**Hammer's Slammers** David Drake, 1984-09-15      **Hammer's Slammers** David Drake, 1989      *The Complete Hammer's Slammers: Volume 1* David Drake, 2009-10-01 With a veteran's eye for the harsh and gritty details of war David Drake depicts a futuristic analog of tank combat in his Hammer's Slammers fiction. The Slammers are neither cartoon heroes nor propaganda villains; rather, they are competent professionals engaged in a deadly business. The inevitable conflicts between policy necessity and human nature make Drake's Slammers fiction instantly identifiable and utterly compelling. This is the first of a three-volume set presenting for the first time the entire genre-defining Slammers series in a uniform trade paperback set with new introductions by major SF figures and new afterwords by David Drake. Each volume will also include a Slammers story not collected in previous Slammer's books. At the publisher's request, this title is sold without DRM. Digital Rights Management. Fans of Drake's edgy stories of a mercenary tank regiment in a future not all that different from our present will rejoice at the publication of the entire series in three volumes. Drake, a Vietnam vet who served in the Blackhorse Regiment, uses prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer's Regiment. In his depiction of combat, Drake rivals Crane and Remarque. Publishers Weekly reviewing the Night Shade hardcover edition.

**The Complete Hammer's Slammers Volume 3** David Drake, 2007-11-01 With a veteran's eye for the harsh and gritty details of war, David Drake depicts a futuristic analog of Vietnam-era tank combat in his Hammer's Slammers fiction. Upon this tactical foundation, Drake uses historical metaphor to provide a rich and detailed future history that is both unique and strangely familiar. The characters that make up the Hammer's Regiment are neither cartoon heroes nor propaganda villains; rather, they are competent professionals engaged in a deadly business. The inevitable conflicts between policy necessity and human nature are often at the forefront of the Slammers narratives, and it is this rich fusion of elements that makes Drake's Slammers fiction instantly identifiable and utterly compelling. The Hammer's Slammers series is some of the most important and influential work in military SF. The Vietnam War made indelible marks on the science fiction genre, and Drake's service with the Blackhorse Regiment during the war gives his fiction a unique perspective. It is this perspective that is sometimes lacking in military SF and one that makes Drake's work so important to the science fiction genre as a whole. This three-volume set collects all the Slammers short fiction and novels into a set of uniform editions and presents a new previously uncollected piece of fiction in each volume. This third volume collects the last two Slammers novels, *The Sharp End* (1993) and *Paying the Piper* (2002). The novella *The Darkness* was written for this volume and has been uncollected prior to the publication of this volume.

**The Complete Hammer's Slammers: Volume 2** David Drake, 2010-02-01 This Omni trade paperback volume collects the first four novels in the series. At Any Price, Counting the Cost, Rolling Hot, and The Warrior all have been out of print and unavailable for several years. Neither stainless white knights nor bloodthirsty killers, the Slammers are competent professionals with recognizable human flaws engaged in a deadly business. Their internal conflicts set against

vivid scenes of battle make their stories exciting and compelling This is the second of the three volume set presenting for the first time the entire genre defining Slammers series in uniform Omni trade paperback volumes with new introductions by major SF figures and new afterwords by David Drake Each volume will also include a Slammers story not collected in previous Slammer s books At the publisher s request this title is sold without DRM Digital Rights Management **The Complete Hammer's Slammers: Volume 3** David Drake,2010-11-01 This three volume set presents for the first time the genre defining Slammers series in a uniform hardcover set This volume features the final two Slammers novels The Sharp End and Paying the Piper as well as an original novelette The Darkness This volume will feature an introduction by Barry Malzberg At the publisher s request this title is sold without DRM Digital Rights Management **The Complete Hammer's Slammers** David Drake,2009-10-06 The Best Selling Series That Rocketed David Drake to Military Science Fiction Stardom The First of Three Volumes Collecting the Complete Series With a veteran s eye for the harsh and gritty details of war David Drake depicts a futuristic analog of tank combat in his Hammer s Slammers fiction The Slammers are neither cartoon heroes nor propaganda villains rather they are competent professionals engaged in a deadly business The inevitable conflicts between policy necessity and human nature make Drake s Slammers fiction instantly identifiable and utterly compelling This is the first of a three volume set presenting for the first time the entire genre defining Slammers series in a uniform trade paperback set with new introductions by major SF figures and new afterwords by David Drake Each volume will also include a Slammers story not collected in previous Slammer s books Fans of Drake s edgy stories of a mercenary tank regiment in a future not all that different from our present will rejoice at the publication of the entire series in three volumes Drake a Vietnam vet who served in the Blackhorse Regiment uses prose as cold and hard as the metal alloy of a tank to portray the men and women of Hammer s Regiment In his depiction of combat Drake rivals Crane and Remarque Publishers Weekly reviewing the Night Shade hardcover edition Rolling Hot David Drake,1989 Colonel Hammer has only a mixed bag of recruits and battle fatigued veterans to relieve a district capital that has to be rescued Rolling Hot is sure to follow the success of David Drake s Hammer s Slammers nearly a million in print and the bestselling tie in adventure game
