs Information Service Bulletin** ,1929 *A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942* ,1942 *Book Bulletin of the Chicago Public Library* Chicago Public Library,1928 **Current History and Forum ...** ,1929

Adopting the Tune of Phrase: An Psychological Symphony within **Hammer And The Scythe The Communist Russia Enters The Second Decade**

In a world consumed by displays and the ceaseless chatter of quick conversation, the melodic splendor and emotional symphony produced by the written word usually diminish into the backdrop, eclipsed by the constant noise and distractions that permeate our lives. However, nestled within the pages of **Hammer And The Scythe The Communist Russia Enters The Second Decade** a stunning literary prize full of fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this interesting masterpiece conducts viewers on a mental trip, skillfully unraveling the hidden melodies and profound impact resonating within each cautiously crafted phrase. Within the depths of this touching evaluation, we shall discover the book is key harmonies, analyze their enthralling publishing style, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
